C. H. Lenski,2008-09-15 This item is part of Lenski New Testament In Twenty Volumes Pastors and students of the Bible who seek deep and detailed engagement with the text of the New

Testament have long relied on R C H Lenski's classic text now available again. Even though its historical critical work has been surpassed, the strong narrative quality, accessibility, and holy reverence for the Word of God. Moody Monthly of Lenski's work have allowed his commentary to continue as an excellent resource for serious study of the New Testament and sermon preparation.     Commentary on the Pastoral Epistles Patrick Fairbairn, 1956     **Philippians** John Reumann, 2007-07. In **Philippians** John Reumann offers both classical approaches and new methods of understanding this New Testament book. With fresh commentary on the social world and rhetorical criticism and a special focus on the contributions of the Philippian house churches to Paul's work and early Christian mission, Reumann clarifies Paul's attitudes toward and interactions with the Philippians. Departing from traditional readings of Philippians in light of Acts, Reumann allows Paul to speak in his own right. His three letters from Ephesus shed new light on relationships and we come to see how he approves some aspects of the dominant culture of friendship in Greco-Roman Philippi while disapproving others. He seeks to help the Philippians discern how to be citizens of the heavenly kingdom and also Caesar's state, though there is an undercurrent of Christ vs Caesar.     **A Commentary on the Epistle to the Philippians** Francis Wright Beare, 1969     The Epistles of Paul to the Colossians and Philemon Herbert M.
