The Nuclear Numbers Game Radical Statistics Nuclear Disarmament Group,1982 Data in Society Jeff Evans,Sally Ruane,Humphrey Southall,2019-08-21 Statistical data and evidence based claims are increasingly central to our everyday lives Critically examining Big Data this book charts the recent explosion in sources of data including those precipitated by global developments and technological change It sets out changes and controversies related to data harvesting and construction dissemination and data analytics by a range of private governmental and social organisations in multiple settings Analysing the power of data to shape political debate the presentation of ideas to us by the media and issues surrounding data ownership and access the authors suggest how data can be used to uncover injustices and to advance social progress Disarmament ,1986 Beyond Economic Interests Keiko Yasukawa,Stephen Black,2016-02-10 Over the last two decades an increasingly economistic discourse has dominated discussions about adult literacy and numeracy This book provides critiques of and alternative narratives to the dominant discourse Authors provide tools and methodologies of critique including ways of seeing how policies in the countries of focus come to be captured almost completely by the interests of business and industry as well as how to critically interpret the data that policy makers use to justify their priorities But adult literacy and numeracy practitioners and learners find spaces and places to pursue learning that matters for the lived experiences of adults and their communities Beyond Economic Interests presents the struggles and achievements of practitioners and learners that lead the readers of the book to critically appreciate that a counter narrative to the purely economistic discourse of adult literacy and numeracy is much needed and possible Time to Choose Alan Kreider,1983 **Librarians for Social Change** ,1980 *Printed Reference Material and Related Sources of Information* Alan Day,1990 A concise guide to the various sources used in reference librarianship at its core a series of chapters dealing with the various formats available for each type of reference source Each chapter of this edition 2nd 1984 has been rewritten and updated and new chapters have been added on community information electronic publishing and audiovisual sources The review copy was poorly bound Distributed by Unipub Annotation copyrighted by Book News Inc Portland OR **Alternative Library Literature, 1982-1983** Sanford Berman,James P.
