Nude Ascending A Staircase And Other Stories:

Nude Ascending a Staircase Susan Montag, 2001-09-01 *Climbing the Stairs of the City & Other Short Stories* H. Lloyd Weston, 2024-03-01 H Lloyd Weston worked assiduously to create a compilation of short stories some from real life experiences the others from the divine gift of the imagination Each story is crafted with the author's emphasis on originality and fluidity of thought and expression keeping in mind the reader who will embark upon the same journey by finding enjoyment in reading these engaging stories The author wants the reader to experience the same palpable joy and reward he received in the task of creating them His obsession with executing a quality batch of stories came from his love of literature and the coterie of exceptional short story writers whose works he read along the way Among these are writers such as Anton Chekhov Katherine Mansfield D H Lawrence James Baldwin Eudora Welty Katherine Ann Porter Ernest Hemingway and Leo Tolstoy The reader is swept away by the gripping power of these stories tales that are original imaginative and adventurous It is hoped that the average reader will find things pertinent to their own life experiences within these poignant and suspenseful tales stories that afford them the chance to escape the humdrum of daily life and the headlines of today's depressing 24 hour news cycle It is hoped that these stories will take each reader to a place of wonder and escape to the three different geographic locations within these stories *The Ghost Ship and Other Stories* Richard Middleton, 1913

Naked on the Staircase Skhye Moncrief, 2014-05-16 novel 51 000 words if released in print BLURB A Time Guardian Halloween Tale A demon stalks Druidess Aron MacKintosh trying to use her to gain control of the timeline in present day Scotland Time plows toward Samhain when the doorways open between the Now and the Happy Otherworld She finds herself in a strange alliance with an unusual Time Guardian Cowboy The duo struggles to defeat the demon If Cowboy can't earn her trust the integrity of the timeline could be endangered Only Cowboy's charm and southern idea of chivalry has what it takes to leave an ancient evil bound **NAKED ON THE STAIRCASE** *Fear and Other Stories* Chana Blankshteyn, 2022-05-10 Translation of Chana Blankshteyn's stories depicting the tumultuous interwar years in Europe *Fear and Other Stories* is a translation from Yiddish to English of the collected stories of Chana Blankshteyn 1860-1939 a woman who may be almost entirely forgotten now but was widely admired during her long and productive life The mere existence of these stories is itself a remarkable feat as the collection was published in July 1939 just before the Nazis invaded Poland and two weeks before Blankshteyn's death Anita Norich's introduction argues that this is not a work of Holocaust literature there are no death camps partisans or survivors of WWII but anti-Semitism is palpable as is the threat of war and its aftermath What could it have felt like to live under these conditions How might a woman who was a feminist a Jew and an activist understand the recent past of war and revolution through which she had lived and also confront the horror that was beginning to unfold The nine stories in this volume take place primarily in Vilna as well as various parts of Europe As if presaging what was to come World War I and Russian civil wars are the backdrops to these stories as Jews and non-Jews find

themselves under German occupation or caught up in the revolutionary fervor that promised them much and took away almost everything The young women in Blankshteyn's stories insist on their independence on equality with their lovers and on meaningful work Like the men in the stories they study work and yearn for love The situations in which these characters find themselves may be unfamiliar to a contemporary reader but their reactions to the turmoil the frighteningly changing times and the desire for love and self expression are deeply resonant with today's audience The history may be specific but the emotions are universal Blankshteyn's stories are both a view of the final gasp of Eastern European Jewish culture and a compelling modern perspective on the broader world Students and scholars of history and culture women's literature and translation studies will wonder how they've gone this long without reading Blankshteyn's work **Lotta Schmidt and**

Other Stories Emile Zola, 2015-12-29 NANA CHAPTER I At nine o'clock in the evening the body of the house at the Theatres des Varietes was still all but empty A few individuals it is true were sitting quietly waiting in the balcony and stalls but these were lost as it were among the ranges of seats whose coverings of cardinal velvet loomed in the subdued light of the dimly burning luster A shadow enveloped the great red splash of the curtain and not a sound came from the stage the unlit footlights the scattered desks of the orchestra It was only high overhead in the third gallery round the domed ceiling where nude females and children flew in heavens which had turned green in the gaslight that calls and laughter were audible above

a continuous hubbub of voices and heads in women's and workmen's caps were ranged row above row under the wide vaulted bays with their gilt surrounding adornments Every few seconds an attendant would make her appearance bustling along with tickets in her hand and piloting in front of her a gentleman and a lady who took their seats he in his evening dress she sitting slim and undulant beside him while her eyes wandered slowly round the house Two young men appeared in the stalls they kept standing and looked about them Didn't I say so Hector cried the elder of the two a tall fellow with little black mustaches We're too early You might quite well have allowed me to finish my cigar An attendant was passing

Dialogues With Marcel Duchamp Pierre Cabanne, 2025-05-01 With an introduction by Robert Motherwell and an appreciation by Jasper Johns Marcel Duchamp one of this century's pioneer artists moved his work through the retinal boundaries which had been established with Impressionism into a field where language thought and vision act upon one another There it changed form through a complex interplay of new mental and physical materials heralding many of the technical mental and visual details to be found in more recent art In the 1920s Duchamp gave up quit painting He allowed perhaps encouraged the attendant mythology One thought of his decision his willing this stopping Yet on one occasion he said it was not like that He spoke of breaking a leg You don't mean to do it he said The Large Glass A greenhouse for his intuition Erotic machinery the Bride held in a see through cage a Hilarious Picture Its cross references of sight and thought the changing focus of the eyes and mind give fresh sense to the time and space we occupy negate any concern with art as transportation No end is in view in this fragment of a new perspective In the end you lose interest so I didn't feel the necessity to finish it He declared that he wanted to kill art for myself but his persistent attempts to destroy frames of reference altered our thinking established new units of thought a new thought for that object The art community feels Duchamp's presence and his absence He has changed the condition of being here Jasper Johns from Marcel Duchamp An Appreciation
