Nude Photography Photography:

Wondering.....? Jantira Namwong, 2021-12-12 Boudoir and Nude photo book 8 5 X 8 5 120 pages colors book inside with artistic cover designed by Ya My name is Jantira Namwong I am a female Boudoir and Nude photographer from Thailand I started my photography as a way of empowering women in their life work relationships etc I became a Boudoir and Nude female photographer by chance 7 years ago after I had been in architectural photography for a few years I was working for other people and companies until I became bored of being someone else s employee I wanted to be independent and start my own business I already had knowledge of photography and began looking for which possible path would make a good career I accidentally discovered Boudoir photography while searching the Internet and realized right away that as a woman I could also make images of beautiful women wearing lingerie in their changing room Right away this business idea clicked as something to do as a female After shooting Boudoir for two years I then expanded my package to offer clients Nude session too The results were amazing After working in this business for a while I realized that every woman loves to see themselves as sexy and beautiful while wearing lingerie They love having their pictures taken while nude to feel and connect with their bodies and to love themselves more They also wanted to share these images with their intimate partner and sometimes with their friends or social media to show the world how beautiful she is Confidence is Sexy In this photo book I will show you Boudoir and Nude photos from my collections and talk about how I feel to photograph nudes I will also talk about how female empowerment is very good for men s well being Also what do I think would be the perfect My photographs shown here are from photo sessions with my models that work with me privately and also from my workshop I organized for photographers from different countries who came to Thailand to join my sessions I will also discuss the difference between Boudoir and Nude photography and how they could be used to impact our life Every one of the models in this book is beautiful and sensual in their own way What they have in common is that they all use their sensuality to become empowered in their life career and relationships This ultimately what Boudoir and Nude photography is all about It allows us to see our sensuality as an expression of confidence and empowerment not just for women but for men too I hope you enjoy this photo book Thank you Jantira Namwong YA **The Naked and the Lens, Second Edition** Louis Benjamin, 2015-12-18 This second edition updates and builds upon the key concepts of nude photography presented in the first edition that guide photographers from finding models and planning a shoot all the way through to post production The Nude , 2017-05-22 Images of the nude human form are among the oldest art forms from simple drawings to grand statuary to classic painting and contemporary photography artists fascination with the human body has endured throughout time and across every form of creative expression Within the pages of this book accomplished fine art nude photographer Jennifer Emery begins by presenting the key elements of lighting and posing the human body to best flatter the subject and express the desired design With these fundamentals in place she expands and elevates the practice of photographing nudes to develop more conceptual fine art

looks that go beyond merely representing the subject and strive to communicate more complex ideas and aesthetics As she demonstrates fine art nude photography can go far beyond a mere black backdrop and some interesting lighting Full of color motion and style Emery s images spark intrigue admiration passion and excitement **Professional Secrets of Nude and Beauty Photography** Bill Lemon,2001 Packed with practical tips and real world examples of the skills needed to shoot outstanding black and white nude and beauty photographs this is a comprehensive manual for photographers of all levels Technical analyses of over 60 portraits are provided enabling photographers to learn duplicate and adapt each of the techniques Special emphasis is placed on evaluating and adjusting for perfect lighting choosing settings and selecting props and poses that convey a particular The Naked and the Lens Louis Benjamin,2012-10-02 The Naked and the Lens is designed as both a technical guide and an artistic inspiration Filled with beautiful images of the nude form it also shows you how this can be technically achieved The book covers key topics concept lighting directing post production and artistic re interpretation and how to find models Legal and photo release issues are covered as well The techniques are up to date including Photoshop CS RAW capture and shooting with a gray card to capture accurate white balance information The lighting section will also show how to get studio quality light from hot shoe flashes by adapting them to umbrellas and soft boxes Regardless of whether you are shooting in a studio or in a field this book will show you how to create works of art with nude bodies and it will also teach through advice in a unique interview section with leading nude photographers around the world through their words and their images True Confessions of Nude Photography A.
