[Blackjack Autumn](#) Barry Meadow, 2012-05-10 When Barry Meadow decided to take two months off from his everyday life to play blackjack in every Nevada casino, he had no idea what he would find. Leaving behind his business, his fiancée, and his son, he set out on the road with a suitcase, a tape recorder, and \$8,000 on the trip of a lifetime. He ran into cowboys and Indians, suffered the Stardust curse, split 10s in Winnemucca, and learned more about real world gambling than anyone should have to know. With wit and wisdom, Meadow takes you on an incredible journey—literally, figuratively, even spiritually—all within the context of a professional

Winning in Tough Hold 'em Games Nick Grudzien,Geoff Herzog,2007-04 The recent boom of Texas hold em has forever changed the way the game is played Many more people know how to play this game well Even the loose players who come to gamble have become far more aggressive making them more difficult to play against So a basic tight and patient strategy will no longer guarantee that you can make a significant amount of money in games at the higher stakes This is especially true short handed which have become increasingly popular in the online poker rooms This text is the first to tackle the complex issues presented when playing short handed and high stakes limit hold em But even if you happen to only play in softer games many of the key concepts presented will still help you against the other good players in your game Winning in Tough Hold em Games includes an examination of pre flop play covering issues at a depth of sophistication which have never appeared in print before including discussions of blind stealing re stealing isolating a loose player big blind and small blind defense and blind versus blind play Also covered are thorough sections on playing heads up post flop and semi bluffing In addition over 50 hands taken from high stakes online games which were played by Stoxtrader are presented along with appropriate discussion of the strategy involved Book jacket     *Fundamentals of Poker* Mason Malmuth,Lynne Loomis,1999 A hard hitting guide to the best strategies for the most popular casino poker games seven card stud and Texas hold em plus insights into winning at Omaha Omaha eight or better seven card stud eight or better razz and lowball     *Getting the Best of It* David Sklansky,1997 Contains six sections discussing probability poker blackjack other casino games sports betting and
