**Players First** John Calipari, Michael Sokolove, 2015-02-24 Now with a new chapter on the Wildcats legendary comeback in the 2014 Final Four John Calipari one of the most successful coaches in NCAA history presents the world of college basketball from the coach's chair unvarnished and straight from the heart *Players First* is Calipari's account of his first six years coaching the University of Kentucky men's team leading it to a national championship in 2012 and the championship game in 2014 all while dealing with the realities of the one and done mentality and an NCAA that sometimes seems to put players last Filled with revelatory stories about what it takes to succeed at the highest level of the college game *Players First* is a candid look at the great players and rivalries that have filled Calipari's life with joy and a sense of purpose Always Resisting Eric Newhall, 2024-09-12 In this memoir Eric Newhall traces his life and political evolution with a particular focus on his time inside Lompoc Federal Correctional Institution where he was incarcerated for refusing to participate in the Vietnam War Beginning with his youth in an all white neighborhood in Portland Oregon he describes his undergraduate experience at Occidental College in Los Angeles 1963-1967 his time in prison and the powerful impact that his time behind bars had on both his 34 year marriage and 44 year teaching career His memoir is a reminder that much work remains to be done that subtle racism takes many forms and can be found even in outwardly progressive families like the one in which he was raised and that the social problems examined here are even more pressing today than they were during the 1960s The book will be particularly compelling to readers concerned by the threat to democracy posed by persistent war authoritarianism and racism **Pamphlets and Reprints** DeWitt Henry Parker, 1928 *Play = Learning* Dorothy Singer, Roberta Michnick Golinkoff, Kathy Hirsh-Pasek, 2006-08-24 In *Play Learning* top experts in child development and learning contend that in over emphasizing academic achievement our culture has forgotten about the importance of play for children's development **Journal of Health, Physical Education, Recreation**, 1957 *They Played the Game* Norman L.
