Careful the Spell You Cast Ben Francis, 2023-02-09 Stephen Sondheim is one of the best known and most loved musical theatre composers but also one of the most misunderstood often being labelled as distant or cynical Careful the Spell You Cast instead argues that Sondheim firmly belongs to the Broadway aspirational tradition in that many of his characters are defined by their dreams to abandon one s dream as Ben does in Follies Frank does in Merrily We Roll Along and Addison does in Road Show is to lose one s soul Rather than take the established view of Sondheim as a cynic this book contends that throughout Sondheim s work letting go of one s illusions is a process that his characters need to go through that they must cast off illusions and false dreams without

becoming cynical and destroying their genuine dreams in the process In turn this view aligns Sondheim s work as being aspirational and a logical continuation from the work of his mentor Oscar Hammerstein II Following the trajectory of Sondheim s career *Careful the Spell You Cast* shows how Sondheim has dramatized this process throughout his writing life alongside different collaborators From his work as a lyricist with the musicals *Gypsy* and *West Side Story* through to his later collaborations with Hal Prince *Company* *Follies* and James Lapine *Into the Woods* *Sunday in the Park with George* this book reframes the established view through lyrical and structural analysis in relation to the characters within each of these celebrated works of musical theatre arguing that Sondheim is in the popular sense of the word a romantic within the tradition of the Broadway musical
