Prophetical, Educational, and Playing Cards Mrs. John King Van Rensselaer, 1912 **UNSEEN THINGS** Jean

McBride, 2017-09-03 This is not an examination of the quality or quantity of your faith It is an examination of the existence of your faith There are only two responses to this examination of self Yes I am in the faith or no I am not in the faith If the answer is yes then you got there by seeking the Lord You did not pray for faith you sought God and faith came If the answer is no you will not get in the faith by praying for faith You will only get in the faith by seeking God We will never get more faith by seeking more faith When I began this Bible study my goal was simple I was in the faith but I really felt I needed more faith What I really needed was to learn more about the faith I had I learned that faith has the capacity to be in one accord with God If we seek God and His ways we will find that we have all the faith we need The purpose of seeking God is so that we will know what we can be in accord with The chapters in this book are based on the great faith chapter in the Bible Hebrews 11
