America and the Caribbean islands came to the attention of the United States government Their investigation of these crime sprees led them to the tight closed doors of Peter and his gang The gang had grown into a well organized drug cartel The world was their playground and they had become the untouchables The Central Intelligence Agency Special Task Force was formed and Thaddeus was the CIA agent who was appointed to oversee the operation His job was to apprehend Peter and his gang by any means necessary He recruited his friends who were also his childhood playmates to assist him in apprehending the gang They never thought that their innocent child play of crooks and robbers would manifest into real life drama The relentless manhunt led them to the other side of the world and back again Things intensified when they learned that their former classmate Karen Shaw was part of the gang She was dubbed the Gutsy Missouri Bad Girl Fearless and bold beyond the meaning of the word she craved bloodshed which was evidenced in the string of murder victims that she left in every path that she chose to travel Already faced with unimaginable danger even death the Central Intelligence Agency Special Task Force discovered that Peter and his gang had joined forces with a few dirty CIA agents Driven by greed and the desire to control the underground world the gang clashed with the mighty playmates of Harvest View In a bloody showdown in Las Vegas Nevada their reign of terror came to an end Through the years dating all the way back to their childhood the playmates of Harvest View s relationships with the sisters of the murdered girl progressed to matrimony and a lifestyle of class and distinction Easily said but not so easily done This superbly crafted novel has near perfect balance of action and will attract readers from multiple genres It s filled with vivid characters whom you would fall in love with and some you would love to hate The dramatic actions of these characters pull the readers into incredible sequences of jaw dropping spellbinding and page turning suspense
