The Light Shines in Darkness which was left in an unfinished state In it Tolstoy presents his own case and deals with the contradiction that existed and has so often been commented on between practice and theory in his own life and teaching

The Power of Darkness Leo Tolstoy,2021-06-21 The Power of Darkness 1886 is a play by Leo Tolstoy Forbidden for decades in Tolstoy s native Russia the five act play was first staged in Paris where it earned praise from some of France s leading critics Noted for its brutal depiction of violence and desperation the play is concerned with the universal religious and philosophical themes that inspired such masterpieces as War and Peace 1869 and Anna Karenina 1877 Peasant life is often portrayed in art as peaceful and romantic in touch with the rhythms of the natural world and coursing with spirituality In The Power of Darkness Tolstoy refuses such empty symbolism choosing instead to tell a story of greed murder and betrayal that has everything to do with the political reality faced by its impoverished characters Fearful of what will happen to their farm when her aging husband Peter dies Anisya seduces her farmhand Nikita whose lack of education and opportunity as well as a moral emptiness make him a willing accomplice Betraying Marinka a young orphan girl he manipulates for pleasure Nikita joins Anisya in dispossessing her stubborn husband Tragic and disturbing The Power of Darkness is a story of man at war with nature and therefore at war with himself With a beautifully designed cover and

professionally typeset manuscript this edition of Leo Tolstoy s The Power of Darkness is a classic work of Russian literature
