

The Pleasantries Of The Incredible Mulla Nasrudin

IDRIES SHAH

Dry in the Rain

A man invited Nasrudin to go hunting with him, but mounted him on a horse which was too slow. The Mulla said nothing. Soon the hunt outpaced him and was out of sight. It began to rain heavily, and there was no shelter. All the members of the hunt got soaked through. Nasrudin, however, as soon as the rain started, took off all his clothes and folded them. Then he sat down on the pile. As soon as the rain stopped, he dressed himself and went back to his host's house for lunch. Nobody could work out why he was dry. With all the speed of their horses they had not been able to reach shelter on that plain.

'It was the horse you gave me,' said Nasrudin.

The next day he was given a fast horse and his host took the slow one. Rain fell again. The horse was so slow that the host got wetter than ever, riding at a snail's pace to his house. Nasrudin carried out the same procedure as before.

When he got back to the house he was dry.

'It is all your fault!' shouted his host. 'You made me ride this terrible horse.'

'Perhaps', said Nasrudin, 'you did not contribute anything of your own to the problem of keeping dry?'

SHAH, 2018 Extraordinary Adventures of Mullah Nasruddin, 2014 This much anticipated sequel to the award winning collection detailing the exploits of the beloved 800 year old Turkish wise fool Mullah Nasruddin presents well over 250 hilarious and authentic folktales dozens appearing in English for the first time Author Suresha has done extensive research to unearth many of these centuries old racy tales of the naughty Nasruddin stories previously suppressed for moralistic reasons which explore taboo themes as the Mullah interacts with his family community and strangers during his many journeys Readers will be amused as well as amazed by this unadulterated account of the truly Extraordinary Adventures of Mullah Nasruddin **Idries Shah Anthology** Idries Shah, 2019-04-28 In his writing about Sufism Idries Shah did some revolutionary things Critically and almost alone he said that it was possible to divorce the essence of Sufi philosophy from what he insisted were secondary accretions of Islamic culture and religion Moreover he said in making this material available to the West you could not only do this you must do it This is because he believed you can only absorb materials that are designed for your own time and place Sufism as an essence may be truth without form but in order to penetrate into the human mind it must be delivered in a package shaped to fit the receiving culture When something new enters a culture there is a period where like a new object being thrown into the chimpanzee pen at a zoo all the chimps rush over to touch it throw it on the floor fight over it and so on he once told me We must wait until the dust settles only then will people be in a position to assess this material My father died in 1996 and the dust is settling fast He leaves a body of work behind and on this work alone he believed he should and would be judged This anthology is intended to provide a basic sample of his work an essential reader to allow people to do exactly what he would have wished them to do to think for

themselves and to make up their own minds From the Editor s Note by Saira Shah Funny Stuff in the Bible Phillip D. Johnson,2013-10-28 Funny Stuff in the Bible is a field trip through the Bible library hunting for funny stuff The many stories and other literature in this library were written over a period of a thousand years This is well known Thinking of the Bible as a library provides perspective Though there are more copies of this library its writings bound into a single volume than of any other book in the world the literature in it is underrated and underenjoyed It is underenjoyed because of the smog created by the notion that every word is religiously serious and not for enjoyment let alone laughter This overlay of morality and religious seriousness makes it difficult to read a particular story as we do other stories in the world Funny Stuff shakes off these notions to enjoy some stories The Bible is a large library We can only explore a little of it as we look both for stuff that makes us laugh and also things that are strange We investigate what we come across stumble on so to speak The quest is undertaken in good humor and with light hearts **The Commanding Self** Idries Shah,1997-05 A mixture of primitive and conditioned responses common to everyone which inhibits and distorts human progress and understanding Sufis in Western Society Markus Dressler,Ron Geaves,Gritt Klinkhammer,2009-06-02 In recent years Sufism has undergone something of a revival as a spiritual alternative to other manifestations of Islam This book investigates the development of Sufism in Western societies with a regional focus on North America and Europe Exploring a number of issues relating to the dynamic tensions between religious globalization processes and specific sacred localities this book looks at the formation of Sufi movements that have migrated from their place of origin to become global religious networks Sufi groups are highly differentiated and often inaccessible so the origins and development of Sufism in the West have not been widely studied Employing a comparative approach based on regional fieldwork and case studies this book addresses theoretical issues and gives a comprehensive analysis of distinct communities and the development of regional branches of Sufi orders providing an international perspective on Sufism in the West With contributions from well known international experts on the topic the book addresses Sufi orders in the context of the transnational networks in which they are operating and the constraints of the localities in which they live This book will be of interest to scholars and students of religion Islam and Sufism in particular *Managing Pain Before It Manages You* Margaret A.
