Shatter the Silence L. D. Smith,2017-09-23 I lie in bed fearing the sound of footsteps on the stairs Footsteps now in the hall The door opens The door closes quietly Then the sound I fear the most the click of the lock as the signal my nightmare is about to begin again Adult survivors of abuse and molestation and those with mental illness are often told to remain silent to discuss their lives in dark corners and in hushed tones *Shatter the Silence* seeks to break that cycle as LD Smith candidly and eloquently tells the story of her own journey and it is not pretty It is not a fairy tale and unfortunately it is reality for so many She invites you to join her and learn what being strong really entails Know that it is possible to stand proud and speak loudly the story of survival **Who Lives, Who Dies, Who**

Decides? Sheldon Ekland-Olson,2014-12-02 This second edition of *Who Lives Who Dies Who Decides* has been updated to consider the rising stakes for issues of life and death Abortion assisted dying and capital punishment are among the most contentious issues in many societies and demand debate Whose rights are protected How do these rights and protections change over time and who makes those decisions Based on the author's award winning and hugely popular undergraduate course at the University of Texas and highly recommended by *Choice Magazine* this book explores the fundamentally sociological processes which underlie the quest for morality and justice in human societies The Author's goal is not to advocate any particular moral high ground but to shed light on the social movements and social processes which are at the root of these seemingly personal moral questions and to develop readers to develop their own opinions **Ghosts in This**
