Please Assassinate My Brother:

Please Assassinate My Brother Jane R. Davis, 1973-01-01 *The Missing JFK Assassination Film* Gayle Nix Jackson, 2016-07-12 Orville Nix is not the typical JFK assassination book. This book does not attempt to answer the question of who killed John F. Kennedy; instead, it addresses why we should question the actions of those involved and why the truth was withheld from the people. Though copies of Orville Nix's film exist, the original film is missing. Why? The FBI confiscated Orville's camera for several months, then returned it in pieces. Were these actions sinister, or were they just examples of governmental incompetence? Orville Nix exposes information about the House Select Committee staff's involvement in the missing film. Author Gayle Nix Jackson's interviews with people who were close to Orville and the film will shed light on the government's involvement with the filmmaker. Gayle Nix Jackson is the granddaughter of Orville Nix. As his eldest granddaughter, Nix Jackson shares experiences growing up with her beloved grandfather and on how his views changed after that fatal day. Hearing his story precipitated the quest Jackson is still on to find the film. Her grandfather was there that day for a reason, and if the original Nix film could be located, modern-day technology could determine if there was indeed another person behind the stockade fence or not. Questions still abound today as to whether or not the film was altered. Finding the original Nix film would answer one of the most enduring questions related to this horrific event: Was there a conspiracy to kill John F. Kennedy on November 22, 1963? Skyhorse Publishing, as well as our Arcade imprint, are proud to publish a broad range of books for readers interested in history, books about World War II, the Third Reich, Hitler, and his henchmen, the JFK assassination conspiracies, the American Civil War, the American Revolution, gladiators, Vikings, ancient Rome, medieval times, the old West, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home. *Investigation of the Assassination of President John F. Kennedy* United States. Warren Commission, 1964 Warren Commission hearings **Contract Wife: CEO, Please Be Gentle** Mei RenJiao, 2020-01-18 If there is anything worse than breaking up, that is her. Ling Xiaosu just met her boyfriend's split and then ran into a car accident. It's said that it never rains but it pours. She perfectly interprets this, saying, "However, Ling Xiaosu's life changed dramatically when she was hit by Ni Tianchen of Jiuyu Media. As my fiancée for a year, Miss Ling will think about it. Wait, she just came to pay for his hospitalization. Why did she suddenly send her money to Hukou?" **The Nouveau Riche** Olga Alexander, 2018-05-25 Patrick Peterson was finally home at his Peterson estate in Thomasville city after being his chosen brother's bodyguard for the past two months. His brother, George Jr. Jones, had a brain operation at the Lord Winsor Private Hospital. The operation was performed by Dr. Lord Winsor in Winsor Town, England. While Patrick was guarding George from six o'clock in the morning until twelve a.m., Patrick's agent, Kathleen James, was guarding him for six hours from midnight until six a.m., so Patrick would get a chance to get some sleep before he started another shift in looking after his brother once again. One day he was just

coming out of George's room when Kathleen was about to knock on his hospital door. Out of the blue she asked Patrick how his three and a half year old little girl Sabrina was. Patrick was shocked because no one knew that he had a little girl. He pulled Kathleen hard against his chest whispering in her ear that she better tell him how she knew about his little girl Sabrina if she knew what was good for her.

Ghost Dance John Norman, 2014-04-01 In Ghost Dance it is through Chance's keen eyes and weary heart that readers embark on a journey of discovery and sorrow. On the run across the plains, Chance stumbles upon Running Horse, a Sioux warrior enacting the sacred and violent ritual of the Sun Dance. Quickly, Chance is pulled into the world of the Sioux people. As their civilization teeters on the brink of destruction, the Sioux perform the mournful and frightening Ghost Dance. Clashes with the white man are frequent. The Wounded Knee Massacre approaches still in the unknown distance, and violence and anger threaten the traditions of a proud and once great people. Nearby in her quaint sod house, Miss Lucia Turner awaits the full impact of those clashes. Dust on the horizon signals great change coming to her once simple life. Lucia will soon become a different kind of woman. With Ghost Dance, author John Norman brings the same vigor and passion of storytelling and imagination that enriches his classic Gor novels to a vivid story of historical upheaval and personal exploration.
