Please Close My Eyes:

Would You Please Close My Eyes? Dr. Ohene Aku Kwapong, 2014-02-05 When a man has done what he considers his duty to his people and country he can rest in peace I believe I have made that effort and that is why I will sleep for eternity Nelson Mandela Words of a man whose story is worthy of his seat in life There is a secret in these words that is etched deep in our fabric but remains to be awakened in a gift exclusive to us Your gift will never be until the stories of your life are stories of people The risk to the gift is an obsession with the inanimate luxuries and ideas exclusive of people I found it because my angel chanced upon me when I was dying He was here because I am here He was different but differences have nothing to do with ones seat but rather providences purpose for us Like him I had no choice in my lifes package We had a lifetimes opportunity to share time and space What we do with such opportunities ultimately reveals our gift and a contentment that closes ones eyes for eternity This is the story one little boy who shares your fate discovered He is here because you are here

connection is initially established with a consciousness that appears as the human concept of the Unicorn The horn is not really a horn but a swirl of energy or more precisely a point of consciousness for communication to consciousness and energy This point is widely misunderstood to be the third eye as people imagine it to connect to the visual cortex for creating images When Luzi visits the twenty two crystal caves she encounters the new energy that may benefit the one who has the consciousness to tap into it Luzi s perspective is the artificial intelligence AI robotics and augmentation and evolution of the human body and how humanity will live with these things Her daughter Julia focuses on the human coalition with the planet and the imbalance between the feminine and the masculine Divine wisdom is given through the unicorn Alea the white dragon Loong the crimson dragon Shaumbra Gaia Pan Kuthumi Saint Germain Sekhmet and others Luzi will connect to her own divine wisdom as she continues on her journey for embodied realisation also called enlightenment Even though the book is part of a series this is a complete story in its own right

The Unknown Luis f. Montalvo ,2022-09-23 Introduction My name is Thomas Edward Daniels My associates call me Professor Daniels and my friends simply call me Tom I am a fictional character created by the author I teach history at an upscale university somewhere in North Carolina I am married to the most beautiful woman on planet earth Her name is Sara Daniels We have been married for over twenty years although to me it feels more like a century And I m sure she agrees with me We live in a beautiful two story Victorian style house built in 1922 with our beautiful blessed daughter Sofia Our blessing is now nine years old and a handful Our little Sofi as we call her is a passionate fan of ice cream If ice cream was a meal it would be her choice for breakfast lunch and dinner My life was picture perfect a beautiful family a beautiful home filled with loveand joy The only thing missing was just a dog or cat But one day my entire world came crashing down My life changed drastically when my beautiful wife was diagnosed with a terminalillness I lost my job of twenty years and started drinking from sunrise to sundown to cope with all the pain and sorrow of this new reality I was scared broken and lost Having these feelings that I had never had to experience before truly broke my soul Did I mention I have a gift I can see the dead and they can see and communicate their thoughts and feelings to me You see when I was seven years old I discovered this unique and special gift for the very first time The dead like to communicate and share with me how they died and in most cases who killed them or who or what took them away It is a curse to be able to have this gift as evil itself is present in many forms with maleficent intentions every single time I have worked as a paranormal investigator in the past to help families discover the truth about the passing of their loved ones I am about to share with you the last chapter of my journey in life or is it This is how it all started or perhaps how it ended
