And she knows I won't hesitate to hurt her if she doesn't obey. What she can't possibly know is how much I want her. How much I ache to feel her soft skin beneath my fingers to claim her body in every brutal, violent way only a man like me can imagine. But no matter how beautiful she is, all tied up and helpless, no matter that her pleas for mercy tug at the heart, she doesn't believe I have. Giving her even a second of tenderness is a liability. A weakness I can't afford. Because I'm a wanted man and I will die before I let them drag me back to that hell they call prison.      Please God, Don't Let My Badge Tarnish Kevin LaChapelle, 2006-02-20

When author Kevin LaChapelle begins his career as a police officer in El Cajon, California, he fulfills a lifelong dream. But the dream soon turns into a nightmare when he discovers corruption within the ranks of the El Cajon Police Department. *Please God, Don't Let My Badge Tarnish* is the story of LaChapelle's struggle to work in the department after his shocking discovery. Rather than turn his back on the scandal and save his career, LaChapelle begins a courageous fight to bring the officers to justice. At the same time, he earns awards for his work in helping young people turn away from gangs and violence. In 1994, at the urging of his fellow citizens, LaChapelle runs for the local school board. Soon he is engaged in a new battle after he uncovers major financial problems in the district and discovers that greedy officials are siphoning money intended to fund school programs. In the wake of these two major battles, LaChapelle founds the Special Investigations Agency, which is dedicated to helping communities nationwide fight corruption in their local government officials and uncover scams against citizens, particularly the elderly and disadvantaged minorities. His fight for justice continues today.      *Dog Body Language (Dog Language)* Roland Berger, 2023-04-27

Dogs speak their own language and only understand this very unique language. So it is up to us humans to learn to understand this language. If you deal only once with this topic, you notice fast how easily it can come to misunderstandings. The fact is that the body language of dogs is different from that of humans. Frequent mistakes in the dog education happen for the reason that the owners did not concern themselves with the partly very complex dog language. Such misjudgements can be avoided often already with a founded basic knowledge. If the communication succeeds among themselves, both the dog and its owner profit from it. How the dog uses his body to talk to you and what he wants to say with the individual signals is explained in this book. How would it be if you knew at all times what your dearest four-legged friend wanted to tell you? Understanding dog body language is easy even for novice dog owners with a little interest. As with humans, relationship is the key to a balanced and happy life. There is a lot to know about dog signals. Learn about posture and signals of appeasement or fear, the most common things dogs are afraid of, dogs in everyday life and how they communicate with conspecifics themselves and discover new ways of looking at things and alternative courses of action. This guidebook contains exercises that will help you understand your new dog, a stranger, but also your own more easily and interpret its behavior. Always remember why the dog is living with you. In order for yours and also the dog's life to be and remain a fulfilling and enjoyable one, get involved in understanding the dog's language for once. Have fun reading.      *Hunter-trader-trapper*, 1909      **Test** Simone Mueller, 2023-05-07

**Changing the World...one bite at a time - A dog's tale** Anusha Gumber, 2021. Looking at the world through a human lens is so boring. If humans can eat, sleep, talk, and feel pain, so can dogs, cows, and chickens, or for that matter, any other living being. What about a world where dogs protest against atrocities on calves or humans fight with other humans so that animals are treated with kindness and compassion?

Changing the World One Bite at a Time is a sparkling and ambitious book which aims to educate the world about veganism, a lifestyle choice and a movement that stems from humane effort to stop cruelty towards animals. The protagonist is Soldier James, a domesticated dog who does not understand where Chickababy, CoCo, his chicken friend, and Bachua, his calf friend, suddenly disappear. You have to read the story to find out how James deals and fights with so many problems, one bite at a time. From the world of humans, there is Radhika Didi, a young NGO worker who tries to teach people that it is time to stop treating animals cruelly, considering that they are an important part of our universe. With colorful characters and witty twists, Changing the world is a funny and sensitive story for children with a message for the young and adults alike.
