Making a Gangsta Larry Johnson, 2022-01-06 Slow L was marked by death at a young age when his stepfather is murdered and mother shot down in front of him. Eight years passed and still trying to outdistance this tragedy but haunted by it every step of the way. Lack of trust made him jump off the porch a little sooner than most kids. Once he learned the Milwaukee streets had real people that acted in the form of animals and orangutans among the living he knew then he needed to adapt to the Mil jungle or get peeled or eaten alive. Nobody was to be trusted not a priest not the police not his childhood friends or closest relatives. They made him a gangsta with no explanation as to why.
