Jet ,1990-10-15 The weekly source of African American political and entertainment news *Can't Touch This* Wayne Edwards,2015-05-07 Hollywood California October 1988 Im afraid Ive placed you in an untenable situation When youre summoned by the company president and he starts the conversation with that you know its not going to end well He was firing me I wasnt surprised But by the time the president sent for me my ability to sign a sellable act was no longer a question mark My first platinum act was about to blow past one million units sold The decision to fire me at the very least was poorly timed But from my standpoint this move had less to do with sales and more to do with corporate politics My new boss and I the two highest ranking black executives in Capitol Records were openly feuding My hope was that the new president had my back And maybe he had for a while But his loyalty was not to me His boss the newly appointed chairman and CEO of Capitol EMI had brought him on board The chairman and CEO had also hired the new head of black promotion who had in a poorly devised restructuring scheme become my new boss No matter how you did the math the power base of the number one white guy and the number one black guy trumped any alliance between the two number twos I was the lone outsider in the group and the low man on the totem pole It was a bad combination that made letting me go the logical solution Four years would pass however before I truly understood the magnitude of a moment that had far reaching implications well beyond hit records and corporate business decisions And so begins Cant Touch This Memoir of a Disillusioned Music Executive the fascinating story of one mans love affair with music and the industry determined to destroy it Please Hammer Don't Hurt 'em M.C.
