There is a growing body of research on English medium Instruction (EMI) in Asian contexts and much of this research points out difficulties experienced by stakeholders. This volume takes up the issue of support for EMI which is and which can be offered to students outside of the classroom in order to help them succeed academically in an EMI environment. Dr. Ruegg's book demonstrates the effectiveness of such support in the Japanese context. It begins by examining the support currently available for students in English medium full degree programmes, then goes on to examine one successful support service in more detail in order to determine the kinds of effects that can be achieved by establishing such a centre. The research reported in this book was conducted in Japan but the findings will apply in other locations especially in other Asian countries. The information provided in the book is expected to inform institutions who are looking to either establish an English medium degree programme or improve on an existing programme by sharing information about the practices of other institutions.

Forensic Interviewing Kelly D. Harrison, 2013-05-03. Forensic Interviewing for Law Enforcement is a practical overview of interrogation law before guiding the reader into various legitimate strategies that aid in obtaining confessions. Included also is information covering such topics as understanding words used by criminals that aid in identifying them for later interrogation. There is a chapter devoted to analyzing verbal responses to identify the innocent and identifying those who provide verbal responses indicative of someone needing more investigation. The use of a psychological questionnaire is laid out completely for an investigator dealing with multiple suspects in a crime. Finally, there is a comprehensive chapter on the polygraph to inform the investigator what he can gain from its use and importantly how to utilize a polygraph examination to
