

Pleasurable Pabages

Roman Wölfel

Pleasurable Pabages:

Pleasurable Passages ,1997* *Status Passage* Anselm L. Strauss,2017-07-05 The French writer Arnold van Gennep first called attention to the phenomena of status passages in his Rites of Passage one hundred years ago In *Status Passage* first published in 1971 the movement of individuals and groups in contemporary society from one status to another is examined in the light of Gennep s original theory Glaser and Strauss demonstrate that society emerges as a comparative order In this order every organized action collective or individual can be seen as a form of status passage From one status to another from childhood to adolescence to adulthood from being single to being married movement from one income group social class or religion to another there are passages that entail movement into different parts of a social structure and loss or gain in privileges Types of status passage are described by their proper ties The authors present a formal theory of status passage in the form of a running theoretical discussion The concepts and categories discussed in *Status Passage* are illuminated by a large number of examples chosen from a wide range of human behavior and the applicability of the theory to still other examples is made apparent The result is a stimulating and provocative book that will interest a wide range of sociologists social psychologists and other social scientists and will be useful in a variety of courses Con

Chapman,2005-02-01 It s difficult to recall how innocent we all were before 9 11 2001 As the year 1999 came to an end the world worried that a single number the 2 in 2000 would bring modern life as we knew it to an end as a result of the problem that came to be known simply as Y2K At the same time the world of business seemed to be going mad the internet bubble had not yet burst men and women went to work dressed in casual clothes their parents wouldn t have worn to a garage sale salaries for young lawyers fresh out of school hit 100 000 a year *A View of the Charles* is set against this backdrop as four young people Roderick Tribble Melinda Pickels Andrews de Groot and Sally Barnard mix and match themselves within the confines of Rodman Ward an old line Boston law firm that is on its last legs John Rodman struggles to preserve the firm his Boston Brahmin father founded while a rising generation of more aggressive lawyers seeks to grab the reins from him or leave with his clients At the same time Rodman must deal with the decline of his long time partner Ned Ward who is slipping into senility A light hearted romantic comedy *A View of the Charles* will recall for the reader the way we were before the end of the last millennium Also by the author *The Year of the Gerbil* How the Yankees Won and the Red Sox Lost the Greatest Pennant Race Ever a sharp eye and a fine dry sense of humor David Warsh *The Boston Globe* A mere little book about baseball in the sense that *Moby Dick* is merely a book about fishing Etain Shrdlu *Affective Worlds* John Hughes,2011 Offers an original approach to a number of nineteenth century authors in terms of what are seen as the constitutive affective dynamics of their work The author also draws on themes of ethical subjectivity in the work of Stanley Cavell and Gilles Deleuze to provide essential reading for those involved in nineteenth century literature **Music and Aesthetic Reality**

Nick Zangwill,2015-06-05 In this volume Zangwill develops a view of the nature of music and our experience of music that

foregrounds the aesthetic properties of music He focuses on metaphysical issues about aesthetic properties of music psychological issues about the nature of musical experience and philosophy of language issues about the metaphorical nature of aesthetic descriptions of music Among the innovations of this book Zangwill addresses the limits of literal description generally and in the aesthetic case He also explores the social and political issues about musical listening which tend to be addressed more in continental traditions

Aristotle, Rhetoric I William M. A. Grimaldi, 1980 Aristotle Rhetoric I A Commentary begins the acclaimed work undertaken by the author later completed in the second 1988 volume on Aristotle's Rhetoric The first Commentary on the Rhetoric in more than a century it is not likely to be superseded for at least another hundred years

Disinterested Pleasure and Beauty Larissa Berger, 2023-07-24 The conception of disinterested pleasure is not only central to Kant's theory of beauty but also highly influential in contemporary philosophical discourse about beauty However it remains unclear what exactly

disinterested pleasure is and what role it plays in experiences of beauty This volume sheds new light on the conception of disinterested pleasure from the perspectives of both Kant scholarship and contemporary aesthetics In the first part the focus is on Kant's theory of beauty as grounded on the conception of disinterested pleasure In the second part disinterested pleasure is investigated in the light of contemporary debates on beauty The volume clarifies the meaning role and implications of one of the most influential conceptions in traditional as well as contemporary approaches to beauty

The Seventh Sense Peter Kivy, 2003-02-20 The Seventh Sense is the definitive study of the aesthetic theory of the great eighteenth century philosopher Francis Hutcheson arguably the founder of the modern discipline of aesthetics and one of the most important figures of the Scottish Enlightenment This new edition brings Peter Kivy's seminal work back into print substantially expanded by the addition of seven essays which deal primarily with Hutcheson's relation to other thinkers and his influence on eighteenth and early nineteenth century aesthetics Part I of The Seventh Sense presents a detailed analysis of Hutcheson's aesthetic theory Part II traces the considerable influence of Hutcheson's theory up to the early years of the nineteenth century Part III is a new and substantial addition to the original work collecting Peter Kivy's essays on this topic since the first edition appeared which deal primarily with Hutcheson David Hume and Thomas Reid Philosophers of art historians of philosophy and historians working on eighteenth century European art and culture will find this new edition an invaluable resource

The Oxford Handbook of Music and the Body Dr. Youn Kim, Dr. Sander L. Gilman, 2019-08-01 The presence of the phenomenological body is central to music in all of its varieties and contradictions With the explosion of scholarly works on the body in virtually every field in the humanities the social as well as the biomedical sciences the question of how such a complex understanding of the body is related to music with its own complexity has been investigated within specific disciplinary perspectives The Oxford Handbook of Music and the Body brings together scholars from across these fields providing a platform for the discussion of the multidimensional interfaces of music and the body The book is organized into six sections each discussing a topic that defines the field the moving and performing body the musical brain and psyche embodied mind embodied rhythm the disabled and sexual body music as medicine and the multimodal body Connecting a wide array of diverse perspectives and presenting a survey of research and practice the Handbook provides an introduction into the rich world of music and the body

Aristotle on the Apparent Good Jessica Moss, 2012-07-19 Aristotle holds that we desire things because they appear good to us a view still dominant in philosophy now But what is it for something to appear good Why does pleasure in particular tend to appear good as Aristotle holds And how do appearances of goodness motivate desire and action No sustained study of Aristotle has addressed these questions or even recognized them as worth asking Jessica Moss argues that the notion of the apparent good is crucial to understanding both Aristotle's psychological theory and his ethics and the relation between them Beginning from the parallels Aristotle draws between appearances of things as good and ordinary perceptual appearances such as those involved in optical illusion Moss argues

that on Aristotle's view things appear good to us just as things appear round or small in virtue of a psychological capacity responsible for quasi perceptual phenomena like dreams and visualization phantasia imagination Once we realize that the appearances of goodness which play so major a role in Aristotle's ethics are literal quasi perceptual appearances Moss suggests we can use his detailed accounts of phantasia and its relation to perception and thought to gain new insight into some of the most debated areas of Aristotle's philosophy his accounts of emotions akrasia ethical habituation character deliberation and desire In Aristotle on the Apparent Good Moss presents a new and controversial interpretation of Aristotle's moral psychology one which greatly restricts the role of reason in ethical matters and gives an absolutely central role to pleasure

Kant on Pleasure and Judgment Alexander Rueger, 2024-04-17 Were there interactions between the development of Kant's aesthetics and the development of his moral philosophy How did Kant view pleasure and displeasure and what role did they play in the formation of his system of the faculties In this book Alexander Rueger situates Kant's account of pleasure and displeasure in its eighteenth century context with special attention to Leibniz Wolff Crusius and Mendelssohn He traces the development of Kant's views on pleasure from the 1770s to his Critique of Aesthetic Judgment in 1790 and shows that throughout Kant understood pleasure as the satisfaction of faculty interests The significance of this theory for the completion of Kant's critical system in the third Critique is discussed in detail Rueger's study illuminates both the role of pleasure and displeasure in Kant's thought and their important connections to the power of judgment

The Pleasure of Thinking Tania Zittoun, 2023-10-19 Demonstrates the fundamental importance of the pleasure of thinking for human experience and development in the lifecourse

Lion of Epicurus - Lucian and His Epicurean Passages Cassius Amicus, 2010-12-25 The philosophy of Epicurus is the theme of Lion of Epicurus Lucian and his Epicurean Passages These selections from the Second Century AD illuminate the ideas and attitudes of the early Epicureans and are delightful reading for anyone interested basic philosophical and religious issues as they apply to everyday life

Essays on Aristotle's Poetics Amélie Rorty, 1992-08-30 This collection of essays locates Aristotle's analysis of tragedy in its larger philosophical context Philosophers classicists and literary critics connect the Poetics to Aristotle's psychology and history ethics and politics There are discussions of plot and the unity of action character and fictional necessity catharsis pity and fear and aesthetic pleasure
