Society Crews, Gordon A.,Markey, Mary Ann,Kerr, Selina E.M.,2021-06-04 In a decade that has seen the rise of far right

extremism Western countries still face myriad threats of mass violence including terrorism Of particular concern is the phenomenon of lone wolf terrorism whereby acts of political violence are committed by individuals who are operating independently of any organized terrorist group something which makes them inherently more difficult to identify in advance of an attack Now there is a need for research that profiles these perpetrators explores the incidents that occur and analyzes the shifting changes in mass violence technology and terrorist behavior in modern times Mitigating Mass Violence and Managing Threats in Contemporary Society explores the shifting definitions and implications of mass violence and covers important areas focused on the individuals who partake in these acts as well as weapon choice and the influence of weapon accessibility how the attention seeking behavior and promotion of violent actions is evolving and how technology is used such as disseminating a manifesto prior to the incidents or using live streaming to broadcast incidents of mass violence as they transpire The book also examines ways to prevent these incidents before they occur which is a proven challenge with no single accurate profile for offenders and whether perpetrators of mass violence share similar goals and motivations for their sprees as well as commonalities in warning behaviors This comprehensive research work is essential for law enforcement military officials defense specialists national security experts criminologists psychologists government officials policymakers lawmakers professionals practitioners academicians students and researchers working in the fields of conflict analysis and resolution crisis management law enforcement mental health education psychology sociology criminology criminal justice terrorism and other social sciences *Perspectives on Evil and Violence* Arthur G. Miller, 2014-02-24 Within the past decade there has been an intensified concern about pervasive and serious harmdoing that has drawn the attention of researchers The primary objective of this special issue is to consider the contributions of social and personality psychology toward understanding the perception of sustained harmdoing and to assess the implications theoretical methodological and philosophical for the field of undertaking research in this area The authors represented in this issue have each made significant contributions to the study of harmdoing and evil and their articles deal with a variety of conceptual and empirical perspectives on harmdoing Film Genre Reader III Barry Keith Grant, 2003-12-01 More than 30 essays by some of film's most distinguished critics are included in this volume which presents the latest developments in genre study including teen films genre hybridity neo noir genre in the age of globalization an up to date bibliography *Online Killers* Christopher Berry-Dee, Steven Morris, 2010-05-18 14 horrific stories from the dark side of web Chapter by chapter this book presents an evil internet world where crimes are not impersonal identity thievery but rather viciously physically assaults on real people

A Baedeker of Decadence George C. Schoolfield, 2003-01-01 During the final decades of the nineteenth century a common mind set emerged among many intellectuals la decadence Many novels and novellas of the period were populated with protagonists who were fragile refined self absorbed and preoccupied with a trivially exquisite aesthetic A Baedeker of Decadence presents thirty two international works of literary decadence written between 1884 and 1927 George C

Schoolfield a world authority on the decadent novel offers an entertaining and wide ranging commentary on this highly significant literary and cultural phenomenon Schoolfield tracks down the symptoms of decadence in narrative works written in more than a dozen languages providing synopses and passages in English translation to give a sense of each author's style and tone Schoolfield throws new light on the close intellectual kinship of authors from August Strindberg to Bram Stoker to Thomas Mann and on the ingredients themes motifs and preconceptions that characterized decadent literature **Let's Walk the Talk!** Danae Dobson, 2009 Presents advice from a Christian perspective for teenage girls about family problems peer pressure friendships body image and other issues they may not want to talk to their parents about *The Asian Yearbook of Human Rights and Humanitarian Law*, 2019-07-22 The Asian Yearbook of Human Rights and Humanitarian Law aims to publish peer reviewed scholarly articles and reviews as well as significant developments in human rights and humanitarian law It examines international human rights and humanitarian law with a global reach though its particular focus is on the Asian region The focused theme of Volume 3 is Law Gender and Sexuality **The Damned Don't Die** Jim Nisbet, 2010-11-30 This is his first novel and it is a gruesome and dark novel set in suburbia **The Monthly Review, Or, Literary Journal** Ralph Griffiths, George Edward Griffiths, Oliver Goldsmith, 1824 A monthly book announcement and review journal Considered to be the first periodical in England to offer reviews In each issue the longer reviews are in the front section followed by short reviews of lesser works It featured the novelist and poet Oliver Goldsmith as an early contributor Griffiths himself and likely his wife Isabella Griffiths contributed review articles to the periodical Later contributors included Dr Charles Burney John Cleland Theophilus Cibber James Grainger Anna Letitia Barbauld Elizabeth Moody and Tobias Smollet **The New Sex Wars** Brenda Cossman, 2024-12-03 Revisits the sex wars of the 1970s and 80s and examines their influence on how we think about sexual harm in the MeToo era MeToo's stunning explosion on social media in October 2017 radically changed and amplified conversations about sexual violence as it revealed how widespread the issue is and toppled prominent celebrities and politicians But as the movement spread a conflict emerged among feminist supporters and detractors about how punishment should be doled out and how justice should be served The New Sex Wars reveals that these clashes are nothing new Delving into the contentious debates from the 70s and 80s Brenda Cossman traces the striking echoes in the feminist divisions of this earlier period In exploring the history of past conflicts the resistance to finding common ground the media's pleasure in portraying the debates as polarized cat fights the simplification of viewpoints as pro and anti sex she shows how they have come to shape the MeToo era From the 70s to today Cossman examines tensions between the need for recognition and protection under the law and the colossal and ongoing failure of that law to redress historic injustice By circumventing law altogether MeToo has led us to question whether justice can be served outside of the courtroom Cossman argues for a different way forward one based on reparative models that focus on shared desired outcomes and the willingness to understand the other side Thoughtful and compelling The New Sex Wars explores what can

been learned from these stories what traps we repeatedly fall into how we have been denied our anger and where to begin to make law work Monthly Review; Or Literary Journal Enlarged Ralph Griffiths, George Edward Griffiths, 1824 Editors May 1749 Sept 1803 Ralph Griffiths Oct 1803 Apr 1825 G E Griffiths *Witnessing Sadism in Texts of the American South* Claire Raymond, 2019-10-28 Looking at works by Carrie Mae Weems Toni Morrison Emily Dickinson Flannery O Connor Dorothy Allison Carson McCullers and Zora Neale Hurston Claire Raymond uncovers a pattern of femininity constructed around representations of sadistic violence in American women s literature and photography from the late nineteenth and twentieth centuries Dickinson s poetry is read through its relationship to the Southern Agrarian critics who championed her work While the representations of violence found in Carrie Mae Weems s installation *From Here I Saw What Happened and I Cried* Morrison s *Beloved* Dickinson s poetry O Connor s *A View of the Woods* and *A Good Man Is Hard to Find* Allison s *Bastard* Out of Carolina McCullers *Ballad of the Sad Caf* and Hurston s *Mules and Men* are diverse in terms of artistic presentation all allude to or are set in the antebellum and Jim Crow South In addition all involve feminine characters whose subjectivity is shaped by the practice of seeing acts of violence inflicted where there can be no effective resistance While not proposing an equivalence between representing violence in visual images and written text Raymond does suggest that visual images of violence can be interpreted in context with written evocations of violent imagery Invoking sadism in its ethical sense of violence enacted on a victim for whom self defense and recourse of any kind are impossible Raymond s study is ultimately an exploration of the idea that a femininity constructed by the positioning of feminine characters as witnesses to sadistic acts is a phenomenon distinctly of the American South that is linked to the culture s history of racism Murder.com Christopher Berry-Dee, 2008-02-04 Evil roams the internet just as it does even the most quiet of streets in the real world World renowned criminologist and the U K s number 1 true crime writer Christopher Berry Dee takes an unflinching look into the darkest recesses of the world wide web and what he has unearthed will make you switch off your computer for good From cannibals ordering a human meal by email to mail order brides whose quest for better lives end in grisly murder this is the only guide you need to avoid the perils of the online world With years of experience in understanding the criminal mind Berry Dee rigorously analyses how the ease of access to the most depraved of materials on the net has fed the imagination of the world s sickest fiends From the bondage fetishist who killed an innocent acquaintance to the girl who learned how to commit suicide from the web these all true stories will shock you to your core **The Blood Ring** Bill Kandiliotis, 2018-02-01
