Knowledge and Pleasure ..., 1750 The Pursuit of Pleasure Lionel Tiger, 2017-07-12 Pleasure is biologically desirable and good for physical and mental health In *The Pursuit of Pleasure* Lionel Tiger explores this aspect of human nature by focusing on the origins and forms of pleasure Medical science has perfected a host of often astonishingly impressive methods for preventing alleviating or recovering from pain Its opposite pleasure has not had such a well funded and fully justified constituency In fact those committed to the understanding and pursuit of pleasure are rarely accorded respect and a sense of significance People have objected to the notion of pleasure for a variety of reasons The most complex derive from religious convictions that the most morally admirable human life is marked by abstemiousness suffering even martyrdom There is also a corresponding fear that people may pursue pleasure too avidly and with too strong a sense of entitlement and the world's work will not get done But just as there have been suspicions of the dangers of pleasure there have also been its supporters who assert its vital and joyful centrality to human experience *The Pursuit of Pleasure* favors an agnostic approach borrowed from natural science In lively witty and eminently readable prose Tiger identifies major forms of pleasure and explores their variations now and in the past Pleasure says Tiger is not a luxury but an evolutionary entitlement that deserves to be taken seriously As we acknowledge our need for enjoyment we understand the need to establish balance in our lives our need for the pursuit of pleasure *A Day's Pleasure and Other Tales* Nigel Heseltine, 2023-05-25 A restless shape shifter from the

mysterious Welsh Marches Heseltine was as elusive in his idiosyncratic writing as in his extraordinary globetrotting life It is good to have his work briefly pinned down in this groundbreaking collection for closer inspection Professor M Wynn Thomas Ceredigion a place of anarchy and farce of the grotesque and the slapstick of tragedy and violent comedy where the local hunt is disrupted by a camel riding hero where the town hall burns down as the town cheers a place haunted by grotesque revenants from the First World War This is the world of Nigel Heseltine's short stories fantastic fictions which lampoon and lament the slow decline of the once powerful squires and landowners of mid Wales the very Montgomeryshire of which Heseltine 1916 1995 formed a part **Stalin's Englishman** Andrew Lownie, 2016-10-04 Guy Burgess was the most important complex and fascinating of The Cambridge Spies Maclean Philby Blunt brilliant young men recruited in the 1930s

to betray their country to the Soviet Union An engaging and charming companion to many an unappealing utterly ruthless manipulator to others Burgess rose through academia the BBC the Foreign Office MI5 and MI6 gaining access to thousands of highly sensitive secret documents which he passed to his Russian handlers In this first full biography Andrew Lownie shows us how even Burgess s chaotic personal life of drunken philandering did nothing to stop his penetration and betrayal of the British Intelligence Service Even when he was under suspicion the fabled charm which had enabled many close personal relationships with influential Establishment figures including Winston Churchill prevented his exposure as a spy for many years Through interviews with more than a hundred people who knew Burgess personally many of whom have never spoken about him before and the discovery of hitherto secret files Stalin s Englishman brilliantly unravels the many lives of Guy Burgess in all their intriguing chilling colorful tragicomic wonder **A Good Dose of Pleasure** Zuri Day,2013-10-01 One sexy Morgan man may have finally met his match in a talented and beautiful young widow But will their ambitions come between them When artist Anise Cartier leaves Nebraska for L A she s finally ready to put the past and its losses behind her And she soon finds a welcoming committee in the form of one very handsome doctor Gregory Morgan Their attraction is instant So is their animosity Gregory is in a fierce competition for a multimillion dollar medical research grant The grant will make a new research center possible once the beloved artist community where Anise plans to set up shop is demolished Soon it s a battle between art and science one that neither Anise nor Gregory intend to lose Can their red hot love survive this heated war of wills **Postcolonial Travel Writing** J. Edwards,R. Graulund,2010-11-10 With its inclusion of original essays challenging the view of travel writing as a Eurocentric genre this book will stand as a benchmark study of future inquiries in the field It will revitalize the critical debate sparking a much needed rethinking of a vibrant and highly popular but also volatile genre that has seen many changes in recent years **A Concordance to the Poems of John Keats** Michael G. Becker,Robert J. Dilligan,Todd K. Bender,2016-05-05 First published in 1981 A Concordance to the Poems of John Keats intended to provide the user with a volume suitable to the varying and increasingly specialised interests of scholarship This title offers a high degree of inclusiveness that attends to the poems and plays the emended and authoritative headings and virtually all of the variant readings considered substantive in the riches of the Keats manuscript materials This title will be of interest to students of literature [A Rake's Guide to Pleasure](#) Victoria Dahl,2009-05 A bankrupt woman sets out to bewitch London s noblemen by engaging them in games of chance She soon titillates a dashing duke who is determined to discover her secrets and capture her heart *Inside/Outside Nietzsche* Eugene Victor Wolfenstein,2018-10-18 Friedrich Nietzsche is both subject and interlocutor in this innovative study The book mirrors the psychoanalytic situation mediating between the philosophical world that Nietzsche created for himself and the external world challenged by his philosophy Eugene Victor Wolfenstein a distinguished social theorist and practicing psychoanalyst focuses on the opposition between the principles of psychoanalytic theory and Nietzsche s concepts of the will to power and perspectivism Through critical engagement with

these Nietzschean concepts Wolfenstein brings them into the purview of psychoanalytic theory and practice Using this revised version of psychoanalytic theory Wolfenstein then conducts a psychobiography of Nietzsche's life He contends that Nietzsche philosophized from within a transitional space between the maternal and paternal extremes of the male imaginary a space in which gender identity is notably unstable and sublimity consorts with the most abject misery This psychic location is the impetus for Nietzsche's conceptions of eternal return and the feminine Finally Wolfenstein explores Nietzsche's genealogy of morals from a psychoanalytic perspective and in the light of Nietzsche's psychobiography He concludes that Nietzsche's revaluation of values leaves us painfully short on both love and compassion The whole book is also framed by a critical engagement with Michel Foucault's problematics of power knowledge
