writings from a multidisciplinary perspective This annotated bibliography documents articles books and dissertations published since 1902 Of those 150 are books 80 are chapters within books 615 are journal articles and 150 are dissertations along with a selection of highly significant items published before 1920 The most recent publications included date from early 2014 Disciplines researched include music literature and poetry American history religion and African American Studies Items included in the annotated bibliography are limited to English language sources that were published in the United States and focus on African American spirituals in the United States but there are a few select citations that focus on spirituals outside of the United States Of the one thousand annotations they are divided roughly evenly between general studies and geographical studies information about early spirituals use of spirituals in art music church music and popular music composers who based music on spirituals performers of spirituals ensembles and individuals Bible theology and religious education literature and poetry pedagogical considerations including the teaching of spirituals as well as prominent educators reference works and a list of resources that were unavailable for review but are potentially useful This book also offers considerable depth on particular topics such as the Fisk Jubilee Singers and William Grant Still with over thirty citations devoted to each At the same time materials included are quite diverse with topics such as spirituals in Zora Neale Hurston s novels bible studies based on spirituals enriching the teaching of geography through spirituals Marian Anderson s historic concert at the Lincoln Memorial spiritual roots of rap teaching dialect to singers expressing African American religion in spirituals Samuel Coleridge Taylor s music slave tradition of singing among the Gullah The book contains indices by author subject and spiritual title Additionally an appendix of spirituals by biblical reference listing both spiritual title to scriptural reference as well as scripture to spiritual title is included T L Collins Christian educator compiled the appendix

Reclaiming the Great World House Lewis V. Baldwin, Vicki L. Crawford, 2019 *Reclaiming the Great World House* in the 21st Century Cross Disciplinary Explorations of the Vision of Martin Luther King Jr does just that Established and emerging scholars explore Martin Luther King Jr s global vision and his lasting relevance to a globalized rights culture The editors further explain that this edited collection looks at King afresh in his own historical context while also refocusing his legacy of ideas and social praxis in broader directions for today and tomorrow Employing King s metaphor of the great world house with major attention to racism poverty and war or what he called the evil triumvirate the focus is on King s appraisal of and approach to the global human struggle in the 1950s and 60s and on the extent to which his social witness and praxis takes on new hues and pertinence not only in the ongoing struggles against racism poverty and economic injustice and violence and human destruction but also in the mounting efforts to eliminate problems such sexism homophobia and religious bigotry and intolerance from the global landscape The conclusion is that King s ideas and models of social protest are not only alive but also growing in vitality and popularity in the 21st century especially as humans worldwide are struggling daily with the lingering antiquated thinking and behavior around race and ethnicity the widening gap between the haves and the have nots

the mounting cycles of violence torture and terrorism and the frustrating and growing chasms resulting from religious pluralism and the subordination and marginalization of certain sectors of the human family based on gender and sexuality

So Longeth My Soul Joanna Collicutt, 2024-06-30 Students of Christian spirituality often have an ambivalent attitude to primary sources from the past On the one hand they are intrigued by the mysterious otherness of their and the promise that this very otherness may take them into exciting uncharted territory On the other hand they lack the confidence to navigate this territory so that what begins as strangely intriguing can quickly become just too weird The SCM Reader in Christian Spirituality not only offers a collection of readings from the classic texts of Christian spirituality but also gives the reader a way into these texts that enables them to be received as living and relevant for both personal spirituality and ministry An introductory section guides the student through the process and offers techniques for approaching these often ancient texts The Reader then presents readings from the patristic to the end of the early modern period encompassing both the Eastern and Western church traditions grouped around key themes and including extensive notes and contextual material On Ma Journey Now Leader Gwendolyn Brown-Felder, 2005 A short term Bible Study combining an in depth look at Scripture American History and the musical melodies and rhythms of African American Spirituals This six session study provides biblical social and historical analysis of six spirituals Sing and study the spirituals at the same time Teachers use the leader's guide for session format discussion questions and activities An accompanying CD included with the leader's guide features all six songs and makes listening and learning fun and interactive On Ma Journey is a powerful resource for small groups Sunday schools choir groups and any setting persons seek to enrich their devotional and spiritual experience through God's word and music **Black Fire** Estrela Y.
