Plfps Changing Role In The Middle East:

The PFLP's Changing Role in the Middle East Harold M. Cubert, 1997 This is Harold Cubert's groundbreaking history of the Popular Front for the Liberation of Palestine PFLP a violent Marxist faction within the Palestinian national movement Taking an academically rigorous but politically neutral approach Cubert explores the group's background and provides a thorough analysis of its aims methods structures and the factors responsible for its recent decline The PFLP rejects any settlement to the Arab Israeli conflict that falls short of the total elimination of Israel and the establishment of an independent state on what it claims to be Palestinian land It is implacably hostile towards the United States and its allies in Europe and the Middle East and is committed to a strategy of armed conflict

Re-Engaging the Middle East Dafna H. Rand, Andrew P. Miller, 2020-09-22 It's time for new policies based on changing U S interests U S policy in the Middle East has had very few successes in recent years so maybe it's time for a different approach But is the new approach of the Trump administration military disengagement coupled with unquestioning support for key allies Israel Egypt and Saudi Arabia the way forward In this edited volume noted experts on the region lay out a better long term strategy for protecting U S interests in the Middle East The authors articulate a vision that is both self interested and carefully tailored to the unique dynamics of the increasingly divergent sub regions in the Middle East including North Africa the Sunni Arab bloc of Egypt and Persian Gulf states and the increasingly chaotic Levant The book argues that the most effective way to pursue and protect U S interests is unlikely to involve the same alliance centric approach that has been the basis of Washington's policy since the 1990s Instead the United States should adopt a nimbler and less military dominant strategy that relies on a diversified set of partners and a determination to establish priorities for American interests and the use of resources both financial and military In essence the book calls for a new post Obama and post Trump approach to the region that reflects the fact that U S interests are changing and likely will continue to change The book offers a fresh perspective in advance of the 2020 presidential election

Values, Political Action, and Change in the Middle East and the Arab Spring Mansoor Moaddel, Michele J. Gelfand, 2017-01-18 Although many have tried the spontaneity of the Arab Spring uprisings and the unpredictability of its diverse geographical outcomes have resisted explanation For social scientists part of the challenge has been how to effectively measure and analyze the empirical data while another obstacle has been a lack of attention to the worldviews value orientations and long term concerns from the people of the Middle East and North Africa In order to meet these challenges head on Mansoor Moaddel and Michele J Gelfand have assembled an international team of experts to explore and employ a new and diverse set of frameworks in order to explain the dynamics of cross national variation values political engagement morality and development in these regions To this end the authors address a wide range of questions such as To what extent do recent events reflect changes in values among the Middle Eastern publics Are youth uniformly more supportive of change than the rest of the population To what extent are changes in values connected to changes in

identities How do we explain the process of change in the long term As Moaddel and Gelfand remark in their book s introduction Our hope is that this collective effort will not only contribute to the development of the social sciences in the Middle East and North Africa but also to practical political actions and public policies that serve social tolerance and harmony peace and economic prosperity for the people of the region

Regional Integration and National Disintegration in the Post-Arab Spring Middle East Imad El-Anis, Natasha Underhill, 2016-09-23 This edited collection explores the processes of change currently shaping the Middle East in the post Arab Spring context The national and transnational challenges that have emerged since the uprisings in 2011 particularly the increase in extremism and the emergence and intensification of civil wars have garnered significant attention in both media coverage and academic research However simultaneous and far older processes of regional integration varying in form from free trade agreements like the Greater Arab Free Trade Area to economic and political unions like the Gulf Cooperation Council have also been influenced by the changes of the past few years This text draws together innovative new research from different fields to explore how far the changes shaping the Middle East are leading to the region s polarisation between states that are integrating politically and economically with each other on the one hand and states that are disintegrating internally on the other The book includes contributions from scholars and practitioners from around the world and who work in different fields including Middle Eastern studies international relations international political economy foreign policy studies and security studies Chapters vary in focus and approach with the first section focusing on security related issues particularly civil wars and terrorism A second group of chapters looks at political economy in the region and examines domestic regional and global practices and processes including foreign aid trade and development A final group of chapters investigates socio political and socio cultural issues including the role of civil society in the region migration and international law

Public Administration and Policy in the Middle East Alexander R. Dawoody, 2014-09-22 The various and different Middle Eastern countries are addressing new key reform and governance reform processes but also administration and policy issues of enduring importance decentralization and local government non profit organizations political culture and reform of the policy process This book provides assessment of national strategies for reform in public administration and policy how these strategies have fared in implementation and what challenges must be overcome to achieve real and sustainable progress Seven country case studies will explore the overall policy making process from a critical perspective and consider how it could be strengthened Four cases will deal with the controversial issues of decentralization of power and decision making Two cases will address the role of civil society in the policymaking and reform process Introductory and concluding chapters will place these discussions in context and draw the primary lessons for policy makers The main objectives of the book are to present different examples of specific public policy and administration as well as governance issues in the Middle East so that policymakers both in the region and the world who are interested in the Middle East as well as practitioners scholars

and graduate students can utilize the book as a study guide to better understand various dynamics in governance in the Middle East This approach will enable the volume to bridge global perspectives on governance development with regional perspectives and experience bringing shared expertise intellectual inquisitiveness and experience in the professional practice of public policy and administration to bear on these common challenges

Conflicts in the Middle East and Africa Moosa Elayah, Bakeel Alzandani, 2024-03-21 This book explores the multifaceted dynamics between state and non state actors in public policy during and after conflict in the Middle East and Africa It offers case studies and policy relevant ideas for conflict affected areas to move forward in a more sustainable manner Following the Arab Spring revolutions civil wars have plagued the Middle East and North Africa region along with other countries in Africa The task of rebuilding peace and institutionalizing stability in conflict affected countries or fragile states emerging from conflict is a daunting uncertain and context specific task Yet focusing on understanding conflicts in the Middle East and Africa offers an important view of the role of non state actors during conflicts These regions feature the highest numbers of inter and intra state conflicts and the governments are more often contested than in the rest of the world The volume proposes different cases addressing the fundamental challenge of inclusion and cohesion of nonstate actors during conflicts By providing a comprehensive exploration of diverse perspectives it empowers readers to engage with the pressing issues facing these regions This is a useful resource for students and researchers in public policy and governance studies development studies and NGOs and Middle East and African Studies

The Future Security Environment in the Middle East Nora Bensahel, Daniel Byman, 2004-03-12 This report identifies several important trends that are shaping regional security It examines traditional security concerns such as energy security and the proliferation of weapons of mass destruction as well as newer challenges posed by political reform economic reform civil military relations leadership change and the information revolution The report concludes by identifying the implications of these trends for U S foreign policy

Towards New Orders in the Middle East John Waterbury, Woodrow Wilson School of Public and International Affairs. Center of International Studies, 1991

Political Narratives in the Middle East and North Africa Wolfgang Mühlberger, Toni Alaranta, 2020-02-13 This book discusses the role of political narratives in shaping perceptions of instability and conceptions of order in the Middle East and North Africa MENA The authors illustrate how in times of socio political turmoil and outbursts of discontent such as the Arab Spring political entrepreneurs explain and justify their political agendas by complementing hard power solutions with attractive ideas and discursive constructions that appeal to domestic constituencies and geopolitical allies The book is divided into two parts The first focuses on non state actors such as confessional communities and ideological movements who aim to develop narratives that are convincing to their respective polities It also studies regional powers that seek to determine their positions in a competitive environment via distinctive narrations of order In part two the authors investigate the narratives of global players that aim to explain and justify their

role in an evolving international order *The Arab Spring and the Geopolitics of the Middle East: Emerging Security Threats and Revolutionary Change* Amr Yossef, Joseph Cerami, 2015-10-01 In this study which highlights a renewed emphasis in international affairs on regional studies the co authors provide an assessment of the revolutionary changes in the politics and security of the Middle East and North Africa MENA **The Struggle for Influence in the Middle East** Federica Bicchì, Benoit Challand, Steven Heydermann, 2018-02-02 This collection of research papers explores the impact of the Arab uprisings on the politics and political economy of foreign aid provision in the MENA region Contributions focus on the foreign assistance policies and strategies of key donors United States Europe Gulf countries and Turkey and on the relationship between donors and recipients of foreign aid in a select set of MENA cases Tunisia Egypt Palestine and to a lesser extent Morocco Despite widespread rhetoric among lead donors pledging to support the transformational potential of the Arab uprisings the contributions find a more complex pattern in foreign aid provision since 2011 Among Arab donors who have played a significant role as providers of aid to states most affected by mass protests trends in foreign assistance reflect the competing priorities of donors and their willingness to politicize aid provision in pursuit of their strategic interests Among Western donors authors find a high degree of continuity Chapters that focus on Western donors seek to account for continuity on the part of Western governments and the EU at a moment of profound transformational potential Two factors bureaucratization and securitization capture most of the explanations provided which take into account a variety of local dimensions as well Contributions also discuss the changing assistance environment namely the globalization of foreign assistance the complex bureaucratic arrangements presiding over the delivery of European and US aid and the role of regional and international non democracies in the provision of foreign assistance This book was published as a special issue of Mediterranean Politics Toward New Orders in the Middle East John Waterbury, 1991 *Democratic Uprisings in the New Middle East* Mahmood Monshipouri, 2016-01-08 As Egypt retreats from its newly elected government and Syria moves from one crisis to another this book s reflection on the Arab Spring could not be more timely Monshipouri s account of the role of emotion solidarity and online activism is informed by several trips to the region that continue to this day The uprisings were fueled by a demographic surge of young people unable to find employment and frustrated by the lack of freedom and now the elected regime has been ousted for failing to address these continuing circumstances While modern technologies and social media may have brought new politics to the streets organization on the ground trumps the enthusiasm of young protesters when it comes to shaping a country s political future How to turn elections into democracy in these post conflict societies continues to be a daunting task especially in countries with a longstanding history of military involvement in politics now experiencing a resurgence This book addresses all of these subjects in an engaging and accessible narrative Key features of the text **The Power of Civil Society in the Middle East and North Africa** Ibrahim Natil, Chiara Pierobon, Lilian Tauber, 2019-05-24 This book investigates the power of civil society in the Middle East and North Africa

MENA in the context of the post Arab Spring era as well as more long standing challenges and constraints in the region In recent years local civil society actors have faced significant challenges from social conservatism conflict violence and the absence of democracy and exclusive political systems Over the course of the book the authors investigate how the sector has succeeded in achieving its own objectives despite these shifting conditions the restrictive political environment and the complexity of the socio cultural and economic context Structured around the three themes of peace building development and change the book also addresses challenges faced by civil society organizations linked to ethnic linguistic and cultural diversities as well as religious salient differences that are crucial markers of social and political identity Case studies are drawn from the Palestinian Occupied Territories Jordan Iran Nigeria Niger Egypt and Morocco and particular effort has been made to showcase original research from contributors who are from the region This book will be of particular interest to researchers working on development peace building conflict resolution civil society and politics within the MENA region

U.S. Middle East Policy and the Peace Process Henry Siegman,1997 An independent Task Force sponsored by the Council on Foreign Relations calls for a change in U S policy and for a bold American initiative to help Israel and the Palestinians reach agreement on the broad contours of a final settlement that can satisfy the minimal aspirations of both parties Aspiring Powers, Regional Rivals Gonul Tol,2020-03-02 Aspiring Powers Regional Rivals examines relations between Turkey Egypt and Saudi Arabia three key aspiring regional powers that have sought to take on a growing role in the Middle East in recent years at a time of declining U S influence and involvement The rise of the Justice and Development Party AKP in Turkey in the early 2000s under now President Recep Tayyip Erdogan ushered in a new era in Ankara s Middle East policy one that was dramatically reshaped by the Arab uprisings of 2010 12 and their aftermath Early hopes for a positive transformation gave way to violence civil wars and failed states The uprisings not only transformed the internal dynamics of regional states but they also led to a new regional order with powers such as Turkey Iran and Saudi Arabia playing a greater role As late as 2015 Turkey Egypt and Saudi Arabia were hailed as the Sunni vanguard against an increasingly resurgent Iran but these three states have conflicting visions for the region and are willing to pursue aggressive policies to realize them This book explores the dynamic between these three key actors in detail and examines whether they can reconcile those visions to play a constructive role in addressing regional problems **Role Theory in the Middle East and North Africa** Yasemin Akbaba,Özgür Özdamar,2019 Role Theory in the Middle East and North Africa applies role theory to analyze ideational and material sources of national role conceptions in Egypt Iran Saudi Arabia and Turkey offering a pioneering insight on the usefulness of role theory in foreign policy making in the developing world The Role of Arms Control in the Middle East Yair Evron,1977 **Superpower Involvement In The Middle East** Paul Marantz,Blema Steinberg,John Sigler,Shmuel Sandler,2019-06-18 The contributors to this book offer an explanation of Soviet and U S policy in the Middle East by exploring how the superpowers define their goals in the region the factors that both stimulate and

constrain the United States and the Soviet Union in the implementation of their objectives and how their mutual perceptions influence behavior The ch **Strategic Interests in the Middle East** Jack Covarrubias, Tom Lansford, 2007-01-01 With international politics issues likely to remain on the Middle East stage for the foreseeable future this comprehensive study looks at the important international and regional actors and their interactions with and reaction to US foreign policy towa
