

Plowboy

After the last red sunset glimmer,
Black on the line of a low hill rise,
Formed into moving shadows, I saw
A plowboy and two horses lined against the gray,
Plowing in the dusk the last furrow.
The turf had a gleam of brown,
And smell of soil was in the air,
And, cool and moist, a haze of April.

I shall remember you long,
Plowboy and horses against the sky in shadow.
I shall remember you and the picture
You made for me,
Turning the turf in the dusk
And haze of an April gloaming.

Carl Sandburg

Plowboy Poet

Augusta J. Evans

Plowboy Poet:

The Kentucky Anthology Wade Hall, 2010-09-12 Long before the official establishment of the Commonwealth intrepid pioneers ventured west of the Allegheny Mountains into an expansive alluring wilderness that they began to call Kentucky After blazing trails clearing plots and surviving innumerable challenges a few adventurers found time to pen celebratory tributes to their new homeland In the two centuries that followed many of the world's finest writers both native Kentuckians and visitors have paid homage to the Bluegrass State with the written word In **The Kentucky Anthology** acclaimed author and literary historian Wade Hall has assembled an unprecedented and comprehensive compilation of writings pertaining to Kentucky and its land people and culture Hall's introductions to each author frame both popular and lesser known selections in a historical context He examines the major cultural and political developments in the history of the Commonwealth finding both parallels and marked distinctions between Kentucky and the rest of the United States While honoring the heritage of Kentucky in all its glory Hall does not blithely turn away from the state's most troubling episodes and institutions such as racism slavery and war Hall also builds the argument bolstered by the strength and significance of the collected writings that Kentucky's best writers compare favorably with the finest in the world Many of the authors presented here remain universally renowned and beloved while others have faded into the tides of time waiting for rediscovery Together they guide the reader on a literary tour of Kentucky from the mines to the rivers and from the deepest hollows to the highest peaks **The Kentucky Anthology** traces the interests and aspirations the achievements and failures and the comedies and tragedies that have filled the lives of generations of Kentuckians These diaries letters speeches essays poems and stories bring history brilliantly to life Jesse Stuart once wrote If these United States can be called a body Kentucky can be called its heart **The Kentucky Anthology** captures the rhythm and spirit of that heart in the words of its most remarkable chroniclers **The Paths of Poetry** Louis Untermeyer, 2000-06 Louis Untermeyer the American poet perhaps most familiar with the lives and works of the great writers in the English language tells of the touching humorous and dramatic incidents which have made up the lives and contributed to the poetic genius of each of twenty five poets from Chaucer to Frost These are the unacknowledged legislators music makers movers and shakers poets who have influenced our ideas affected our emotions and enriched our language The chapters not only tell the stories of their lives but also relate their lives to their poems and reveal how and why they wrote the way they did This work aims to show what the poets meant to the development of literature and most of all what they mean to us **Love Poems and the Boyhood of Kentucky's Poet** William Lee Popham, Maude Miller Estes, 1910 **A Vision Splendid** Anne-Marie Wright Lampropoulos, 2022-06-14 During his forty five years as a Latter day Saint apostle and nineteen years as the prophet David O McKay gave thousands of speeches including hundreds of temple and chapel dedications civic addresses funeral sermons and General Conference and other Church related talks Many of these speeches contain some of the same prose and poetry but no two speeches are the same All of

these discourses were written by McKay himself and virtually all of them were typed organized and kept in large legal sized leather binders by Clare Middlemiss his long time personal secretary His choice of prose reveals his favorite authors and literature a glimpse into his personal library It also conveys his ideals and his fervent belief in their truth Never before and not since has The Church of Jesus Christ of Latter day Saints had a prophet so well versed in secular as well as scriptural prose McKay s intellectual and spiritual worlds meshed as he recited with ease the poetry of Edgar A Guest John Oxenham and Joaquin Miller as well as the patriotic pronouncements of George Washington Patrick Henry and Benjamin Franklin In one speech he seemed to have studied Scottish lore and in another he effortlessly extolled current US statistics on crime or divorce He was at times romantic and wistful and at other times firm and warning In A Vision Splendid The Discourses of David O McKay Anne Marie Wright Lampropoulos culls from the vast records of McKay s discourses that Middlemiss kept and groups certain categories of speeches together dedications civic addresses Church discourses and funeral sermons Each chapter broadly analyzes a category and then includes samples of illustrative full speeches This analysis and compilation illustrates how McKay looked to poignant prose for a sense of his own personal identity and inspiration as well as the larger identity and inspiration of Church members **International Wood Worker** ,1904 Inez: A Tale of the Alamo Augusta J. Evans,2022-09-16 In Inez A Tale of the Alamo Augusta J Evans presents a masterful blend of historical fiction and poignant romance set against the backdrop of one of America s most storied battles The narrative threads the lives of its characters through the tumultuous events leading up to the fall of the Alamo showcasing Evans deft hand at intertwining personal drama with the rich tapestry of historical events Adhering to the Southern literary tradition of her time Evans constructs a lush descriptive prose that brings the era to vivid life while also challenging the expected norms with her strong willed complex heroine Her work exists within the literary context of antebellum America yet resounds with themes of perseverance and the human spirit that transcend the period Evans a notable figure in 19th century American literature was shaped by the socio political climate of her Southern upbringing Her works often reflect the nuanced perspectives of women during times of societal upheaval Inez A Tale of the Alamo may be seen as a product of Evans environment as well as her response to the cultural and historical narratives of her day It is a testament to her commitment to exploring the emotional depths of her characters amid the broader strokes of historical portrayal The republishing of Inez A Tale of the Alamo by DigiCat Publishing invites a new generation of readers to experience Evans eloquent narrative This special edition beckons both connoisseurs of Southern literature and those with an interest in America s historical fabric With its detailed character development and rich historical context it is recommended for those who appreciate literature that not only tells a compelling story but also embodies the spirit of the age in which it was written The tale of Inez is one that endures a classic reflection of love loss and resilience against the backdrop of a pivotal moment in American history Inez Augusta Jane Evans,1864
 The Overland Monthly ,1919 **The Publishers Weekly** ,1916 **The Methodist Review Quarterly** ,1921

Inez: a tale of the Alamo Augusta Jane Evans Wilson, 1864 *Union Postal Clerk* ,1914 *Cavaliers and Economists* Katharine A. Burnett, 2019-05-15 Offering a compelling intervention in studies of antebellum writing Katharine A Burnett's *Cavaliers and Economists* Global Capitalism and the Development of Southern Literature 1820-1860 examines how popular modes of literary production in the South emerged in tandem with the region's economic modernization. In a series of deeply historicized readings Burnett positions southern literary form and genre as existing in dialogue with the plantation economy's evolving position in the transatlantic market before the Civil War. The antebellum southern economy comprised part of a global network of international commerce driven by a version of laissez faire liberal capitalism that championed unrestricted trade and individual freedom to pursue profit. Yet the economy of the U.S. South consisted of large scale plantations that used slave labor to cultivate staple crops including cotton. Each individual plantation functioned as a racially and socially repressive community, a space that seemingly stood apart from the international economic networks that fueled southern capitalism. For writers from the South, fiction became a way to imagine the region as socially and culturally progressive while still retaining hallmarks of traditional southern culture, namely plantation slavery, in the context of a rapidly changing global economy. Burnett excavates an elaborate network of transatlantic literary exchange operating concurrently with the region's economic expansion in which southern writers adopted popular British genres such as the historical romance and the seduction novel as models for their own representations of the U.S. South. Each chapter focuses on a different genre, pairing largely understudied southern texts with well known British works. Ranging from the humorous sketch to the imperial adventure tale and the social problem novel, *Cavaliers and Economists* reveals how southern writers like Augusta Jane Evans Johnson, Jones Hooper, Maria McIntosh, William Gilmore Simms, and George Tucker reworked familiar literary forms to reinvent the South through fiction. By considering the intersection of economic history and literary genre, *Cavaliers and Economists* provides an expansive study of the means by which authors created southern literature in relation to global free market capitalism, showing that in the process they renegotiated and rejustified the institution of slavery.

Encyclopedia of American Humorists Steven H. Gale, 2016-04-14 First published in 1988, this book contains entries on famous American Humorists. Humor has been present in American literature from the beginning and has developed characteristics that reflect the American character, both regional and national. Although American literature was in the past treated as inferior to British literature, there has always been a large popular audience for the genre, which this book shows. The figures with entries in this encyclopedia not only amuse in their writing but also aim to enlighten, setting out to expose the foibles and foolishness of society and the individuals who compose it. It is the manner in which these authors try to accomplish this end that determines whether they appear in the volume. Indeed, the book will demonstrate that the best humor has at its base a ready understanding of human nature.

Plowboy Poet: Bestsellers in 2023 The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous captivating novels enthralling the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the fascinating narratives that have charmed audiences this year. Plowboy Poet : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Plowboy Poet : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and gripping novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
