Calif.)**

## **Plumas Sketches:**

Plumas Sketches Jane Braxton Little, 1983      Portrait of an Unknown Man Cipriano de Rivas Cherif, 1995 Paul Stewart's translation of Portrait of an Unknown Man Cipriano de Rivas Cherif's biography of his brother in law and friend introduces to English speaking readers Manuel Azana Spain's wartime president whom the Franco regime had treated as a nonperson. Considered the symbol of the Second Republic in Spain Azana was the subject of a flood of books and articles in 1990 the fiftieth anniversary of his death. The Spanish Ministry of Culture sponsored a major exhibition honoring Azana as author and statesman while symposia dedicated to him were held in Barcelona and Montauban France where he died after finding uneasy refuge from Franco's armies and Hitler's Gestapo. The biography also clarifies the complex politics of Spain in the twenties and thirties by focusing on this preeminent politician of that era and it achieves depth in its portrait by painting the background of three generations of a bourgeois family caught up in dramatically changing times. BOOK JACKET Title

Summary field provided by Blackwell North America Inc All Rights Reserved      **A Pathway Through Parks** Carl S. Chavez, 2004 Bodie the very sound of that name conjures up images of The Bad Man From Bodie a rough and tumble life and the harsh climate of a gold mine boomtown of the early West. But to a young park ranger and his wife fresh out of college and with a child on the way it was an intimidating beginning to a 32 year career with California Department of Parks and Recreation. A PATHWAY THROUGH PARKS follows the career of Ranger Carl S. Chavez and his family as they travel the length and breadth of California from the ghost town of Bodie State Historic Park to the mountains and beaches of Southern California. Each new assignment brings new adventures and challenges as Ranger Chavez promotes up the career ladder to positions on the Central Coast of California the Sierra Nevada and finally to the redwoods of Northern California at Humboldt Redwoods State Park. Career decisions must be made which result in advancement out of the field and into the Management ranks of Regional and Division Headquarters. Yet even these changes do not alter the opportunity for stories and tales of humor and tragedy joy and sorrow adventure and routine and the success and failure that many readers will recognize in their own lives. Anyone who has retired from the workforce regardless of occupation will have memories like those found in A PATHWAY THROUGH PARKS. The author's experiences will give all those who love the Great Outdoors and enjoy our parks and forests a rare inside glimpse not only of the inner workings of park operations but also of family life living in parks.
