**When Lambs Become Lions** Connie Zeno,2014-05-14 In *When Lambs Become Lions* Connie Zeno reveals a few erroneous narratives the Body of Christ has been operating under These false narratives have shaped Christianity for decades Resulting in God s people having an incorrect view of who we are Many are the descriptions of God s people but none so prevalent as our identification with lambs and sheep These creatures are docile They are easily led astray They are dependent upon their shepherd for protection and direction For far too long we have let the world around us to tell our story While the whole earth waits for the sons of God to rise up and take their righteous place This message is an end time message for an end time people It s time beloved for the lambs to become lions We are called to be transformers and world changers It s time to roar as lions against all that opposes itself against the will of God The Lord is calling His family back to righteousness He is looking for a people who are willing to live for God no matter what Will you answer the call
