Banks,2006-12-22 The increasing ethnic racial cultural religious and language diversity in nations throughout the world is forcing educators and policymakers to rethink existing notions of citizenship and nationality To experience cultural democracy and freedom a nation must be unified around a set of democratic values such as justice and equality that balance unity and diversity and protect the rights of diverse groups Diversity and Citizenship Education Global Perspectives brings together in one comprehensive volume a group of international experts on the topic of diversity and citizenship education These experts discuss and identify the shared issues and possibilities that exist when educating for national unity and cultural diversity Diversity and Citizenship Education Global Perspectives presents compelling case studies and examples of successful programs and practices from twelve nations discusses problems that arise when societies are highly stratified along race cultural and class lines and describes guidelines and benchmarks that practicing educators can use to structure citizenship education programs that balance unity and diversity The book covers a broad range of issues and includes vital information on such topics as Migration citizenship and education The challenge of racialized citizenship in the United States The contribution of the struggles by Indians and Blacks for citizenship and recognition in Brazil Crises of citizenship education and ethnic issues in Germany Russia and South Africa Conflicts between religious and ethnic factions Diversity globalization and democratic education Composite Culture in a Multicultural Society Bipan Chandra,Sucheta

Mahajan,2007 This insightful volume featuring contributions by luminaries from the fields of political theory and philosophy ancient medieval and modern history sociology anthropology and the creative arts brings to the fore the theoretical and practical ramifications of multiculturalism Children's Bioethics Maya Sabatello,2009 Only scant attention has been given to the issue of children's bioethics Even when such a discourse took place it hardly touched upon children as social agents In this novel work Maya Sabatello looks at the a oebody politicsa of religious and cultural medical practices from a oeharmful traditional practicesa to genetic engineering Building on literature from medical anthropology cultural studies disability studies social sciences and law she explores the international discourse on children's bioethics from a previously uncharted child centered approach In light of the existing multiculturalism she contends that in the discourse on children's bioethics not only must the medical social and anthropological nexus of the child be taken into account but that

incorporating identity claims into the legal discourse is also essential for the child's voice to be heard Empirical Anthropology Georg Pfeffer, Nibedita Nath, 2018-01-01 Fieldwork tradition is the hallmark of anthropology Unfortunately this great tradition of anthropology is not given serious consideration in many anthropology department Against the backdrop the volume in honour of Professor Deepak Kumar Behera who himself was an excellent fieldworker presents important issues and rich fieldwork experience of various scholars The book has two sections The first section Issues of Academic Friends consisting of eleven papers covers aspects such as tribes governance health food language lyric youth etc The second section Friends in the Field consisting of seven presents the fieldwork experiences of some German anthropologists in India The volume makes an attempt to show the importance of fieldwork in anthropology and allied subjects The shared fieldwork experiences will help the researchers to understand the ground realities and prepare them to be excellent fieldworkers

**Sociology and Social Anthropology in India** Yogesh Atal, 2009 The Indian Council of Social Science Research the premier organization for social science research in India conducts periodic surveys in the major disciplines of the social sciences to assess disciplinary developments as well as to identify gaps in research in these disciplines **Globalization and Religious Nationalism in India** Catarina Kinnvall, 2007-01-24 This book develops an interesting angle on a recognised issue of concern not just in the politics of South Asia but much more broadly in the context of the contemporary world and developing global politics It explores the key contemporary issue of religious nationalism using a new approach based on political psychology It will appeal to scholars and students of political sciences IR sociology religious studies and social psychology as well as to those interested specifically in Indian politics **The Indian Social Sphere** Sakarama Somayaji, Ganesha Somayaji, Joanna P. Coelho, 2024-08-28 This book studies the social formation of India through the lens of religion state ethnicity and governance It provides a nuanced understanding of the structural as well as the processual aspects of the Indian social sphere The volume studies diverse themes such as the impact of religiosity on religious consciousness the primacy of tribal identity in colonial India political inclusion of marginalised communities the emerging subaltern activism among others An important contribution this book will be of interest to scholars and researchers of sociology political sociology South Asian studies Affirmative action and political science Sociology Previous Question Papers NET JRF Mocktime Publication, Sociology Previous Question Papers NET JRF UGC CBSE Net Jrf previous year solved papers net jrf paper 1 and paper 2 net jrf paper I and paper II teaching and research aptitude paper 1 paper I net jrf exam guide manual books net jrf previous year questions mcq *Politics of the 'Other' in India and China* Lion Koenig, Bidisha Chaudhuri, 2016-02-22 The social sciences have been heavily influenced by modernization theory focusing on issues of economic growth political development and social change in order to develop a predictive model of linear progress for developing countries following a Western prototype Under this hegemonic paradigm of development the world tends to get divided into simplistic binary oppositions between the West and the rest us and them and self and other Proposing to shift the

discussion on what constitutes the Other as opposed to the Self from philosophy and cultural studies to the social sciences this book explores how the structural asymmetries existing between Western discourses and the realities of the non Western world manifest themselves in the ideas institutions and socio political practices of India and China and in how far they shape the social scientist s understanding of their discipline in general It provides a counter narrative by revealing the relativity of geographies and by showing that the conventional presentation of core elements of the Asian socio political set up as aberrations from the Western models fails to acknowledge their inherent strategic character of adapting Western concepts to meet local requirements Drawing on multiple disciplines concepts and contexts in India and China the book makes a valuable contribution to the theory and practice of politics as well as to International and Asian Studies **The Politics of Social**

**Exclusion in India** Harihar Bhattacharyya, Partha Sarkar, Angshuman Kar, 2009-12-16 Social exclusion and inclusion remain issues of fundamental importance to democracy Both exclusion and inclusion relate to the access to participation in the public realm public goods and services for certain groups of people who are minorities marginalized and deprived Democratization has led to the inclusion of the previously excluded in the political process While the problems of exclusion remain even in advanced Western countries in respect of the minorities of sorts and the underprivileged the problem of deep rooted social and cultural exclusions is acute in post colonial countries including India This book analyses social exclusions in India which remain the most solid challenges to Indian democracy and development Communal clashes ethnic riots political secessionist movements and extremist violence take place almost routinely and are the outward manifestations of the entrenched culture of social exclusion in India With its interdisciplinary approach the book looks at the multidimensional problems of social exclusion and inclusion providing a critical comprehensive analysis of the problem and of potential solutions The authors are experts in the fields of historical sociology anthropology political theory social philosophy economics and indigenous vernacular literature Overall the book offers an innovative theoretical perspective of the long term issues facing contemporary Indian democracy *Cultural Dynamics of Women's Lives* Ana Clara S. Bastos, Jaan

Valsiner, Kristiina Uriko, 2012-12-01 This book explores the diverse landscapes wherein women struggle for their personal and social identities and lives between biology and culture destiny and choice shared and individual worlds tradition and modernity Their peripheral lives have central meaning Chaudhary this volume in any society and as such are approached as a primary subject in this book as the chapters traverse ten different countries on three continents North America United States Latin America Brazil Chile Colombia Asia India and Europe United Kingdom Ireland Portugal Finland Estonia Throughout these different places women s lives are an interesting stage for observing the interaction between biology and culture e g sex vs gender pregnancy and childbirth vs transition to motherhood The focus on the cultural variability of human experience opens the door for the search of commonalities so needed in psychological theorizing Here this search is directed by how cultural models of womanhood and motherhood constrain personal experiences especially through developmental transitions

This book is ultimately an opportunity to approach women's lives from the perspective of the women themselves particularly making audible and explicit their voices and the axis of logic that structures their world Undoubtedly it is a valuable opportunity for women and men interested in understanding and constructing human experience inside better worlds

Indigeneity and Universality in Social Science Partha Nath Mukherji, Chandan Sengupta, 2004-08-19 Are social sciences that are indigenous to the West necessarily universal for other cultures This collection of South Asian scholarship draws on the experiences of the region to discuss this question in depth **Region, Religion and Politics** Amarjit S.

Narang, 2022-10-06 An objective and dispassionate study of the oldest religion based regional political party the Shiromani Akali Dal participating in the democratic politics and processes of socio economic development and transformation of the country It delineates and analyses events and developments from the emergence of the Akali Dal as a religious movement its transformation into a religious political party concerned with safeguarding the political social and economic interests of the Sikhs as a minority and to represent them in governing institutions engaged in the struggle for power in secular domain mobilising the community support using the ideology of fusion of religion and politics yet lacking equal support from different sections of the community Rather than dwelling on a mere narrative of events and describing strategies tactics and agitations of the Akalis an attempt has been made to understand why and how social and economic antagonisms arising out of generation and articulation of demands in a pluralistic society undergoing modernization and democratization may be marked by identity politics The study is located in the broader framework of rise and growth of regional parties and identity politics in India as a part and consequence of India's adopted model of state and nation building integration and socio economic development and transformation
