**Plutarch's Ethical Writings and Early Christian Literature** H.D. Betz, 2023-04-12     Plutarch's Unexpected Silences, 2022-06-13 The act of recording anything is at the same time an act of silencing Choices are made at every step about what to keep and what to discard Examining what Plutarch has left out enriches our understanding of what he has chosen to say and both deepens our knowledge of the literary practices of this influential writer and opens new and fruitful lines of enquiry about Plutarch his work and his world     **The Statesman in Plutarch's Works, Volume I: Plutarch's Statesman and his Aftermath: Political, Philosophical, and Literary Aspects** Jeroen Bons, Ton Kessels, Dirk Schenkeveld, Lukas de Blois, 2017-07-31 This volume presents the first half of the proceedings of the Sixth International Conference of the International Plutarch Society 2002 The selected papers are divided by theme in sections concentrating on political philosophical and literary aspects of Plutarch's presentation of statesmen and their activities and on the aftermath of this Plutarchian heritage The volume bears witness to the ongoing wide ranging interest in the work of Plutarch

**Plutarch's Greek Lives** Plutarch, 1912     **Plutarch's Cosmological Ethics** Bram Demulder, 2022-07-07 A groundbreaking and wide ranging presentation of Plutarch's ethics based on the cosmological foundation of his ethical thought Plutarch of Chaeronea c 45-120 CE is the most prolific and influential moral philosopher in the Platonic tradition This book is a fundamental reappraisal of Plutarch's ethical thought It shows how Plutarch based his ethics on his particular interpretation of Plato's cosmology our quest for the good life should start by considering the good cosmos in which we live The practical consequences of this cosmological foundation permeate various domains of Greco-Roman life the musician the organiser of a drinking party and the politician should all be guided by cosmology After exploring these domains this book offers in depth interpretations of two works which can only be fully understood by paying attention to cosmological aspects Dialogue on Love and On Tranquillity of Mind     *Plutarch's Lives* Plutarch, 1913     **Plutarch and History** Christopher Pelling, 2011-12-31 Much of ancient history can only be written thanks to evidence supplied by Plutarch The historical methods and qualities of this vital source were for long subjected to little systematic analysis However over the last two decades an authoritative and profoundly influential set of studies has appeared in the field the work of Christopher Pelling Dispersed until now in a wide range of international journals and symposia these fifteen studies are here published in a single volume revised by the author with up to date annotations and bibliography Together with three new studies they form an essential reference work for serious students of classical Greece and Rome     **Plutarch and the Historical Tradition** Philip A. Stadter, 2002-09-11 These essays by experts in the field from five countries examine Plutarch's interpretative and artistic reshaping of his historical sources in representative lives Diverse essays treat literary elements such as the parallelism which renders a pair of lives a unit or the themes which unify the lives Others consider the selecting combining simplifying and enlarging employed in composition The construction of a Plutarchian life the essays demonstrate required

careful selection and creative reworking of the historical material available

**Plutarch's Themistocles and Aristides** Plutarch, 1901

**The Path to Salvation in Luke's Gospel** MiJa Wi, 2019-05-23 This book investigates Luke's message of salvation in relation to socio-economic issues and thus concerns salvation of the rich as well as the poor With a narrative reading of Luke's Gospel built on careful examination of its socio-economic context it demonstrates that Luke's message of salvation is best understood as 1 Divine mercy which champions the cause of the poor and redresses the injustice of the world 2 Its human embodiment and 3 Divine reward promised to those who enact mercy Wi argues that Luke's question of what must we do juxtaposes salvation with doing posing interesting questions with respect to the salvation of the rich This volume highlights good news to the poor in terms of divine mercy and justice shows that the reception of divine mercy calls for practices which embody it and above all clarifies Luke's notion of salvation of the rich which will happen as participation in the salvation of the poor Wi's conclusion challenges its readers by asking the question along with Luke's audience What must we do
