Cascio, 2005-05 **Cradle My Heart** Kim Ketola, 2025-06-17 A timely revised and updated resource on abortion recovery Over half of the women who have abortions have some Christian religious affiliation and they have believed that abortion was the solution to their problems But now they live with shame regret and unacknowledged grief that leaves them suffering in silence While they wonder if they've committed an unforgivable sin women are afraid to turn to the church for support After her own painful battle Kim Ketola created the book she needed in her darkest moments Through practical steps biblical retellings and personal experiences Kim weaves a narrative of empathy and compassion that encourages women to stop nurturing hurt and living in the shadows She reveals how God can heal hearts and create new identities At the end of each chapter readers will have the opportunity to reflect on God's love and providence develop a loving conversation with Jesus respond through nourishing exercises and retune their minds with handpicked songs that demonstrate God's love and purpose In this revised and updated resource Kim paves the way out of darkness and into the light of God's grace She proclaims that it's possible to find freedom in forgiveness and to experience peace in the loving arms of Jesus **One Small Step** Mike Dodd, To those troubled one small step seems like an enormous leap During difficult times I was encouraged to take small steps through quotations from many sources some biblical some from well known public figures others anonymous One Small Step began as a personal project to move simple thoughts out of my mind by putting them down on paper Thoughts stem from quotations that have had an impact in my life I wish to say in a simple sentence how I perceive them For many this would be an easy task but I struggle with English words don't flow they get stuck they don't say what I want them to say and often come out sounding rather simple As a child I struggled with English I'm pretty sure it was dyslexia but it didn't exist in my day I consequently failed English O level at school Quotations share pages with my photographs On most pages I attempt to loosely link an image to one of the quotations on the page to aid memory I spent twenty five years working overseas Images stem from the enchanting chaos of Bangkok to the wonderful serenity of the African safari Quotations are

from times past and include Chinese philosopher Lao Tzu Mark Twain and Theodore Roosevelt Some are Latin Proverbs Many are from Scripture The book has a quotation and brief reflection for every day of the year to stimulate reaffirming thoughts at the beginning or end of each day Alternatively each month has a different theme to help the reader find quotations for a particular area of concern Interestingly old quotations reflect modern life and show today's struggles are nothing new These quotations serve as a collective reminder to words we often hear but which tend to go in one ear and out the other This book was originally written for my own enjoyment but I hope the collective wisdom guides your thoughts and helps you through your difficult time
