In every era of the Catholic Church, holy men and women have shaped history through their gifts and talents and most importantly through their resolute commitment to Jesus Christ. Some led armies, some founded monasteries, some lived a radical call to charity, and each one had a unique part to play. *How the Saints Shaped History* focuses on the essential role of the saints as vessels of God's grace in moving the Church and the world through her two thousand year history. Written especially for everyday Catholics hungry to learn more about the Faith, this book is both comprehensive and accessible. It tells the story of how more than 180 saints, from Saint Mary Magdalene to Pope Saint John Paul II, led the Church through many crises and back to her spiritual roots. As our Church continues to face crises, this book reminds us that we still have reason to hope in our own time. As the providential hand of God worked through the saints to shape history, each of us is called to become a new saint to shape the history of the Church today. *A Legacy of Preaching: Two-Volume Set---Apostles to the Present Day* Zondervan, 2018-12-11

*A Legacy of Preaching: Two-Volume Set* explores the history and development of preaching through a biographical and theological examination of its most important preachers. Instead of teaching the history of preaching from the perspective of movements and eras, each contributor tells the story of a particular preacher in history, allowing these preachers from the past to come alive and instruct us through their lives, theologies, and methods of preaching. Each chapter introduces readers to a key figure in the history of preaching, followed by an analysis of the theological views that shaped their preaching, their methodology of sermon preparation and delivery, and an appraisal of the significant contributions they have made to the history of preaching. This diverse collection of familiar and lesser-known individuals provides a detailed and fascinating look at what it has meant to communicate the gospel over the past two thousand years. By looking at how the gospel has been communicated over time and across different cultures, pastors, scholars, and homiletics students can enrich their own understanding and practice of preaching for application today.
