**Pocket Fowler's Modern English Usage** R. E. Allen, 2004 This invaluable reference work offers the best and most sought after advice on English grammar based on Henry Fowler's original which is still a classic text after nearly 80 years Updated with the use of Oxford's unique language databases it comprises over 4 200 entries giving clear recommendations on grammar pronunciation spelling confusable words and writing style DT Advice on how to avoid common pitfalls in English usage such as the split infinitive infer or imply who or whom DT Broad coverage of British and American English including examples from all over the English speaking world DT Wide ranging illustrative quotations from well known authors such as Julian Barnes and A S Byatt and international newspapers and journals

**Pocket Fowler's Modern English Usage** Henry Watson Fowler, 2002 This invaluable reference offers the best advice on English grammar based on Fowler's original updated with 4 200 entries and recommendations on grammar pronunciation spelling and writing style *Pocket Fowler's Modern English Usage*, Pocket Fowler's Modern English Usage R. E. Allen, H. W. Fowler, 2008 Updated with the use of the Oxford English Corpus this edition contains over 4 000 entries that answer the most frequently asked questions about language and language use *Fowler's Dictionary of Modern English Usage* Henry Watson Fowler, 2015 A comprehensive guide to the English language provides detailed and expert information on grammar style spelling vocabulary and punctuation with clear explanations and example sentences Fowler's Concise Dictionary of Modern English Usage Jeremy Butterfield, 2016-03-10 Fowler's Concise Dictionary of Modern English Usage is an invaluable reference work that offers the best advice on English usage Known in previous editions as the Pocket Fowler this third edition is a descendant of the original 1926 edition of A Dictionary of Modern English Usage by Henry Fowler Based on the unrivalled evidence and research of the Oxford Languages Programme the new edition answers your most frequently asked questions about language use Should you use a split infinitive or a preposition at the end of a sentence Is it infer or imply Who or whom What are the main differences between British and American English Over 4 000 entries offer clear recommendations on issues of grammar pronunciation spelling confusable words and written style Real examples are drawn from OUP's vast database of classic and contemporary literary sources newspapers and magazines and the Internet Jeremy Butterfield has judiciously revised the text to reflect the English usage practices and con

**A Dictionary of Modern English Usage: The Classic First Edition** H. W. Fowler, 2009-09-10 No book had more influence on twentieth century attitudes to the English language in Britain than Henry Fowler's Dictionary of Modern English Usage It rapidly became the standard work of reference for the correct use of English in terms of choice of words grammar and style Much loved for his firm opinions passion and dry humour Fowler has stood the test of time and is still considered the best arbiter of good practice Now one of today's leading experts on the language David Crystal has reassessed Fowler's contribution in this fascinating new edition Crystal goes beyond the popular mythology surrounding Fowler's reputation to retrace his method and practice and arrive at a fresh evaluation of his place in the history

of linguistic thought With a wealth of entertaining examples he looks at Fowler's stated principles and the tensions between his prescriptive and descriptive temperaments He reaches some surprising conclusions and shows that the Dictionary does a great deal more than make normative recommendations and express private opinions In addition he offers a modern perspective in notes on some 300 entries in which he shows how English has changed since the 1920s including the pronunciation of certain words *Garner's Modern English Usage* Bryan A. Garner, 2016 The authority on grammar usage and style

**Standardising English** Linda Pillière, Wilfrid Andrieu, Valérie Kerfelec, Diana Lewis, 2018-03-15 This path breaking study of the standardisation of English goes well beyond the traditional prescriptivism versus descriptivism debate It argues that the way norms are established and enforced is the result of a complex network of social factors and cannot be explained simply by appeals to power and hegemony It brings together insights from leading researchers to re-centre the discussion on linguistic communities and language users It examines the philosophy underlying the urge to standardise language and takes a closer look at both well known and lesser known historical dictionaries grammars and usage guides demonstrating that they cannot be simply labelled as prescriptivist Drawing on rich empirical data and case studies it shows how the norm continues to function in society influencing and affecting language users even today

**English Usage Guides** Ingrid Tieken-Boon van Ostade, 2018 This volume explores both historical and current issues in English usage guides or style manuals Chapters look at how and why these guides are compiled and by whom what sort of advice they contain how they differ from grammars and dictionaries and how attitudes to usage have changed

**Dynamics of Language Changes** Keith Allan, 2020-08-31 This book explores the dynamics of language changes from sociolinguistic and historical linguistic perspectives With in depth case studies from all around the world it uses diverse approaches across sociolinguistics and historical linguistics to answer questions such as How and why do language changes begin how do language changes spread and how can they ultimately be explained Each chapter explores a different component of language change including typology syntax morphology phonology semantics lexicology discourse strategies diachronic change synchronic change how the deafblind modify sign language and the accommodation of language to song This book presents a comprehensive analysis of the dynamics of language change over time simultaneously advancing current research and suggesting new directions in sociolinguistic and historical linguistic approaches

**Garner's Modern American Usage** Bryan Garner, 2009-07-28 Since first appearing in 1998 Garner's Modern American Usage has established itself as the preeminent guide to the effective use of the English language Brimming with witty erudite essays on troublesome words and phrases GMAU authoritatively shows how to avoid the countless pitfalls that await unwary writers and speakers whether the issues relate to grammar punctuation word choice or pronunciation An exciting new feature of this third edition is Garner's Language Change Index which registers where each disputed usage in modern English falls on a five stage continuum from nonacceptability to the language community as a whole to acceptability giving the book a consistent standard throughout GMAU is the first usage guide ever

to incorporate such a language change index The judgments are based both on Garner's own original research in linguistic corpora and on his analysis of hundreds of earlier studies Another first in this edition is the panel of critical readers 120 plus commentators who have helped Garner reassess and update the text so that every page has been improved Bryan A Garner is a writer, grammarian, lexicographer, teacher, and lawyer He has written professionally about English usage for more than 28 years and his work has achieved widespread renown David Foster Wallace proclaimed that Bryan Garner is a genius and William Safire called the book excellent In fact due to the strength of his work on GMAU Garner was the grammarian asked to write the grammar and usage chapter for the venerable Chicago Manual of Style His advice on language matters is second to none

*A Dictionary of Modern English Usage* Henry Watson Fowler, 2002 Celebrating its 75th year this classic text has become the standard work on the correct but natural use of English and has ensured that Fowler is a household name Written in Fowler's inimitable style it gives clear guidance on usage word formation inflexion spelling pronunciation punctuation and typography It includes advice on using that which or who working and stylish words worn out humour hybrids and malformations Witty and practical it remains an invaluable source of useful guidance on the correct use of English

**Garner's Modern American Usage** Bryan A. Garner, 2003 Painstakingly researched with copious citations from books newspapers and news magazines this new edition has become the classic reference work praised by professional copy editors

**Processes of Change** Sandra Jansen, Lucia Siebers, 2019-08-15 The present volume brings together leading scholars studying language change from a variety of sociolinguistic perspectives complementing and enriching the existing literature by providing readers with a kaleidoscopic perspective of aspects of change in English from around 1700 until the present day The volume presents a collection of in depth studies on a broad spectrum of phonetic lexical grammatical and discourse variation drawing on historical corpora dictionaries metalinguistic commentary ego documents spoken language and survey data Apart from advancing our knowledge of processes of language change in varieties of English including British English Irish English Australian English South African English American English and Canadian English the individual chapters contribute to the theoretical debates on variation and change in Late Modern as well as Present day English
