**1970s Childhood** Liza Hollinghurst, 2019-03-21 A 1970s childhood was for many a life of happy go lucky freedom set against a soundtrack of pop music played on a transistor radio dangling from the handlebars of a Raleigh Chopper It was a playground battlefield of Sindy versus Action Man or a dexterous display of how to handle Clackers without painfully rapping them across the knuckles After school television meant a choice of Blue Peter or Magpie while chewing on an Aztec chocolate bar and flicking through Shoot or Jackie magazine Yet it was also a decade of strikes the three day week

and the Winter of Discontent which passed most children by unless a power cut meant no television This fully illustrated book is a celebration of that childhood its highs lows and scraped knees that will readily bring back the forgotten memories of a generation that grew up without mobile phones the internet and 24 hour shopping Our Fenland Memories Ann Cowper,2025-01-03 Step back in time to the 1930s and 40s where life was vastly different for a family growing up on a Fenland farm in the middle of nowhere The hard work of farming was a way of life with no fancy machines to ease the back breaking labour Every family member and friend had a role to play from picking potatoes by baskets to chop hoeing sugar beets And when harvest time came around it was dirty work for the adults but great fun for the children who were happy to help especially if there was extra pocket money on offer In those distinct seasons of yesteryear winter brought frost that created magical ice crystals on the inside of windows We learned to take comfort in stone hot water bottles at night and became experts at dressing and undressing quickly in unheated bedrooms But would we be able to cope today without electricity or indoor plumbing Perhaps but we d rather not find out These personal memories of social history are a treasured part of our heritage a snapshot of life in a bygone era that needs to be preserved with pride for future generations In this fast moving ever changing world it s important that we don t forget our Fenland roots Join us on a journey through time as we reminisce about the joys and challenges of life on a rural farm in a simpler more humble era **The Memories of Dean Hole** Samuel Reynolds Hole,1894 **Rock Island Employees' Magazine** ,1920 Red (Scarlet) Flags Unheeded Ophelia Olive Reim,2021-11-19 Blindsided by two teenage boys occupying a monstrous Dodge Ram while they were fantasizing about their intentions to commit a homicidal blunt force tragedy this information in addition to my learning of the instrumental betrayals by multitudes of their mentors which was a plethora of principals educators proclaimed community leaders their associates parents and friends of friends reminded me sternly of the psalmist s words inspired by the Holy Spirit Do not put your trust in princes in human beings who cannot save Accountable to God religiously donning my fitness attire I am continually reminding myself that my health and well being are disciplines that the Holy Spirit dwells within this temple and that I was subject to God s authority and must maintain this temple for his presence a temple acceptable and inhabitable by the Holy Spirit I was eager to ensue upon the beautiful evening jaunt I was aware that the battlefield continually looms with darkness but what I also knew for certain on that particular evening was that I was a child of God and I was going to live my life long desires to share and promote God s love What I didn t know was that my continual attempts to preserve this temple he resides in was becoming savagely under attack by the evil one This spiritual attack turned physical was in a boldly mounting progression for years The evil one worked through the hearts minds and spirits of these two teenage boys in addition to those they were emulating day after day their multitude of mentors their earthly rulers who made decisions and judgments erringly and unjustly all critically immorally coexisting still *Children's Books In Print 1998* Bowker Editorial Staff,R R Bowker Publishing,Bowker,1998 No Regrets in the Evening of Life Neville Buch,2018-03-14 The type of local

and school history before the reader may be unfamiliar It is a definitive and scholarly history in the style of many grammar school histories in Queensland Although it is not unknown for Australian public and private schooling it is unique for Queensland state schools By saying it is a definitive and scholarly history what is meant is not that the history is complete only that it reaches decisive conclusions in a substantive treatment In this particular case the historian is someone who has been trained at the level of a higher degree
