Pinkham,2019-07-26

One God or one with several forms Or maybe two three or perhaps many separate Gods If you seriously study all the Christian religions you will find that each of these possibilities is claimed That is one trouble with the Trinity there are just too many possibilities Which if any is right Which view does the Bible support And if it supports one view how strongly and in exactly what way The Trouble with the Trinity attempts to study every verse in God s Word that links a name for one or more members of the Godhead with a nearby word or concept for God Nearly a thousand verses meet this condition Collating them into logical categories reveals the eight and only eight possible ways and combinations that could help us understand that the Father Son and Holy Spirit is Three in One Moreover when the verses in each of these eight ways are further organized they provide deep insights into the nature of God And when the eight ways are woven together they reveal a startling symbol with relevance to Judaism Christianity Islam geometry and our neural network Furthermore these insights are reinforced through the symbolism of the colors used in the tabernacle when these colors are properly applied to the eight parts of the symbol The book incorporates mathematics and science especially the biological sciences written with plain language into the discussions of the Trinity Some of the proposed connections have never been posited elsewhere It also considers other symbols and icons of the Trinity for their ability to reflect aspects of the Triune Godhead The Trouble with the Trinity is not written for the theologian although it includes a section that presents a theological discussion of the Trinity Rather it is written for those who are curious about or confused by the Trinity For more information and to view Images About the book Appendixes and more as well as contact information please go to <https://www.thetwtt.com> You can also visit the author s Facebook page <https://www.facebook.com/TTWTTrinity> view\_public\_for\_100820838002256      *Dying to Tell You* Michael Hunter,2021-11-19 Jesus tells us that if one desires to be his disciple they must deny himself and take up his cross and follow me Mark 8 34 But what does it mean to take up your cross and how can we do this The apostle Paul said that he desired to know nothing except Jesus Christ and him crucified 1 Corinthians 2 2 and elsewhere even claimed to have been crucified with Christ Galatians 2 20 How can one join Paul and know Jesus in his Crucifixion The answer is to take Jesus at his word From the cross Jesus spoke seven times These sayings summarize the gospel and explain how we can know him in his Crucifixion On the cross Jesus was literally Dying to Tell You how his death fulfilled God s eternal plan for our redemption Unlike other studies of the last sayings of Jesus from the cross Dying to Tell You takes a new approach and views the sayings together as a whole revealing how together they form the foundation to understanding the gospel of Jesus Originally

motivated to seek a resolution to the dilemma of which saying is the last both Luke and John appear to report the last saying Dying to Tell You establishes a new order for the sayings based on a detailed examination and integration of the four Crucifixion narratives contained in the Gospels While each saying is individually examined rather than handling them as isolated statements Dying to Tell You demonstrates how these sayings comprise the final message of Jesus his sermon on the cross Along the way Dying to Tell You also provides assurance that the Bible can be trusted and is a historically accurate resource demonstrates that the cross is the centerpiece of redemptive history and illustrates how Jesus and the Crucifixion serve to fulfill the scriptures and provide for the salvation of mankind Dying to Tell You is nothing less than one disciple s spiritual awakening and quest to know Jesus Christ and him crucified through the sayings he made from the cross and gospel they proclaim

Daniel, R. J. Konczyk, 2022-08-01 Humanity is currently standing at the threshold of the Kingdom of God on earth promised by Jesus the Christ and brought to fruition through the Revelation of the second Advent of Messiah ben David Soon the winds of chastisement will blow fiercely across the land and all that was spoken by the Prophets of old will come to pass Civilization has become weighed down by the perversities of the human race Like a cancer prejudice greed self interests hatred and war have for too long spread its sores among the people dividing the human family and robbing the spiritual powers latent within Bent with despair the people of the world long for hope from under the corruption and unjust policies of those who have power and authority over them The people of the world are in need of the understanding of God's purpose for humankind as provided within His Covenant a Covenant given long ago unto Abraham The Covenant of God offers the reader a clear understandable and compelling look into the history of this Covenant It explains how this Covenant beginning with Abraham as a two part Covenant is fulfilled in our present age The hope for all humankind is our obedience to this Covenant of God and to Divine Law that in reality provides true freedom This essential fact for the peaceful co existence of all peoples and nations cannot be argued against by the philosopher politician or cleric

**Melchizedek & the Temple** R. J. Konczyk, 2008-11-24 The current world confusion and condition of human affairs is a natural phase within an evolutionary process that will ultimately lead to the unification of the human race into a single social order This process has passed through stages we should consider as being analogous to those of infancy and childhood and is now in the culminating period of adolescence approaching its long awaited coming of age an age of universal peace and justice This has been the promise given throughout all the major faiths of the world The social fabric of the world is out of balance and through Divine intervention nations will form together in a collective consciousness recognizing the need for a revolutionary shift of spirit to undertake those measures creating lasting harmony and peace Dr M Scott Peck speaks of world views as being religious To move away from war we must distinguish between true religions and false religions true prophets and false prophets and that truth in religion is characterized by inclusivity while falsity in religion can be detected by its one sidedness and failure to integrate the whole History clearly shows that some form of a universal legislative body is not only essential but also inevitable Such a system is not conceived from the mind of mortal man rather it is a Divine System that was set in motion over 6000 years ago The purpose in writing Melchizedek the Temple is to show the story of this evolutionary process a journey through time culminating with the promise of an earthly kingdom an all inclusive world government free from tyranny hate prejudice and war Melchizedek the Temple offers a practical and compelling alternative to antiquated ideas that in reality prevent humankind from achieving what it longs for universal peace and justice It is a
