Pocket Dolphin:

Pocket Dolphin Michael Twinn, Pam Adams, 1997 No child will ever be lonely with a Pocket Pal Pocket Pals are a great early reading resource full of real information about animals from all over the world Pocket Pals are appealingly shaped easy to keep clean and eminently collectable A sturdy die cut book just right for tiny hands and parents pockets each in the Pocket Pals series shows favorite animals and its activities The simple text and pictures make observations about each animal s most common characteristics

The Dolphin Among Orcas Tom Meinerz, 2016-10-24 This story brings to light a global problem that is right under our noses but almost invisible to our eyes A dolphin pod family has a very rare occurrence twin sister calves are born This is followed by another even rarer occurrence the birth of a malformed calf Courage was born with a malformed back and tail His birth brings first curiosity but then ridicule followed by bullying from others He and his mother had to travel behind the pod most often alone But Courage overcomes his limitations and instead turns them into an advantage This is an entertaining story where children become aware of a worsening global pollution problem for which their generation will find solutions The story addresses what bullying is and what may happen as a result It also shows how perceived limitations can become unique talents allowing for a successful life The story has one foot in a fanciful tale but the other foot is firmly planted in the real world with similar events happening in nature in the wilds

Our Dolphin Ancestors Frank Joseph, 2016-03-17 Reveals the shared ancestry behind our affinity with dolphins and our shared destiny Explains how we are both descendants of the aquatic ape and still share many physiological features with dolphins that set us apart from other primates Explores dolphins communication with other species and how dolphin therapy has miraculous effects on people with autism cancer stroke and depression Explores the connections between dolphins and Atlantis and Lemuria Wild animals avoid contact with humans but wild dolphins seek us out to play and socialize even going so far as to voluntarily rescue people from drowning What explains this remarkable natural affinity Revealing the evolutionary basis for our special relationship with dolphins Frank Joseph explains how we are both descendants of the same ancient branch of humanity Building upon the aquatic ape theory he details how we both began on land but devastating floods forced our distant ancestors into the seas where humanity developed many of the traits that set us apart from other primates such as our instinctive diving reflex and our newborns ability to swim But while some of the aquatic apes returned to land later evolving into modern humans some remained in the cradle of Mother Ocean and became our dolphin cousins Integrating scientific research on dolphin intelligence communication and physiology with enduring myths from some of the world s oldest cultures such as the Aborigines Norse Greeks and Celts the author examines our physical commonalities with dolphins including their vestigial thumbs and legs birth processes and body temperature He explores dolphins uncanny ability to diagnose disease such as cancer in humans and how dolphin therapy has had miraculous effects on children with autism victims of stroke and those suffering from depression He provides evidence for dolphins different attitudes toward men women and children their

natural affinity with cats and dogs and their telepathic communication with other species including ours He explores dolphins mysterious role in the birth of early civilization and their connections with the Dog Star Sirius and Atlantis and Lemuria a bond still commemorated by annual gatherings of millions of dolphins As Frank Joseph shows if we can learn to fully communicate with dolphins accessing their millennia old oral tradition we may learn the truth about humanity s origins and our shared future when humankind may yet again quit the land for a final return to the sea **Dolphin's Grace** Maggie Marks,2020-01-07

Follow along with brothers Mason and Asher in the third Aquatic Adventures in the Overworld book Brothers Mason and Asher have only ever known the comfort of dry land in the Overworld But when a terrifying shipwreck leaves them stranded their new friend Luna urges them to safe haven underwater In each story of the all new series for Minecrafters Aquatic Adventures in the Overworld this unlikely trio must make the choice of staying in the world they know best and risk death or voyaging into an unknown world where anything could happen Follow their journey as Mason Asher and Luna face incredible obstacles and discover strength they never knew they had in Aquatic Adventures in the Overworld When Asher doesn t return from his hunt for buried treasure Mason wonders what became of his brother Then Luna appears insisting that the pod of dolphins swimming nearby have a message for Mason Do they know where Asher is To find out more Mason and Luna have to first earn the dolphins trust But when danger strikes Mason wonders is it too late to save his brother and can he and Luna save the dolphins too Dolphin Dome Janys Mikel,2016-11-04
