and a heart and mind that is in alignment with the true lover of my soul I began to believe in love once again Assembled before you is a collection of poetic thought provoking poems that will surely pierce the deepest crevices of the heart It is my hope that you will find yourself once again believing in love No words can express how talented you truly are You make the words come to life Sends chills down my spine Benita M Yes sir Share the gift that God has given you You are a wordsmith and you have an uncanny control over language Thank you for allowing me to experience it Can't wait for more God Bless Brandon R Writing is inspirational It can carry us through pain and rejoice with us in times of happiness Matters of the heart is an example of such It allows you to explore your feelings and gives others the opportunity to take that journey with you Dana C Awesome man George T **Create Your Ideal Career** Steve Supple, **Moral Vision** Marvin Olasky, 2024-02-13 A man's character shows its stamp repeatedly during a career In The American Leadership Tradition Olasky has many lessons to offer For the cynical he reminds us that it is not true that they all do it as the lives of Andrew Jackson and Grover Cleveland can attest For the nostalgic he reminds us that there have been principled men like George Washington alongside unprincipled ones like Henry Clay from the beginning After reading this book it will be impossible to argue that John Kennedy's womanizing reflected a side of him that had absolutely nothing to do with his presidency or that Abraham Lincoln's rectitude was unconnected with his greatness Olasky shows that faithfulness in marriage may be no guarantee of faithfulness to the country but faithlessness is a leading indicator of trouble Leaders who break a large vow to one person find it easy to break relatively small vows to millions **A New Vision of God for the 21st Century** Stanley A. Fry, 2005-11 A New Vision of God for the 21st Century Discovering the Essential Wesley for Pastors and Other Seekers STANLEY A FRY The need for a book focused on John Wesley as a preacher has been apparent for some time However as fascinating as such an historical work would have been its value for the preaching and teaching ministries of the church in the 21st century would have been very limited The author has turned this study of Wesley's preaching into a search for the preachable and teachable essence of Wesley's message That effort has required a bit of surgery on Mr Wesley which is designed to fit his doctrine of salvation with a new vision of God and another vocabulary responsive to the spiritual sensitivities of the 21st century The result includes a critique not only of Wesley but of some of the orthodox doctrines promulgated very early in the church's history Rather than write a memoir in his retirement the author has chosen to write this homiletical essay as a testimony to his own spiritual journey It is not a method book but rather a message book **A Pocketful of Marbles** Michael J Armijo, 2010-08-24 *Songs of Life on Lifes' Terms* William Burke, 2022-12-16 Songs of Life on Lifes Terms By William Burke Poetry in song for the rest of us is the theme of Songs of Life on Lifes Terms It explores life situations that occur in most people's lives The poetry gets to the heart of everyday life in a way that everyone can relate to After reading this William Burke hopes the reader realizes that no matter how big their problems may be they are not alone Pocketful of Sunshine, Sorrow and Schism Harshita Kumari, 2022-04-01 What knocks some nights on my door is my
