Power In The Pulpit How Americas Most Effective Black Preachers Prepare Their Sermons:

Power in the Pulpit Cleophus James LaRue, 2002-01-01 In this book scholar and preacher Cleophus J LaRue brings together the voices of twelve of America's most influential African American preachers Each of these renowned preachers describes his or her method of sermon preparation and includes a sample sermon for illustration An excellent how to manual for pastors and students Power in the Pulpit is both sage wisdom on the art of preaching and an inspiring look at some of the most prominent figures in the black church More Power in the Pulpit Cleophus J. LaRue, 2009-04-20 In this companion and sequel to the best selling Power in the Pulpit 2002 which has sold over 11 000 copies more of America's best known and most influential African American preachers describe how they go about preparing their sermons Each preacher also presents a sermon that highlights his or her particular method of sermon preparation This book is an excellent how to manual for pastors and students presenting sage advice and wisdom on the art of preaching and an inspirational look at the work of some of the most prominent figures in the life of the black church The Heart of Black Preaching Cleophus J. LaRue, 1999-11-01 Cleophus LaRue argues that the extraordinary character of black preaching derives from a distinctive biblical hermeneutic that views God as involved in practical ways in the lives of African Americans This hermeneutic he believes has remained constant since the days of slavery LaRue analyzes the distinct characteristics of African American preaching and brings the insights of both theory and practice to bear on this important subject matter **From Pew to Pulpit** Clifton F. Guthrie, 2010-11-01 A down to earth practical introduction to the ins and outs of preaching for lay preachers bivocational pastors and others newly arrived in the pulpit Recent years have seen a considerable increase in the amount of financial resources required to support a full time pastor in the local congregation In addition large numbers of full time seminary trained clergy are retiring without commensurate numbers of new clergy able to take their place As a result of these trends a large number of lay preachers and bivocational pastors have assumed the principal responsibility for filling the pulpit week by week in local churches Most of these individuals observes Clifton Guthrie can draw on a wealth of life experiences as well as strong intuitive skills in knowing what makes a good sermon having listened to them much of their lives What they often don't bring to the pulpit however is specific detailed instruction in the how to's of preaching That is precisely what this brief practical guide to preaching has to offer Written with the needs of those for whom preaching is not their sole or primary occupation in mind it begins by emphasizing what every preacher brings to the pulpit an idea of what makes a sermon particularly moving or memorable to them From there the book moves into short chapters on choosing an appropriate biblical text or sermon topic learning how to listen to one's first impressions of what a text means moving from text or topic to the sermon itself while keeping the listeners needs firmly in mind making thorough and engaging use of stories in the sermon and delivering with passion and conviction The book concludes with helpful suggestions for resources including Bibles commentaries other print resources and websites **Life-Situation Preaching for African-Americans**

Willie J. Newton Jr.,2019-12-17 The book benefits anyone who desires an approach to preaching that gets at listeners felt needs What we have been taught about preaching and our chosen approach to preaching may not serve us or our listeners well Thus the preacher s fidelity to an ineffective approach to preaching lies at the heart of the problem This book helps preachers resolve this issue with life situation preaching an approach that begins with listeners needs Herein readers will experience the power of life situation preaching to address the spiritual and practical problems challenges struggles and unique experiences African Americans face daily

Voices in the Wilderness John L. Thomas Jr.,2018-01-30 FINALLY a scholarly description of the development of Black preaching in the United States that is accessible to the average reader but also contributes to the academic conversation about both style and theological content Written from the perspective of a seasoned practitioner and tenured practical theologian Thomas surveys Black preaching as it has responded to various social and historical time periods Starting with the brutality of chattel slavery early formations in segregated Southern life rapid migration to and urbanization in Northern cities and various events throughout the post civil rights era the book gives convincing details and examples of how the Black preacher helped to guide and sustain the masses of African American people through the wilderness of social change At the heart of the book three prime examples are presented as models of the real genius of Black preaching The reader will never again think about Reverend Martin Luther King Jr Malcolm X and the Reverend Jesse Jackson in the same way A special chapter is devoted to the contributions of Black women preachers along with a closing chapter that makes new proposals for the future The book is a provocative and critical analysis of why Black preaching still matters

The Reading and Preaching of the Scriptures in the Worship of the Christian Church, Vol. 7 Hughes Oliphant Old,2010 The Reading and Preaching of the Scriptures in the Worship of the Christian Church is a multivolume study by Hughes Oliphant Old that canvasses the history of preaching from the words of Moses at Mount Sinai through modern times In Volume 1 The Biblical Period Old begins his survey by discussing the roots of the Christian ministry of the Word in the worship of Israel He then examines the preaching of Christ and the Apostles Finally Old looks at the development and practice of Christian preaching in the second and third centuries concluding with the ministry of Origen

Preaching with Sacred Fire: An Anthology of African American Sermons, 1750 to the Present Martha Simmons, Frank A. Thomas,2010-08-16 One hundred sermons that display the victorious although sometimes painful historical and spiritual pilgrimage of black people in America A groundbreaking anthology Preaching with Sacred Fire is a unique and powerful work It captures the stunning diversity of the cultural and historical legacy of African American preaching more than three hundred years in the making Each sermon as editors Martha Simmons and Frank A Thomas reveal is a work of art and a lesson in unmatched rhetoric The journey through this anthology which includes selections from Jarena Lee Frederick Douglass Malcolm X Martin Luther King Jr Gardner C Taylor Vashti McKenzie and many others offers a rare view of the unheralded role of the African American preacher in American history The collection provides new insights

into the underpinnings of the black fight for emancipation and the rise and growth of the Civil Rights and Black Power movements Sermons from the first decade of the twenty first century point toward the future of African American preaching Biographies of the preachers put their work in the cultural and homiletic context of their periods The preachers of these sermons are men and women from a range of faiths ancestries and educational backgrounds They draw on a vast and luminous landscape of poetic language using metaphor rhythm and imagery to communicate with their congregations What they all have in common is hope resilience and sacred fire Even during the most difficult and oppressive times Simmons and Thomas write in the preface the delivery creativity charisma expressivity fervor forcefulness passion persuasiveness poise power rhetoric spirit style and vision of black preaching gave and gives hope to a community under siege This magnificent work beautifully renders the complexity spiritual richness and strength of African American life

Down Deep in My Soul Nutt, Maurice J., CSsR,2023-03-02 A comprehensive treatment of preaching in the Black Catholic tradition

I Believe I'll Testify Cleophus J. Larue,2011-01-01 Cleo LaRue is one of the best loved preachers and writers about preaching In past volumes he has brought together great collections of African American preaching to showcase the best preaching from across the country Here he offers his own insights into what makes for great preaching Filled with telling anecdotes LaRue's book recognizes that while great preaching comes from somewhere it also must go somewhere so preachers need to use the most artful language to send the Word on its journey

A Sermon Workbook Leonara Tubbs Tisdale,Thomas H. Troeger,2013-10-15 Both experienced and novice preachers need a new approach for sermon development skill building A Sermon Workbook offers a unique and flexible resource that is instantly accessible and useful for anyone tasked with the proclamation of the Word The workbook format can be used in a linear fashion beginning to end Or readers can pick and choose the chapters to tailor fit their own needs In either case readers build skill upon skill working through inventive and engaging exercises first developed and taught at Yale Divinity School The book addresses the skills and arts that are essential for effective preaching in our multi tasking multi ethnic sound bite society It offers theological clarity about why we preach and what matters most The creative collaborative and charming authors present the principles as they do in their classroom in two voices one male and one female with the two complementing and supporting one another

Applying the Sermon Daniel Overdorf,2009-08-28 Finally a tool to help Pastors shape applications that so many congregations have long desired Even the most seasoned homileticians balk at sermon application Why Because application requires preachers to toss a grenade like thus saith the Lord into people's lives and to do so repeatedly From the introduction Despite the concern many pastors feel when it comes to sermon application most homiletics texts devote little more than a chapter if that to this vital topic Daniel Overdorf has filled this glaring gap with Applying the Sermon This book equips preachers to develop sermon application that grows from the biblical text and addresses the needs of contemporary congregations Each chapter includes snippets of interviews with five of today's most respected homileticians Haddon Robinson Will Willimon Tom Long Vic Pentz

and Bob Russell A great addition to any pastoral library and a valuable resource for Bible college and seminary courses Overdorf s Applying the Sermon also includes an extensive bibliography and a sermon application worksheet to give pastors a chance to acquire hands on experience with these techniques **Practicing the Preaching Life** David B.

Ward,2019-03-19 Preaching is a way of life that can be beautiful and good however It can also be anxious self focused and destructive Preachers and teachers of preaching need a holistic view of preaching that not only paints the way to good preaching but also to good living They need a comprehensive practical theology of preaching that combines the why and the what with the how and whom of preaching Practicing the Preaching Life unites Christian practices contextual virtues and the best of homiletical pedagogy to pave the way to a beautiful preaching life Preaching is best learned as a formative Christian practice embedded within a web of other Christian practices that form a way of life from which great sermons emerge Therefore preaching requires not only a way of speaking well but also a way of living well This embedded nature of preaching requires the enrollment of Christian practices in the formation of the preacher and the pursuit of contextual virtues for preaching that avoid cultural relativism on the one hand and cultural imperialism on the other These requirements lead to a new vision for the preaching classroom the rhythms of the preaching life and the definition of what it means to be a good preacher

Preaching and Music Catherine E. Williams,2025-03-31 In the current conversation around what makes preaching compelling Williams voice is distinct compelling sermons allow music to do its share of the preaching as only music can Whether through musically book ending the sermon drawing on popular music for illustrations or turning a hymn into a series of mini sermons this volume explores several accessible ways to enrich sermon preparation and delivery by partnering sermon and song Williams is a worthy guide with degrees in both church music and homiletics and with sensitivity drawn from her pastoral background With insightful clarity and practiced wisdom she engages both preachers and musicians in each chapter This book is a rich resource for the homiletician s syllabus the preacher s bookshelf and the music minister s library

Spirit Speech Dr. Luke A. Powery,2010-10-01 That the Holy Spirit is present in preaching is something we take for granted How the Spirit is present is a question we seldom ask Luke Powery suggests that we fail to ask that question to the detriment of our preaching Drawing on the tradition of African American preaching he locates the Spirit s activity in the sermon in two primary places First in celebration the joyous acceptance of God s gifts to the church and to the world But equally as powerful is the expression of lament the lifting up of our sorrow grief and suffering In these two experiences the Spirit plays the decisive role enabling the preacher to lay the congregation s joys and sorrows at the feet of the living God and announcing God s presence in both our celebration and our lament *The Future Horizon for a Prophetic Tradition*

David L. Everett,2017-03-20 In this book David Everett examines how Church has changed throughout a modern postmodern context Everett explores how social gospel dimensions and prophetic radicalism have diminished in a way that it might reestablish itself as a pillar in the community through a retrieval of its prophetic voice and social gospel roots so that it to

might be missional minded and civically engage Everett anticipates that this perspective will assist the Black Church in the reclamation of its heritage by confirming its purpose and affirming its position within the missional context that God has placed it

Stand-Up Preaching Jacob D. Myers, 2022-10-06 Few vocations share more in common with preaching than stand up comedy Each profession demands attention to the speaker's bodily and facial gestures tone and inflection timing and thoughtful engagement with contemporary contexts Furthermore both preaching and stand up arise out of creative tension with homiletic or comedic traditions respectively Every time the preacher steps into the pulpit or the comedian steps onto the stage they must measure their words and gestures against their audience's expectations and assumptions They participate in a kind of dance that is at once choreographed and open to improvisation It is these and similar commonalities between preaching and stand up comedy that this book engages Stand Up Preaching does not aim to help preachers tell better jokes The focus of this book is far more expansive Given the recent popularity of comedy specials preachers have greater access to a broad array of emerging comics who showcase fresh comedic styles and variations on comedic traditions Coupled with the perennial Def Comedy Jams on HBO preachers also have ready access to the work of classic comics who have exhibited great storytelling and stage presence This book will offer readers tools to discern what is homiletically significant in historical and contemporary stand up routines equipping them with fresh ways to riff off of their respective preaching traditions and nuanced ways to engage issues of contemporary sociopolitical importance

Another World is Possible Dwight N. Hopkins, Marjorie Lewis, 2014-12-18 Another World is Possible examines the many peoples who have mobilized religion and spirituality to forge identity Some claim direct links to indigenous spiritual practices others have appropriated externally introduced religions modifying these with indigenous perspectives and practices The voices of Black people from around the world are presented in essays ranging from the Indian subcontinent Japan and Australia to Africa the UK and the USA From creation narratives to trickster heroes from the role of spirituality in HIV positive South Africa to its place in mental health and among the poor spirituality is shown to be essential to the survival of individuals and communities

Broadening the Contours in the Study of Black Politics Aaron Wildavsky, 2017-07-05 Broadening the Contours in the Study of Black Politics volume 17 of the National Political Science Review NPSR is divided thematically into two books available separately or as a set The first concentrates on the institutional aspects of Black politics The second book addresses various dimensions of social capital that constitute the fundamental building blocks of Black politics Each contains peer reviewed articles a symposium section and book reviews as well as other featured sections Together these books build on the previous NPSR volume Black Women in Politics The symposium in Volume 17 1 examines the struggle of Black women both in the political science discipline and in getting their work published In the symposium section of Volume 17 2 members of the National Conference of Black Political Scientists carry on a revealing conversation about the dilemmas of professional life for Black women in political science The set also contains a section called Trends which offers data to use as starting points

for discussions in teaching on professional panels or in the mass media regarding the new versions of the Voting Rights Act after the Shelby County v Holder decision of 2013 Both volumes 17 1 and 17 2 contain rigorously vetted articles on significant themes in the study of Black politics This set represents the most recent offering in the distinguished National Political Science Review series *Changing Church* Jann Aldredge-Clanton, 2011-11-01 Through the fascinating stories of pioneering ministers this book reveals a unique picture of progressive changes occurring in the Christian tradition Meeting challenges and overcoming obstacles these twelve diverse ministers are changing the church as they take prophetic stands on gender race interfaith cooperation ecology sexual orientation economic opportunity and other social justice issues Believing in the power of sacred symbolism to shape social reality and to provide a foundation for justice and freedom for all people these ministers lead worship with inclusive language and imagery for humanity and divinity They include multicultural female and male images of the Divine Their stories affirm the connection between this expansive theology and an ethic of justice and equality in human relationships In working from within to change the church these ministers have risked censure by denominational authorities loss of opportunities for promotion to larger congregations or to prestigious denominational positions and even loss of their jobs They have found creative ways to balance advocating for change and working to support the church using their positions as ordained clergy to bring liberating change to the church and the wider culture
