Moore, 2007-02-26 *The Power to Curse or Bless Others* is the second book in a continuing series on Christian conduct by William Derrick Moore This book provides insight into the very nature of evil demonic beings and our own contributions to what we have come to know as evil It also takes a look at a realm of evil that many Christians fail to see or acknowledge Once an understanding is reached on all the sources that can influence what we perceive as demonic activity or evil we have an opportunity to change our role in the process of being a curse or a blessing to others An important variable in understanding the problem of evil is the rejection of one of God s greatest commandments love In rejecting this commandment it changes the potential and capacity to extraordinarily bless someone into the potential and capacity to extraordinarily curse someone A central theme in this book is God s gift of free will and volition to his creations both human and angelic God has given us all the power to bless or curse others Misusing this gift and power from God constitutes evil *The Power to Curse or Bless Others* takes a deeper look into the major causes of evil and it also provides insight and understanding of God s true role in allowing evil to continue in the world **Power Prayers to Bless Your Heart** Compiled by Barbour Staff, 2014-05-01 Prayer opens

WORLD, 2025-08-27 The power to recreate your world rests within you not with God God has already done everything necessary for us to live in continuous victory Yet many people around the world still struggle to understand how to bring real change into their lives Every believer in Christ has the power and authority to make dynamic changes The true force of our thoughts and words however remains a mystery to most There is a divine energy behind understanding what our thoughts and words truly mean and how they shape our lives Throughout my study of this subject I have explored both secular and biblical perspectives The Bible however reveals the clearest truth our thoughts and words are powerful forces They can either create success or invite failure Whatever dominates your mind and lips will eventually manifest in your life This book will help you understand that your words and thoughts are creative forces Consider how many of your thoughts are negative creating problems you don't want And how many are positive attracting blessings and favor Often we use this power against ourselves without realizing it *The Prosperity Secret of the Ages* Catherine Ponder, 2016-06-17 You Can Have Everything
