Practical Discipleship:

Here's How Lee Brown,2013-06 How many times have you been told you should do some particular thing in your walk with Christ But has anyone ever taken the time to show you how We often feel guilty when people tell us we should be walking closer with Jesus because we simply don't know what that looks like in a real and practical sense In this book you'll find twelve practical lessons that cover what many consider to be the basics of truly following after Christ Rather than beat you over the head this work will actually show you the all important steps it takes to get closer to God and reveal the even more important reason that sits behind it all Whether you've been following Christ all your life or you're just taking your first steps Here's How will show you the path to true discipleship **Practical Discipleship** Zac Poonen,2002 **As You're Going** Brett Harig,2018-08-07 If you have a passion for making disciples and don't know where to start this book puts in simple terms where to start From learning and teaching to love As You're Going goes through simple and practical teachings to make disciples If you're interested in making your everyday life a call to make disciples As You're Going will be a great book for you **A Practical Discipleship Model That Fosters Spiritual Maturity** Owar Ojha Ojulu,2023-11-09 Jesus challenges us to live in him and continue living out the truth so that we claim our allegiance to Christ and live as disciples free from fear and from cultural customs that contradict the gospel message This project has found that the lack of discipleship training among the Anyuwaa churches has resulted in a lack of understanding of what this ministry entails teaching and making disciples In addition failure to embed elements of the Anyuwaa culture into the discipleship approach and the persistence of certain elements of Anyuwaa life that run counter to gospel beliefs has inflamed this crisis Therefore this book presents a call for the church to challenge the culture of syncretism and the fear of witchdoctors to shift its paradigm and begin interpreting the gospel message utilizing contextual elements but interpreting them through the lens of the gospel calling people to embrace gospel values within their own cultural context When we start interpreting strong cultural beliefs and traditions through the truth of the gospel it is proof that we have come to the best discipleship approach as we speak the truth of the gospel in the life of our church and the hearts of our believers **Christian Growth from A to Z** Doug Lowery,2015-07-08 This thorough and biblical discipleship manual will prove to be practical and edifying to those who are new believers and will challenge those who have known Christ longer to go forward to greater Christ likeness and spiritual maturity These four biblical alphabets can be used in many settings personal study one on one discipleship small groups Sunday school class curriculum and Christian school and home school Bible study material Christian Growth from A to Z is a wonderful help to lead a Christian from salvation to maturity in Christ This is an excellent help for those mentoring new converts or students in Sunday school and other class settings I especially appreciate the focus on knowing God and His attributes It is evident that this work comes out of the many needs that Brother Lowery has seen after many years of ministry Dr Les Ollila Chancellor Northland Baptist Bible College *The Practical Discipleship Training Manual* Decal

Strawser,2023-04-26 The church often lacks maturity and missional impact because discipleship is at its periphery To get discipleship to the center leaders need a locally rooted culturally contextual discipleship pathway This gutsy practice based guidebook is for leaders doing the hard work turning spectators into missional mature followers of Jesus **Optimal Discipleship** Neil Thomas DeSiato,2025-06-26 The apostle Peter in his second epistle tells us that God's Word and promises are given as we encounter the revelation of Jesus Christ His promises are unveiled when we experience His glory and goodness In these moments Jesus the divine catalyst implants His promises in our hearts like seeds designed to grow and produce His life within us just as a natural seed grows in the soil to reproduce its life As the character of Christ develops within us the living Word works in us washing cleansing and pruning us from the filth of this world transforming and conforming us into His divine nature This ongoing transformation both powerful and hope filled encourages us to remain committed and dedicated to our spiritual journey and inspires others to follow Christ Gospel-Centered Discipleship Jonathan K. Dodson,2012-03-31 Reflecting on the practice of disciple making in young adult college graduate and local church contexts Jonathan Dodson has discerned some common pitfalls For many discipleship is reduced to a form of religious performance before God For others it devolves into spiritual license and a loose adherence to spiritual facts Both approaches distort biblical motivations for Christian obedience and are in need of reform By explaining

various motivations for discipleship Dodson charts a biblically faithful grace driven alternative Additionally he provides a practical model for creating gospel centered discipleship groups small reproducible missional gender specific groups of believers that fight for faith together This book blends both theology and practice to inspire and equip Christians to effectively fight sin keep Jesus central and make gospel centered discipleship a way of life Both new and growing Christians will learn to trust the gospel in community as they fight together for holiness as well as how to start gospel centered community groups in any local church

Discipleship in Education Joseph Allotta, 2018-02-08 Students are often tested to evaluate their academic knowledge but few Christian schools use objective measures to determine if a student has become a true disciple of Christ Unfortunately there are few organizations that provide metrics for measuring biblical knowledge let alone any sort of comparative evaluation of students engaging in the Christian disciplines forming a biblical worldview or actually being impacted spiritually by the programs of the school No matter whose statistics one chooses to believe the inescapable truth is that the church is losing its young men and women at an alarming rate once they graduate from high school The solution to this problem is simple but increasingly difficult to solve with each passing year Discipleship is what is needed for young people to truly identify who they are in Christ so that they can begin to develop godly habits and ultimately grow in their knowledge faith and desire to serve the Lord and his Kingdom Christian schools have some particular advantages in the area of discipleship however their full potential is at the moment untapped Discipleship in Education is about preparing everyone from administrators teachers pastors and parents to be ready to unleash that potential
