Pastor Sharon Gamit

Lord Of Life:

The Lamb's Book of Life Carl Brice, 2008-09 This sensational book written by Carl Brice will edify your spirit concerning the will of God The Bible teaches us that we are destroyed for lack of knowledge Therefore through knowledge and faith in the risen Savior you can be certain that your name will appear in the Lamb s Book of Life This wealth of information compiled together is designed to draw souls closer to God Our Heavenly Father demonstrated great love for his creation when he gave his only begotten Son Jesus to be a living sacrifice for a sinful world There is no other form of worship known to man that imparts this type of unconditional love Therefore we should be extremely grateful for the priceless gift of salvation God has given us The Lamb s Book of Life contains the necessary information which will illuminate the path to eternal life in Christ Jesus To the one who accepts the redemption of the Lord the same will find their name written in the Lamb s Book of Life [www EdifyYourSpirit com](http://www.EdifyYourSpirit.com)

DILEMMA OF LIFE-DEATH, FATE AND MIRACLES Dr. Muhammad Shoaib Shahid, 2025-10-13 Due to the impact of capitalism abrupt global changes are emerging in human life Irrespective of age race gender or social ranks everyone is under spell of temptation and rivalry to proceed ahead for hoarding maximum in minimum time through fair or foul sources As a result the new generation is at stake because parents avoid taking the serious psychological responsibility of providing love security respect belongingness and appreciation for developing an integrated personality as a citizen People are enchanted under temptation and competition so religious rule as well as moral ethical values and mannerism are at stake This trend has gained global momentum so the underdeveloped countries are equally affected and their lifestyles political social and religious authorities are at the mercy of this trend Job markets and local politics are indirectly under the grip of the super powers who have hampered peace and triggered psychological sufferings In fact there is a precise social moral derailment and variant complicated mental health problems are triggering So it is an alarming dilemma for human beings

The Celebration of Life Rev. Fr. Dr. Alphonsus E. Obi, 2024-05-24 Why celebration of Life It is called celebration of life in recognition of a departed member of our community and all the children of God in this world who left this world to join the creator in Heaven Whether it is called wake or wake keeping all gears towards the provision of a service prior to burial in a social gathering Traditionally this is done at the home of the deceased with the body present Recently wakes are often performed at a funeral home or at a hall preferably chosen by the members of the deceased family It is often a social rite which highlights the fact that the loss affects the whole group The term wake originally referred to a late night prayer vigil which is mostly used for the social interaction While this modern usage of the verb wake means to stay alert A wake for the dead harks back to the vigil watch or guard of earlier times It is a misconception that people at wake are waiting in case the deceased should wake up The term wake originated from the Middle English waken

Principles of Life Travis G. Roberson, 2018-10-16 Principles of Life provides the tangible leadership and guidance you must use daily especially when confronted with situations and circumstances that may tempt

you to choose the easy way out The easy way out always leaves you vulnerable to grief shame hurt and despair This choice will always act like a boomerang leading you back to the life you are trying to leave behind These rules alone however do not cause you to obey the principles you follow these principles because you trust God s Word That is the Key This book is based entirely on God s Word I speak from personal experience These principles have become my lifestyle and I am so very grateful that I was able to use them to strengthen me and deliver me from prison They have blessed me to reach out to other people everywhere

The Story of Life Kevin Everett FitzMaurice,2018-11-25 Read The Story of Life to Discover Why however the basics are reliable and true and have not changed for many years Those who are able to see beyond the shadow and lies of their culture will never be understood let alone believed by the masses Plato **Book of Praise. For the Sunday School, with Hymns and Tunes Appropriate for the Prayer Meeting and the Home Circle** George A. Bell,Hubert Platt Main,2024-06-06 Reprint of the original first published in 1876 **The True Foundation of Life** Pastor Sharon Gamit,2015-08-12 All over the world a common question being asked by all is Does God really love me People often feel

rejected and are terrified of God There is bitterness in their hearts toward God and so they avoid coming to Him Yet the real reason is we are not truly aware of His love Often we try to measure Gods love with the standards of human love We ask questions such as If God loves me then why I am hurting Why have I lost my job Why is my marriage breaking Why I am suffering with deadly sickness Why is this happening to me Why holocaust sudden death loss due to natural calamities 9 11 and shootings in schools Then we always try to see where God is in that situation and we feel that if God loves me why did I get hurt Does God still love me when I sin People all over the world are too guilty of what they have done or are still doing This guilt leads them to stay away from God since they think God is not going to accept them because of what they have done This book is a fresh new revelation of God to answer the questions of your life [The Revival of Atumism: The Ancient Egyptian Religion Part 1](#) Mostafa Elshamy,2021-09-19 The word Atumism derives from Atum the manifestation of the All Lord in creating the sphere of earth and the creature Adam The words Atumian and Atumianity addressed here by the meaning of Human and Humanity are derived from Atum who is Adam In the Egyptian literature there is a thin line that differentiates Atum and Atum Why denominate the Egyptian Religion by the term Atumism The answer is found in multitude of diverse notions embedded in the Egyptian speech and makes the term in its profoundness the most right for a religion that has been of divine revelation millennia ahead of A D This book is a fusion of the earlier research titled Ancient Egypt The Primal Age of Divine Revelation Volume I and II

Hymns Without Music* William MERCER (M.A.),1863 **Winds of Desolation** Karen Lykkebo,2022-09-15 The world is broken In a moment of desperation Storm claimed the power of the Spirits stopped Earth from moving and vanished leaving her uncle Mareau to pick up the pieces of Litterra Stepping up as Lord of Winds ruler of Litterra he struggles to retain peace and hope as the Ancient Prince Panmar plots for his demise However earnestly fighting for his legacy and to redeem his mistakes Mareau s inner battles may be a foe too great for him to overcome as the ghosts of his past refuse to let go Meanwhile Storm has taken refuge deep in the mountains the shame of her failed mission and loss of her brother Gust having consumed her Determined to put things right she must first resume her identity and arm herself and Mareau with the rage of Life and the power of the Wind if they are to win against their immortal enemy But can Storm and Mareau use each other s strengths to rise above their ancestors or is the gusting Wind taking its final breath *Embracing Life Again After the Death of a Spouse* Dr Anniekie Ravhudzulo,2011-01-12 When someone we love dies our whole world is knocked off balance One of the most common and yet difficult feelings you experience is isolation It seems no one understands what you are going through And many of us are so busy you dont take the time to fully grieve and therefore heal from your losses It is very true that people who are grieving often feel extremely tired because the process of grieving usually requires physical and emotional energy The grief you are feeling is not just for the person who died but also for the unfulfilled wishes and plans for the relationship with the person Death often reminds most of the people of past losses or separations Remember there are a number of conditions that can make it harder for you as a person to successfully make it through the grief process For example sudden losses are harder to deal with than ones that have been anticipated With anticipated losses the knowledge that a loss will

occur allows people to prepare both by feeling grief before the fact of the loss and also by planning ways to minimize the negative impact of the loss when it does occur The loss of a spouse lover child parent or best friend is usually more deeply felt than the loss of more distant relations and friends This is because such central relationships have long and deeply felt histories and an intensity of attachment that does not occur with more distant relationships Central relationships are more deeply and significantly knitted into the grieving persons sense of self and thus leave a bigger hole in the grieving persons sense of self when they are lost I discovered that when things are going badly whether in the family or work environment most of us strive mightily to improve our situations But what if the way to overcome a series of losses and failures is just to sink into them We all go through trials and tribulations Everyone has difficult situations in their life It is the way we look at them and the way we handle those situations I believe it is the struggle we must endure to gain the strength needed to break through the barriers With every victory comes the strength we need to overcome the obstacles and move forward Most people today give up easily because of what you may call emotional downturn This book in your hand has been written and carefully thought out with you in mind It has been written to bring you out of your sociological pit and emotional defeat I therefore gladly recommend this book to your reading that you may be built in His grace I believe that God will never give you more than you can handle You often wonder how some people cope with their situations in life I often hear people saying I don't think I could deal with that but we don't know what strength lies within us until the time comes to face the challenge The harder the struggle the sweeter the victory No test no rewards

The Road of Life David Adam, 2004-12 In his thirteen years as Vicar popular author David Adam welcomed over 1 million pilgrims to the Holy Island of Lindesfarne in Northumberland Each pilgrim had a story to tell and each came for a different reason Some radiated a sense of God's presence and others were simply too hurried to do anything but look around quickly and move on to the next site Using the stories of pilgrims Adam encountered on Holy Island he explores how we can approach our own lives as pilgrimage without ever leaving the comfort of our homes How can we move beyond what is safe in our world and encounter the Mystery How can we learn to disconnect from all the technology that keeps us multi-tasking all day and all night How can we rediscover awe in the world around us In the wonderful prose and poetry for which he is so well loved David Adam helps us get on the road of life even when we don't have time to travel to distant lands
