Lord Is This A Psalm:

The Lord of the Psalms Patrick D. Miller, 2013-11-04 In seven readable chapters renowned scholar Patrick D Miller delves into the biblical book of Psalms Miller explores what the psalms can teach us about God our relationship to God and what God wants for us He tackles over a dozen of the most beloved psalms that explore themes of God s existence creation and redemption praise and thanksgiving and grace mercy and justice He approaches the material in various ways sometimes focusing on what a particular psalm can tell us other times examining one theme that flows through several psalms Miller offers a fresh reading of the psalms that will help the reader better understand God in worship and prayer Praying the Psalms of Jesus James W. Sire, 2009-09-20 At key moments in his life on earth Jesus Christ the very Son of God turned to the Psalms for words to express his deepest thoughts and emotions It is not hard to imagine Jesus his mind and heart saturated with the words and thoughts of the Psalms as they were prayed aloud in the Temple going off early in the morning to pray How much must he have mouthed the words of the Psalms and given them a fulfillment They became his answering speech to his heavenly Father In these pages you will discover how the psalms that relate closely to the mission of Jesus can also become our answering speech We will begin our journey into the mind of Christ by immersing ourselves in several psalms which Jesus himself refers to and fulfills And then in the second half of the book we will immerse ourselves in psalms that Jesus would have meditated on during his time on earth focusing on the heart and mind of Jesus as he prayed the psalms Structural analysis of each psalm will help us grow our ability to read the Psalms The guided personal prayer liturgy with each chapter will help us go deeper in the experience of praying the Psalms Through these psalms we will discover more of the human life of our Lord and Savior And in the process we will discover more of who we are as we come before our holy God Also included a group discussion and prayer experience to accompany each chapter **A Commentary on the Book of Psalms** George Horne (Bishop of Norwich.), 1848 **Psalm 23** M.A. Benjamin, 2011-05-20 Psalms 23 also referred as The LORD is My Shepherd in pictures for our small children to better understand that the LORD our GOD is constantly caring and providing for us on a daily basis including us adults even though at times we fail to thank HIM for it KJV Mark 10 14 quotes our Lord Jesus Christ telling His disciples Suffer the little children to come unto me and forbid them not for such is the kingdom of GOD It is up to us to teach our children about God and our Lord Jesus Christ we can t leave it up to others to teach them It needs to be taught to them when they re young so that they have something to remember when they need it I pray my books minister to you as you minister to the children Always remember nobody is perfect but Jesus Christ The rest of us are all just a work in progress M A Benjamin has worked with children for several years She was inspired to write books that can enable small children to learn about GOD and what our LORD Jesus Christ did for us all Wilma McDaniel resides with her loving family She has a kind giving and loving personality She loves all children and as any Grandmother with lots of love she completely dotes on her grandchildren Singing with Jesus Kurt C. Schaefer, 2018-03-16 We shouldn t be too

surprised if Jesus the Son of David was also a song writer The Lord s Prayer is a psalm and reading the prayer as a psalm opens up its meaning To read the Lord s Prayer as a psalm you have to be able to read a psalm as a psalm So this book is first of all an adventure in reading the Bible s poetry the psalms of course but also much of the prophets testimony The Old Testament s poetry is rich in themes important to the Lord s Prayer heaven and earth kingship and covenant prophetic teaching and repentance priesthood and redemption Jesus brilliantly brings these strands together in the prayer through which he taught his disciples to pray Much richer than a laundry list of petitions the prayer beautifully affirms the counter cultural kingdom of the only true God It commits us to merciful behavior and full dependence upon and contentment with God s provision The prayer is a plea that the rift between God s authority and this earth would be healed all organized around images of Israel s experiences in the Exodus
