Lord Libertine:

Lord Libertine Gail Ranstrom, 2007-10-01 The seduction of Lady Lace Bored with his dissolute life Andrew Hunter craved a new diversion And one presented itself in the form of the mysterious Lady Lace Her practiced flirtations branded her an experienced woman but her bewitching kisses spoke of innocence and purity Lord Libertine set himself to seduce the truth from her But the notorious rakehell was not prepared for the answers he gained And in discovering the lady s secrets he endangered his own heart *Lord Libertine* Anthony Esler, 1976 [Dangerous Women, Libertine Epicures, and the Rise of Sensibility, 1670-1730](#) Laura Linker, 2016-05-13 In the first full length study of the figure of the female libertine in late seventeenth and early eighteenth century literature Laura Linker examines heroines appearing in literature by John Dryden Aphra Behn Catharine Trotter Delariviere Manley and Daniel Defoe Linker argues that this figure partially inspired by Epicurean ideas found in Lucretius s *De rerum natura* interrogates gender roles and assumptions and emerges as a source of considerable tension during the late Stuart and early Georgian periods Witty and rebellious the female libertine becomes a frequent satiric target because of her transgressive sexuality As a result of negative portrayals of lady libertines women writers begin to associate their libertine heroines with the pathos figures they read in French texts of sensibility Beginning with a discussion of Charles II s mistresses Linker shows that these women continue to serve as models for the female libertine in literature long after their reigns at court ended Her study places the female libertine within her cultural philosophical and literary contexts and suggests new ways of considering women s participation and the early novel which prominently features female libertines as heroines of sensibility [Libertine's Kiss](#) Judith James, 2010-08-01 Abandoned by his cavalier father at a young age William de Veres grew up knowing precious little happiness But William has put the past firmly behind him and as a military hero and noted rake he rises fast in the ranks of the hedonistic Restoration court Though not before he is forced to seek shelter from a charming young Puritan woman The civil wars have cost the once high spirited Elizabeth Walters her best friend and her father leaving her unprotected and alone She flees an unwanted marriage seeking safe haven but what she finds is something she never expected When her kindness and her beauty bring her to the attention of William and then the king she will have a choice to make After all can a notorious libertine really be capable of love

[The Libertine's Friend](#) Giovanni Vitiello, 2011-08-15 Delving into three hundred years of Chinese literature from the mid sixteenth century to the mid nineteenth *The Libertine s Friend* uncovers the complex and fascinating history of male homosexual and homosocial relations in the late imperial era Drawing particularly on overlooked works of pornographic fiction Giovanni Vitiello offers a frank exploration of the importance of same sex love and eroticism to the evolution of masculinity in China Vitiello s story unfolds chronologically beginning with the earliest sources on homoeroticism in pre imperial China and concluding with a look at developments in the twentieth century Along the way he identifies a number of recurring characters for example the libertine scholar the chivalric hero and the lustful monk and sheds light on a set of key

issues including the social and legal boundaries that regulated sex between men the rise of male prostitution and the aesthetics of male beauty Drawing on this trove of material Vitiello presents a historical outline of changing notions of male homosexuality in China revealing the integral part that same sex desire has played in its culture **Low Life Above Stairs: a Farce** ,1759 **Low Life above Stairs.
