Administration**

Los Angeles A Profile:

Profile of a Ghetto, (east Los Angeles, California) East Los Angeles Community Union. Business Development and Assistance Division,1972 **Profile of the Los Angeles Metropolis** ,1963 Field Laboratory Profile, 1985 United States. Food and Drug Administration. Office of Regional Operations. Division of Field Science,1985 Geographic Profile of Employment and Unemployment ,1978 **Urban Business Profile: Children's and Infants Wear** United States. Economic Development Administration,1972 *Urban Business Profile: Machine Shop Job Work* United States. Economic Development Administration,1972 *Urban Business Profile: Custom Plastics Industries, 1972* United States. Economic Development Administration,1972 *Profile of the Fabricated Metal Products Industry* ,1995 *Scientology in Popular Culture* Stephen A. Kent,Susan Raine,2017-07-14 This multidisciplinary study of Scientology examines the organization and the controversies around it through the lens of popular culture referencing movies television print and the Internet an unusual perspective that will engage a wide range of readers and researchers For more than 60 years Scientology has claimed alternative religious status with a significant number of followers despite its portrayals in popular culture domains as being bizarre What are the reasons for the vital connections between Scientology and popular culture that help to maintain or challenge it as an influential belief system This book is the first academic treatment of Scientology that examines the movement in a popular culture context from the perspective of several Western countries It documents how the attention paid to Scientology by high profile celebrities and its mention in movies television and print as well as on the Internet results in millions of people being aware of the organization to the religious organization s benefit and detriment The book leads with a background on Scientology and a discussion of science fiction concepts pulps and movies The next section examines Scientology s ongoing relationship with the Hollywood elite including the group s use of celebrities in its drug rehabilitation program and explores movies and television shows that contain Scientology themes or comedic references Readers will learn about how the Internet and the mainstream media of the United States as well as of Australia Germany and the UK have regarded Scientology The final section investigates the music and art of Scientology Urban Business Profile: Industrial Launderers and Linen Supply United States. Economic Development Administration,1972 **High-Profile Crimes** Lynn S. Chancer,2010-02-15 O J Simpson The Central Park jogger Bensonhurst William Kennedy Smith Rodney King These are more than crimes and criminals more than court cases They are cultural events that for better or worse gave concrete expression to latent social conflicts in American society In High Profile Crimes Lynn Chancer explores how these cases became conflated with larger social causes on a collective level and how this phenomenon has affected the law the media and social movements An astute and incisive chronicle of some of the most polarizing cases of the 1980s and 1990s High Profile Crimes shows that their landmark status results from the overlapping interaction of diverse participants The merging of legal cases and social causes Chancer argues has wrought ambivalent effects on both social movements and the law On the one hand high profile

crimes offer important opportunities for emotional expression and raise awareness of social issues But on the other hand social problems cannot be resolved through the either or determinations that are the goals of the legal system creating frustration for those who look to the outcome of these cases for social progress Guilt or innocence through the lens of the media leads to either defeat or victory for a social cause a confounding situation that made the O J Simpson case for example unable to resolve the issues of domestic violence and police racism that it had come to symbolize Based on nearly two hundred interviews Chancer s discussions of the infamous Central Park jogger and Bensonhurst cases as well as the rape trials of William Kennedy Smith and Mike Tyson the assault cases of Rodney King and Reginald Denny and finally the O J Simpson murder trial provide a convincing multidimensional and innovative analysis of the most charged public dramas of the last two decades

Grantmaking Policies and Employment Profile of the National Foundation of the Arts and Humanities United States. Congress. House. Committee on Government Operations. Government Activities and Transportation Subcommittee,1990 **Decisions** California Public Utilities Commission,1921 **Decisions of the Railroad Commission of the State of California** Railroad Commission of the State of California,1921 California High-speed Train System ,2005 **Toxicological Profile for Xylenes** ,1995 *Criminal Justice Profile* ,1995 NASA Technical Note United States. National Aeronautics and Space Administration,1959 **Social and Health Indicators System** Census Use Study (Organization),1973 **Urban Business Profile: Beauty Shops** United States.
