Days or Less ALBAN COLE,2025-05-06 Rewrite your story and break free from the painful cycle of codependency Open a new chapter where you can live as the complete and authentic version of yourself embracing self discovery empowerment and independence Are you constantly seeking approval bending over backward to meet the needs of others even at the expense of your own well being Do you often neglect your own desires and boundaries in the process If your answer is yes then you may be exhibiting codependent behavior in one or more types of relationships in your life The main sign of codependency is consistently elevating the needs of others above your own In reality it presents a spectrum of pains and scars that run deep beneath the surface It can manifest in various relationships whether with a partner family member friend or coworker It thrives in environments where there is an imbalance of power emotional instability or a history of dysfunctional relationship dynamics Codependency is a challenging cycle of give and take and the only way out is through profound emotional healing personal growth and transformative change This book serves as your guiding light through the shadows of codependency offering insights practical strategies for coping and emotional intelligence and empathetic support so you can break free from its grip By exploring the roots of codependent behavior and providing actionable steps toward building healthier relationships this book will help you reclaim your autonomy and foster genuine connections based on mutual respect and trust Here is just a fraction of what you will discover within A step by step guided journey to the complete you rediscovering the love you have for yourself The spectrum of codependency understanding the different ways it manifests in life and relationships Exercises for self reflection how to rediscover your needs and desires and foster a deeper connection with yourself How to master the art of unconditional self love so you can bring your complete self to relationships The paradox of people pleasing and why external validation is a honey trap here s a secret people pleasing pleases no one How to set and maintain wise and healthy boundaries in all areas of your life at home at work and in various social scenarios The key to healthy relationships how to write a new language of love for yourself and the people in your life And much more This book understands that change isn t easy especially when you ve given too much for too long It addresses breaking unhealthy habits building trust healing from trauma and enhancing mental health It s easy to say Just assert your wants and needs but taking action is an entirely different mountain to climb This book will help you find the inner strength and will you need to take action and combat codependency This is your sign to end the cycle Step out of the shadows of codependency and live your best most authentic life Scroll up and click the Add to Cart button right now **Seeds of Deception** Georgiana Preskar,2004-06-14 Is the foundation of America sinking into a humanist philosophy Are American values and mores struggling for survival Are the voices of authority and discipline disappearing into an abyss of political correctness Is compromise the mission statement of our schools families churches and communities Do you still ask yourself How did Hitler win the minds of the people Mind Control is a living rapidly expanding force in our world today Nazi Germany had their Hitler Youth the Middle East has their Madrasas and America has its SEED Program SEED is uncompromising in reaching

grasping and catching all who enter its domain It is quiet and secretive giving love and acceptance to those who give up traditional values and morals The journey of one woman asking why discovers mind control of our American youth Only worse its mind control that begins with parents teachers businesses church leaders and the communities in which we live Read compelling evidence of slow methodical ways our Country is manipulated into transformation by SEED programs behind closed doors Learn the truth behind Seeds of Deceptions manipulative agents causing destruction of our most prized possessions our children and grandchildren

The Paranoia Switch Martha Stout,2025-06-25 On September 11 2001 the Fear Switch in our brains got flicked How do we turn it off and reclaim our lives Five years after September 11 we re still scared And why not Terrorists could strike at any moment Our country is at war The polar caps are melting Hurricanes loom We struggle to control our fear so that we can go about our daily lives Our national consciousness has been torqued by trauma in the process transforming our behavior our expectations our legal system In The Myth of Sanity Martha Stout who until recently taught at the Harvard Medical School analyzed how we cope with personal trauma In her national bestseller The Sociopath Next Door she showed how to avoid suffering psychological damage at the hands of others Now in The Paranoia Switch she offers a groundbreaking clinical neuropsychological and practical examination of what terror and fear politics have done to our minds and to the very biology of our brains In this timely and essential book Stout assures us that we can interrupt the cycle of trauma and look forward to a future free of fear only by understanding our own paranoia and what flips the paranoia switch

Claiming Value Alena Wolflink,2022-09-08 Value is typically theorized from the frameworks of economic theory or of moral ethical theory but we need to instead think about value foremost as political Alena Wolflink uncovers a tension in value discourses between material and aspirational life As she shows erasing this tension as has been the historical tendency can entrench existing configurations of power and privilege while acknowledging the tension is a vital part of democratic practice Using genealogical conceptual historical and interpretive approaches and drawing from such diverse sources as Aristotle Anna Julia Cooper Michael Warner Alicia Garza and Patrisse Khan Cullors Wolflink argues that abstractions of value discourse in both economic theory and moral philosophy have been complicit in devaluing the lives of women queer people and people of color Yet she further argues that value claims nonetheless hold democratic potential as a means of asserting and defining priorities that center the role of political economy in the making of political communities With many real world examples vividly portrayed Claiming Value is an unusually accessible work of political theory accessible to students in courses on political theory moral philosophy social theory economic theory democracy social inequality and more

Reclaim Your Youth:

Growing Younger After 40 Richard Sullivan, 2009-07-12 Beginning at age 30 men and women lose 7% of their lean muscle mass which is literally the fiber of our being every decade thereafter By the age of 50 that amounts to 15% The only solution is challenging ongoing physical activity specifically strength training to rebuild lost bone and muscle and regain the physical form of youth The Gold Standard for reclaiming youth is to literally build or rebuild your body muscle and bone through strength training Reclaim Your Youth Growing Younger After 40 educates the reader on how to perform exercises that rebuild muscle and bone for maximum results in half the time

The Top Books of the Year Lost And Found Recovering Our Values Reclaiming Our Dream The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the engaging narratives that have captivated audiences this year. Lost And Found Recovering Our Values Reclaiming Our Dream : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Uncover the Best : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Lost And Found Recovering Our Values Reclaiming Our Dream : Delia Owens' "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
