Lost Science Of The Stone Age Sacred Energy:

Lost Science of the Stone Age Michael Poynder, 2004 Proving that 10 000 years ago the subtle energies that bind all living things were widely understood by an enlightened neolithic priesthood *Beyond 2012: Catastrophe or Awakening?* Geoff Stray, 2009-05-21 An illustrated encyclopedic overview of the prophecies calendars and theories that indicate the year 2012 is a threshold of great change for humanity Looks at the scientific and anthropological evidence for the rare galactic alignment due to occur in December 2012 Sifts through the catastrophic theories to show what we might really expect in 2012 In December of 2012 the Mayan Calendar s Great Cycle will come to an end Opinion remains divided as to whether apocalyptic scenarios of worldwide destruction or utopian visions of a spiritually renewed humanity will prevail after this key date has passed What is certain however is that a rare galactic alignment will occur one so unique that it is found at the core of many wisdom traditions from around the globe Geoff Stray has been collecting the vast amounts of data relating to the 2012 phenomena since 1982 Far from confining his research to the Maya who provide the most prominent predictions indicating this date will herald significant changes for humanity he has studied the prophetic traditions of other cultures including the Tibetan Chinese Jewish Ethiopian and tribal cultures from around the globe to show the kind of convergence of cosmic purposes happening along a number of parallel tracks This book offers an extensive study of many modern theories including Terence McKenna s timewave zero and Maurice Cotterell s sunspot research as well as anomalous phenomena such as near death experiences and crop circles Sifting through all the scientific research and speculation that the year 2012 has inspired Geoff Stray provides an encyclopedic look at what we might really expect on this pivotal date [Dark Light Consciousness](#) Edward Bruce Bynum, 2012-06-19 How to awaken the Ureus the serpent power of spiritual transcendence within each of us and connect to the superconscious of the universe Reveals the biochemistry of how the body s melanin provides the template for the subtle energy body or light body Shows how embracing the dark light consciousness of the awakened Ureus opens a portal to the sacred darkness of the superconscious Provides illustrated instructions for meditation practices breathing exercises and yoga postures to safely awaken Ureus Kundalini energy Within each of us lies the potential to activate a personal connection to the superconscious Called Ureus in ancient Egyptian texts and Kundalini in ancient Hindu yoga traditions our innate serpent power of spiritual transcendence inhabits the base of the spine in its dormant state When awakened it unfurls along the spinal column to the brain connecting individual consciousness to the consciousness of the universe enfolded within the dark matter of space At the root of creativity and spiritual genius across innumerable cultures and civilizations this intelligent force reveals portals that enfold time space and the luminous matrix of reality itself Combining physics neuroscience and biochemistry with ancient traditions from Africa and India Edward Bruce Bynum Ph D explores the ancient Egyptian science of the Ureus and reveals how it is intimately connected to dark matter and to melanin a light sensitive energy conducting substance found in the brain nervous system and organs of all higher life

forms He explains how the dark light of melanin serves as the biochemical infrastructure for the subtle energy body just as dark matter together with gravity holds the galaxies and constellations together With illustrated instructions he shows how to safely awaken and stabilize the spiritual energy of the Ureaus through meditation practices breathing exercises and yoga postures as well as how to prepare the subtle body for transdimensional soul travel By embracing the dark light of the shining serpent within we overcome our collective fear of the vast living darkness without By embracing the dark we transcend reality to the dimension of light *Apocalypse or a Golden Age?* , Planet Medicine: Origins, Revised Edition Richard Grossinger,2013-03-26 Planet Medicine is a major work by an anthropologist who looks at medicine in a broad context In this edition additions to this classic text include a section on Reiki a comparison of types of palpation used in healing updates on craniosacral therapy and a means of understanding how different alternative medicines actually work Illustrated throughout this is the standard on the history philosophy and anthropology of this subject *The Lost Science of Measuring the Earth* Robin Heath,John Michell,2006 Long trackways stone rows circles standing stones and huge earthworks may be found all over Britain monuments dating back well over 4000 years The authors have made a remarkable breakthrough in understanding the system by which prehistoric monuments were designed and placed *Forbidden History: Lost Knowledge* Ben Wilder,2025-09-01 What if ancient civilizations knew secrets of science and technology that modern history refuses to acknowledge Forbidden History Lost Knowledge uncovers the hidden sciences mysterious technologies and lost wisdom of civilizations that existed before recorded history From impossible ancient structures to forgotten inventions that defy explanation this book reveals the knowledge erased or suppressed by mainstream historians Packed with fascinating trivia forbidden facts and mind bending theories this isn t just a history book it s also the perfect gift for men who have everything history buffs and curious minds everywhere Inside you ll discover Ancient technologies that rival or surpass modern achievements Hidden sciences and forgotten knowledge passed through secret traditions The mysteries of civilizations that existed before time A trivia filled format that makes this book the perfect Christmas gift birthday gift or stocking stuffer Whether you re shopping for a world history book ancient history book or a unique gift for men this edition delivers forgotten knowledge that challenges everything we think we know Perfect for fans of Graham Hancock Yuval Noah Harari Captivating History and Ancient Aliens style mysteries **Planet Medicine** Richard Grossinger,2001-01-31 Planet Medicine is a major work by an anthropologist who looks at medicine in a broad context In this edition additions to this classic text include a section on Reiki a comparison of types of palpation used in healing updates on craniosacral therapy and a means of understanding how different alternative medicines actually work Illustrated throughout this is the standard on the history philosophy and anthropology of this subject **Science of Spirit** Robert Donald Tonelli,2011-01-17 Beyond the Secret Beyond the Power of Now is the Science of Spirit a Deeper look at life Why are we here alive on planet earth trapped in a life of 9 to 5 wage slavery Science of Spirit Lost Keys to the Kingdom of Heaven on Earth

shows that all life on planet earth and in the universe is based on an evolution of consciousness from the beginning of time the Big Bang It clarifies the connectedness of all life with Science and to Spirit through the understanding of world old Hermetic Teachings in a balance of Reason and Faith Consciousness is the very fabric that all form is made out of and is the ground of all beingness of life Consciousness and the energy that makes up matter are inextricably combined or linked emerging in a sequence of events called occasions of experience that ultimately create our experiences in life and our reality The universe isn't made of things or particles It's a process It's made up of events The result of this evolution of consciousness is an Analogical Awareness of life living in the now moment of unlimited potentials for the growth of a new super conscious species of humanity moving through an Omega Point in time between 2011 2013 These Hermetic Teachings were clarified for me through the teaching of Ramtha and his Ancient Gnostic School much of what I have learned in 20 years my philosophy of life has its foundation in Ramtha's philosophy Our accelerating consciousness is moving to a quantum existence of Spirit in Mass God Man realized alive with all the lower species of life specifically the Sheeple of Economic Western Society The Science of Spirit is based on my personal experience my research and my understanding of the ancient philosophy that this work comes from It uses from research the philosophy and experience of other very credible people that have studied different aspects of a Science of Spirit as a philosophy to live by I use this eclectic approach to build an accurate model of reality based in consciousness that allows us to create our own reality once we rid ourselves of the illusions of society This approach gives credibility to my overall viewpoint a modern interpretation of a very old philosophy and way of life A Science of Spirit that is inherent in Mother Nature It goes in depth about understanding What Consciousness Is An Analogical State of Awareness that is continuously evolving faster and faster to the eternal Now Moment It uses the discovery of a new perspective of the Mayan Calendar that is supposed to end in a religious Apocalypse at The Omega Point in time around 2012 as its foundational understanding of an Evolution of Consciousness on earth This philosophy and research show an Evolution of Consciousness a rising of an Analogical Awareness of life revealing a Science to the nature of Spirit It explains from a new perspective this battle between the Forces of Good and Evil at The End of Time This Ancient Science of Spirit philosophy explains how the primeval forces of life Spirit that are inherent in Mother Earth growing for 16.4 billion years are pitted against the dogmatic stagnant god fearing personalities that runs the Engines of Commerce of our Global Society with their focus on monetary control of the people and the planet This is a real life battle between evolving evolutionary beings against the Anti Christ Social Consciousness of The Multi National Corporations Religious dogmas talk about an Apocalypse at the end of time to help warn us of our impending doom the remarkable thing is that the word Apocalypse means the lifting of a veil or a disclosure to certain privileged persons of something hidden from the majority of humankind I will show in this book that the lifting of a veil is a rising of consciousness that knows no fear of the unknown and clarifies ancient predictions of the end days and the real battle of Armageddon This ancient Science **Disinformation**

apply it in daily life to access one's personal power and inner knowledge Anyone who has tried to study the Yoga Sutras without a guide can attest to how difficult it is to understand them Within the text Swamiji mentions that even after studying the Yoga Sutras many times in his youth he did not understand them until he was taught by authentic yoga masters Swamiji has shared the precious knowledge he was given to assist those who are sincerely on the spiritual path to more easily understand the sutras and especially their practical aspects Hopefully this volume will serve to clarify the true meaning of the Yoga Sutras and will serve as a guide to those persons who have the courage to embark on the sacred journey of self transformation to reach its limitless and unfathomable goal of the highest state of consciousness The final reality is silence
