French Joseph Lewis FRENCH,1927 **Lotus and Chrysanthemum** Richard West,1979-08-01 *Anthology of Magazine Verse* William Stanley Braithwaite,1929 Vol for 1958 includes Anthology of poems from the seventeen previously published Braithwaite anthologies *Anthology of Magazine Verse for ...* ,1929 *Anthology of Magazine Verse for ... and Year Book of American Poetry* ,1929 *Classical Chinese Literature: From antiquity to the Tang dynasty* John Minford,Joseph S. M. Lau,2002 Contains English translations of Chinese writings drawn from throughout a period of four hundred years including poems drama fiction songs biographies and early works of philosophy and history arranged chronologically and by genre with introductory quotes and comments **A History of Western Appreciation of English-translated Tang Poetry** Lan Jiang,2018-03-08 This book examines the development of English translated Tang poetry and its propagation to the Western world It consists of two parts the first of which addresses the initial stage of English translated Tang poetry s propagation and the second exploring its further development By analyzing the historical background and characteristics of these two stages the book traces the trend back to its roots discusses some well known early sinologists and their contributions and familiarizes readers with the general course of Tang poetry s development In addition it presents the translated versions of many Tang poems The dissemination of Tang poetry to the Western world is a significant event in the history of cross cultural communication From the simple imitation of poetic techniques to the acceptance and identification of key poetic concepts the Tang poetry translators gradually constructed a classic Chinese style in modern American poetry Hence the traditional Chinese culture represented by Tang poetry spread more widely in the English speaking world producing a more lasting impact on societies and cultures outside China and demonstrating the poetry s ability to transcend the boundaries of time region nationality and culture Due to different cultural backgrounds the Tang poets or poems admired most by Western readers may not necessarily receive high acclaim in China Sometimes language barriers and cultural differences make it impossible to represent certain allusions or cultural and ethnic concepts correctly during the translation process However in recent decades the translation of Tang poetry has evolved considerably in both quantity and quality As culture is manifested in language and language is part of culture the translation of Tang poetry has allowed Western scholars to gain an unprecedented understanding of China and Chinese culture Bulletin (1901-195) Brooklyn Public Library,1927
