Included

The background of the cover features several technical sketches of mechanical structures, likely related to the development of Lotus Notes. On the left, there is a detailed drawing of a complex, multi-tiered metal framework or scaffolding. On the right, there are several smaller sketches, including one of a large, curved, bowl-like structure supported by a central pole, and another of a similar structure with a different internal framework. The sketches are rendered in a light, sketchy style, typical of early computer-aided design or engineering drawings.
