Louis Riel The Rebel And The Hero Canadian Lives:

Louis Riel, the Rebel and the Hero Hartwell Bowsfield, 1971 The rise and fall of Louis Riel 1844-85 spanned only fifteen years yet he is one of the most controversial and colourful people in Canadian history The central figure in two rebellions which he led on behalf of the French speaking half breeds called Metis Riel has caught the imagination of Canadians as few other historical personalities have done His career began with the acts of resistance at the Red River Settlement in 1869 and continued through the formation of a Provisional Government and the notorious shooting of Thomas Scott in 1870 through years of mental illness and exile in the United States to the North West Rebellion of 1885 It reached an inevitable climax with his surrender and trial and the passionate outpouring of feeling that rocked the country when he was found guilty of treason and executed The religious and racial emotions of the time the bigotry and opportunism of politicians and Riel's own unstable mental condition all combine to make of his life a Canadian tragedy one that had profound consequences for Confederation

The Canadian Prairies Gerald Friesen, 1987-01-01 A history of the Canadian prairie provinces from the days of Native European contact to the 1980s Louis Riel, the Rebel and the Hero [sound Recording] Annesley, Grace, narrator, Hartwell Bowsfield, 197? *Louis Riel and the Creation of Modern Canada* Jennifer Reid, 2008-11 Since he was tried and hanged for treason in November of 1885 Louis Riel has been the subject of more histories biographies novels and poetry than any other figure in Canadian history Politician founder of Manitoba and leader of the aboriginal Metis people Riel led two resistance movements against the Canadian government the Red River Uprising of 1869-70 and the North West Rebellion of 1885 in defense of Metis and other minority rights Against the backdrop of these legendary uprisings Jennifer Reid examines Riel's religious background the mythic significance that has consciously been ascribed to him and how these elements combined to influence Canada's search for a national identity Reid's study provides a framework for rethinking the geopolitical significance of the modern Canadian state the historic role of Confederation in establishing the country's collective self image and the narrative space through which Riel's voice speaks to these issues The Peoples of Canada J. M. Bumsted, 1992 This long awaited history of Canada the first survey by a single scholar in many years is the result not only of Bumsted's experience of teaching Canadian history and discussing it with his students over twenty five years but also of his assimilation of post 1970s historiography He has written a highly readable and richly detailed new synthesis for the present time In this book the first period 1885 to 1921 highlights the development of imperial sentiment in English speaking Canada a great wave of social reform connected chiefly with industrialism a shift in the nature of Canadian immigration and urbanization the First World War which exerted a powerful force on the Canadian economy and the quest for female equality The next period 1921-1945 which includes the Great Depression and the Second World War is characterized by what Stephen Leacock called the Unsolved Riddle of Social Justice The war itself brought national sovereignty to Canada and gave birth to the welfare state The growth and affluence that followed along with striking changes in lifestyles and headlong developments

in the arts are described for the period 1945-1972. The 1970s to the present when all the givens of the past liberalism, centralism, nationalism were attacked from several directions and began to unravel are brilliantly surveyed by Bumsted. But his fresh look at this history in an engaging text generously illustrated is both illuminating and inspiring. Louis Riel Ved Parkash Arora, 1972. Le messianisme de Louis Riel Gilles Martel, 1984-10-02. Le premier mai 1876 Louis Riel crivait Mgr Courget. Le Saint-Esprit m'a dit: Tu es le Messie de Gloire humaine que la Maison de Jacob s'attendait trouver dans le Verbe incarné. A la suite de quel cheminement psychologique et sous la pression de quels facteurs sociaux Louis Riel en arriva-t-il à cette conviction? Quelle fut l'évolution de cette idéologie messianique et millénariste tout au long de sa vie? Enfin quel rôle joua cette idéologie dans ses actions politiques entre 1869 et 1885? Utilisant abondamment des sources manuscrites souvent inédites, la présente analyse de sociologie historique entend situer la personne de Riel dans l'histoire collective du peuple métis. La description circonstanciée des bouleversements socio-économiques du peuple métis et l'analyse détaillée des traumatismes psychologiques de Louis Riel se conjuguent pour éclairer d'un jour nouveau cette page controversée de l'histoire canadienne.

Rediscovering Canadian History Paul W. Bennett, 1980. Canadian history including some activities. *The Riel Problem* Albert Braz, 2024-06-06. Tracing Louis Riel's metamorphosis from traitor to hero, Braz argues that through his writing Riel resists his portrayal as both a Canadian patriot and a pan-Indigenous leader. After being hanged for high treason in 1885, the Métis politician, poet, and mystic has emerged as a quintessential Canadian champion. The Riel Problem maps this representational shift by examining a series of cultural and scholarly commemorations of Riel since 1967, from a large-scale opera about his life through the publication of his extant writings to statues erected in his honour. Braz also probes how aspects of Riel's life and writing can be problematic for many contemporary Métis artists, scholars, and civic leaders. Analyzing representations of Riel in light of his own writings, the author exposes both the constructedness of the Canadian nation-state and the magnitude of the current historical revisionism when dealing with Riel. *On the Other Side(s) of 150* Linda M. Morra, Sarah Henzi, 2021-05-20. *On the Other Side(s) of 150* explores the different literary, historical, and cultural legacies of Canada's sesquicentennial celebrations. It asks vital questions about the ways that histories and stories have been suppressed and invites consideration about what happens once a commemorative moment has passed. Like a Cubist painting, this modality offers a critical strategy by which also to approach the volume as dismantling, reassembling, and re-enacting existing commemorative tropes as offering multiple conditional and contingent viewpoints that unfold over time and as generating a broader, although far from being comprehensive, range of counter-memorial performances. The chapters in this volume are thus provisional, interconnected, and adaptive; they offer critical assemblages by which to approach commemorative narratives or showcase lacunae therein by which to return to and intervene in ongoing readings of the past from the present moment and by which not necessarily to resolve but rather to understand the troubled and troubling narratives of the present moment. Contributors propose that these preoccupations are not a means of turning away from present concerns but rather a means

of grappling with how the past informs or is shaped to inform them and how such concerns are defined by immediate social contexts and networks

A Native Heritage Leslie Monkman, 1981-12-15 Disparity and division in religion technology and ideology have characterized relations between English Canadian and Indian cultures throughout Canada's history From the earliest declaration of white territorial ownership to the current debate on aboriginal rights red man and white man have had opposing principles and perspectives The most common solutions imposed on these conflicts by white men have relegated the Indian to the fringes of white society and consciousness This survey of English Canadian literature is the first comprehensive examination of a tradition in which white writers turn to the Indian and his culture for standards and models by which they can measure their own values and goals for patterns of cultural destruction transformation and survival and for sources of native heroes and indigenous myths Leslie Monkman examines images of the Indian as they appear in works ranging from Robert Rogers Ponteach or The Savages of America 1766 to Robertson Davies Pontiac and the Green Man 1977 demonstrating how English Canadian writers have illuminated their own world through reference to Indian culture The Indian has been seen as an antagonist as a superior alternative as a member of a vanishing and lamented race and as a hero and the source of the new myths Although white Indian tension often lies in apparently irreconcilable opposites Monkman finds in the literature surveyed complementary images reflecting a common humanity This is an important contribution to a hitherto unexplored area of Canadian literature in English which should give rise to further elaboration of this major theme
