Louis Lambert Les Proscrits Jesus Christ En Flandre:

Louis Lambert - Les Proscrits - Jesus-Christ En Flandres Honoré de Balzac,1980 Louis Lambert suivi de Les proscrits et de Jésus-Christ en Flandre Honoré de Balzac,1968 *Louis Lambert* Honoré de Balzac,1968 **Louis Lambert** Honoré de Balzac,1968 **Genius in France** Ann Jefferson,2014-12-21 This engaging book spans three centuries to provide the first full account of the long and diverse history of genius in France Exploring a wide range of examples from literature philosophy and history as well as medicine psychology and journalism Ann Jefferson examines the ways in which the idea of genius has been ceaselessly reflected on and redefined through its uses in these different contexts She traces its varying fortunes through the madness and imposture with which genius is often associated and through the observations of those who determine its presence in others Jefferson considers the modern beginnings of genius in eighteenth century aesthetics and the works of philosophes such as Diderot She then investigates the nineteenth century notion of national and collective genius the self appointed role of Romantic poets as misunderstood geniuses the recurrent obsession with failed genius in the realist novels of writers like Balzac and Zola the contested category of female genius and the medical literature that viewed genius as a form of pathology She shows how twentieth century views of genius narrowed through its association with IQ and child prodigies and she discusses the different ways major theorists including Sartre Barthes Derrida and Kristeva have repudiated and subsequently revived the concept Rich in narrative detail *Genius in France* brings a fresh approach to French intellectual and cultural history and to the burgeoning field of genius studies **Myth and Modernity** Dan Edelstein,Bettina R. Lerner,2007-01-01 Editors Preface Dan Edelstein and Bettina Lerner Mythomania and Modernity Part I From Nation to Republic Bettina Lerner Michelet Mythologue Leon Sachs Teaching to the Choir The Republican Schoolteacher and the Sanctity of Secularism Tyler Stovall The Myth of the Liberatory Republic and the Political Culture of Freedom in Imperial France Part II Reading Revolution Marie Helene Huet The Face of Disaster Dan Edelstein The Modernization of Myth From Balzac to Sorel Edward Berenson Fashoda Dreyfus and the Myth of Jean Baptiste Marchand Part III Mythical Selves Goran Blix Heroic Genesis in the Memorial de Sainte Helene Natacha Allet Myth and Legend in Antonin Artaud s Theater Jean Marie Apostolides Herge and the Myth of the Superchild Lawrence Kritzman De Gaulle s Memoires Self Portraiture and the Rhetoric of the Nation **Dante and Heterodoxy** Maria Luisa Ardizzone,2014-10-02 *Dante and Heterodoxy* The Temptations of 13th Century Radical Thought edited and with an introduction by Maria Luisa Ardizzone collects several studies devoted to discussing Dante s work in the light of the intellectual debate that developed in thirteenth century Europe after the entrance of new Aristotelian learning and the diffusion of Greek Arabic thought in particular the Latin translations of works by Ibn Rushd Averroes What takes form in the various articles is the emerging of an interest in the philosophical and scientific contents of Dante s opus *Heterodoxy* in this volume is thus linked to but not always coincident with what medieval scholars such as Ferdinand Van Steenberghen or Alain De Libera term radical Aristotelianism

or Integral Aristotelianism The word temptations as its meaning clearly shows delineates not an organic link with heterodox or radical ideas but rather an intermittent inclination to include or evaluate themes related to these ideas Temptations implies a search an interrogation that consists of the doubts and uncertainties of a poet strongly involved in the intellectual debate of his time and culture and for whom philosophy and theology are not fields of opposition but different modes of inquiry

Literary Medicine: Brain Disease and Doctors in Novels, Theater, and Film J., Bogousslavsky, S., Dieguez, 2013-02-21 Classical and modern literature is full of patients with interesting neurological cognitive or psychiatric diseases often including detailed and accurate descriptions which suggests the authors were inspired by observations of real people In many cases these literary portrayals of diseases even predate their formal identification by medical science Fictional literature encompasses nearly all kinds of disorders affecting the nervous system with certain favorites such as memory loss and behavioral syndromes There are even unique observations that cannot be found in scientific and clinical literature because of the lack of appropriate studies Not only does literature offer a creative and humane look at disorders of the brain and mind but just as authors have been inspired by medicine and real disorders clinicians have also gained knowledge from literary depictions of the disorders they encounter in their daily practice This book provides an amazing and fascinating look at neurological conditions patients and doctors in literature and film in a way which is both nostalgic and novel

A Natural History of Pragmatism Joan Richardson, 2006-12-21 Joan Richardson provides a fascinating and compelling account of the emergence of the quintessential American philosophy pragmatism She demonstrates pragmatism s engagement with various branches of the natural sciences and traces the development of Jamesian pragmatism from the late nineteenth century through modernism following its pointings into the present Richardson combines strands from America s religious experience with scientific information to offer interpretations that break new ground in literary and cultural history This book exemplifies the value of interdisciplinary approaches to producing literary criticism In a series of highly original readings of Edwards Emerson William and Henry James Stevens and Stein A Natural History of Pragmatism tracks the interplay of religious motive scientific speculation and literature in shaping an American aesthetic Wide ranging and bold this groundbreaking book will be essential reading for all students and scholars of American literature
