Love And Work Enough The Life Of Anna Jameson:

Love and Work Enough Clara Thomas,1978 **Memoirs of the Life of Anna Jameson** Gerardine Macpherson,1878

Governess Ruth Brandon,2011-02-01 Between the 1780s and the end of the nineteenth century an army of sad women took up residence in other people's homes part and yet not part of the family not servants yet not equals To become a governess observed Jane Austen in *Emma* was to retire from all the pleasures of life of rational intercourse equal society peace and hope to penance and mortification for ever However in an ironic paradox the governess so marginal to her society was central to its fiction partly because governessing was the fate of some exceptionally talented women who later wrote novels based on their experiences But personal experience was only one source and writers like Wilkie Collins William Makepeace Thackeray Henry James and Jane Austen all recognized that the governess's solitary figure adrift in the world offered more novelistic scope than did the constrained and respectable wife Ruth Brandon weaves literary and social history with details from the lives of actual governesses drawn from their letters and journals to craft a rare portrait of real women whose lives were in stark contrast to the romantic tales of their fictional counterparts Governess will resonate with the many fans of Jane Austen and the Brontës whose novels continue to inspire films and books as well as fans of *The Nanny Diaries* and other books that explore the longstanding tension between mothers and the women they hire to raise their children

The History of British Women's Writing, 1830-1880 Lucy Hartley,2018-09-22 This volume charts the rise of professional women writers across diverse fields of intellectual enquiry and through different modes of writing in the period immediately before and during the reign of Queen Victoria It demonstrates how between 1830 and 1880 the woman writer became an agent of cultural formation and contestation appealing to and enabling the growth of female readership while issuing a challenge to the authority of male writers and critics Of especial importance were changing definitions of marriage family and nation of class and of morality as well as new conceptions of sexuality and gender and of sympathy and sensation The result is a richly textured account of a radical and complex process of feminization whereby formal innovations in the different modes of writing by women became central to the aesthetic social and political formation of British culture and society in the nineteenth century The Woman Question: Social issues Elizabeth K. Helsinger,Robin Ann Sheets,William R. Veeder,1983 *Encyclopedia of Life Writing* Margaretta Jolly,2013-12-04 First published in 2001 This is the first substantial reference work in English on the various forms that constitute life writing As this term suggests the Encyclopedia explores not only autobiography and biography proper but also letters diaries memoirs family histories case histories and other ways in which individual lives have been recorded and structured It includes entries on genres and subgenres national and regional traditions from around the world and important autobiographical writers as well as articles on related areas such as oral history anthropology testimonies and the representation of life stories in non verbal art forms Settlement Ann Birch,2010-09-01 The untold story of scandal and political intrigue in early Toronto Anna Jameson arrives in the tiny

settlement of Toronto in November 1836 She has come at the request of her estranged husband but she intends to gather material for a new book which will eventually be published in England years later At first Anna finds herself in an alien world She has little in common with Toronto women whose interests centre on gossip and their families but as she begins to move into adventures like sleigh riding and helping to fight a major fire she enters a new life And she also meets man about town Sam Jarvis But Jarvis has a loving wife a pile of debts and a violent past The story is told from both their points of view She travels alone into the wilderness becomes the first white woman to descend the Sault rapids in a canoe and discovers the joy of freedom On Manitoulin Island she and Sam Jarvis meet again During a long canoe trip down Lake Huron they wrestle with the conflicts in their relationship and arrive at a settlement

Maps of Difference Wendy Roy, 2005-05-12 Roy considers the connections Jameson makes between feminism and anti racism in *Winter Studies* and *Summer Rambles in Canada* 1838 Hubbard s insights in *A Woman s Way Through Unknown Labrador* 1908 into her relationship with First Nations men who had both more and less power than she and Laurence s awareness of colonial and patriarchal oppression in her African memoir *The Prophet s Camel Bell* 1963 Roy also examines archival and First Nations accounts of these women s travels and the sketches photos and maps that accompany their writing to examine contradictions in and question the implied objectivity of travel narratives She concludes by looking at the myth of getting there first and the ways in which new technologies of representation including cameras allow travellers and writers to claim new travel firsts
