me to search for answers but wasn't conscious of this in my early days and sets the stage for the rest of the book I began the artistic journey as a teenager in my bedroom where I would write and then felt compelled to create and was instinctively healing myself through this creative process I give to those who are willing to walk with me on their healing journey these 12 creative processes as a tool in unfolding from within what's ready for transformation I have drawn hundreds of mandalas and this is a series that I began to work with and channel in 2007 and that I believe is a gift to those who feel ready to utilize their power They are a healing tool for you to divine one as your daily oracle The 12 mandala process is a journey to be used with reverence and respect as are the 54 mandalas
